Buni - Ryan Pagelow 2018-06-05

Always positive, Buni doesn't understand that the cute world he lives in is usually out to get him. The girl he loves loves someone else. And his best intentions never seem to work. Yet he wakes up each day hopeful. Together with his cynical dad and determined dog, he inhabits a surreal world populated by teddy bears, cupcakes, unicorns, and zombies. With few words, these comics rely on images to tell the story, which is often twisted, sad and funny all at the same time. But more than anything, they show that nothing will keep Buni down. Because true happiness is a state of mind.

[Mickey Mouse Timeless Tales 1](#) - Bill Wright
2016-06-28

Oh, fer gosh sakes! IDW's first six issues of MICKEY MOUSE are gathered in a luxurious, collector's volume... including great works by Andrea Casty Castellan, Giorgio Cavazzano, Bill Wright and sinful star turns by classic villains like the Phantom Blot, Pegleg Pete, and Professors Ecks and Doublex! Super Chill - Adam Ellis 2018-10-23

Adam's comics deal with weightier topics like seasonal affective disorder and struggles with self-esteem, while also touching on the silly and absurd—like his brief, but intense obsession with crystals. With a bright, positive outlook and a sense of humor, Super Chill tells a story that is both highly relatable and intensely personal.

A Really Good Day - Ayelet Waldman
2017-01-10

The true story of how a renowned writer's struggle with mood storms led her to try a remedy as drastic as it is forbidden: microdoses of LSD. Her revealing, fascinating journey provides a window into one family and the complex world of a once-infamous drug seen through new eyes. When a small vial arrives in her mailbox from "Lewis Carroll," Ayelet Waldman is at a low point. Her moods have

become intolerably severe; she has tried nearly every medication possible; her husband and children are suffering with her. So she opens the vial, places two drops on her tongue, and joins the ranks of an underground but increasingly vocal group of scientists and civilians successfully using therapeutic microdoses of LSD. As Waldman charts her experience over the course of a month--bursts of productivity, sleepless nights, a newfound sense of equanimity--she also explores the history and mythology of LSD, the cutting-edge research into the drug, and the byzantine policies that control it. Drawing on her experience as a federal public defender, and as the mother of teenagers, and her research into the therapeutic value of psychedelics, Waldman has produced a book that is eye-opening, often hilarious, and utterly enthralling.

Stories of Your Life and Others - Ted Chiang
2010-10-26

From the author of *Exhalation*, an award-

winning short story collection that blends "absorbing storytelling with meditations on the universe, being, time and space ... raises questions about the nature of reality and what it is to be human" (The New York Times). *Stories of Your Life and Others* delivers dual delights of the very, very strange and the heartbreakingly familiar, often presenting characters who must confront sudden change—the inevitable rise of automatons or the appearance of aliens—with some sense of normalcy. With sharp intelligence and humor, Chiang examines what it means to be alive in a world marked by uncertainty, but also by beauty and wonder. An award-winning collection from one of today's most lauded writers, *Stories of Your Life and Others* is a contemporary classic. Includes "Story of Your Life"—the basis for the major motion picture *Arrival*

Super Chill - Adam Ellis 2018-10-23

From former BuzzFeed illustrator Adam Ellis comes a collection of autobiographical comics

that follows a year in the artist's life. Adam's comics deal with weightier topics like seasonal affective disorder and struggles with self-esteem, while also touching on the silly and absurd--like his brief, but intense obsession with crystals. With a bright, positive outlook and a sense of humor, Super Chill tells a story that is both highly relatable and intensely personal.

Fever Knights - Adam Ellis 2022-05-03

What happened at Starfish Beach? Finneus had plans to surf every day of summer vacation until a mysterious accident at Starfish Beach took his arm and left him with almost no memory of exactly what happened. Now, strange things have been occurring all around Toro Island, and Finn and his friends are going to get to the bottom of it! Structured like an old-school video game strategy guide, *Fever Knights* unravels the mystery of the uncanny events affecting Toro Island as Finn and his friends look for answers, making allies, and fighting enemies, using their skills, teamwork, and strange new powers to

figure out what happened at Starfish Beach and what they can do to save their home. With Adam Ellis's vibrant comic illustrations, witty humor, richly detailed world building, and a fantastical cast of characters, *Fever Knights* is the best game you've never played.

My (Almost) Life As a Hikikomori - Alexandro Chen 2018-11-25

In these stories, a university student stays in a KFC for five days straight; a young woman travels three hours only to eat sushi alone; a desperate wife tries to talk to her husband, who hasn't spoken to her over a year. With pitch-dark humor and light-hearted romance, *My (Almost) Life as a Hikikomori* shares glints of our contemporary lives, as well as the old dilemma of death.

Backstory - Avani Gregg 2021-09-28

In this funny, vulnerable, and genuine memoir, award-winning content creator and actress Avani Gregg takes you behind the scenes of her incredible life, sharing how a girl from small-

town Indiana went on to become TikTok of the Year. With more than fifty million followers on social media; invitations to glamorous events around the world; awards, magazine covers, and even her own makeup line—Avani Gregg never imagined this wild ride for herself. After all, she was just from a small town, spending her time hanging with friends and family and combing thrift-store racks for finds. It only took one video—her famous “Clown Girl Check”—and she suddenly found herself vibing as one of the original Hype House creators. “People think I exploded overnight,” the eighteen-year-old TikTok sensation says. “But they don’t know the half of it. They don’t know what came before or after. They don’t know my Backstory.” In this eye-opening memoir, Avani shares the ups and down of her remarkable life, including the devastating back injury that forced her to retire from gymnastics and abandon her dreams of Olympic gold. In the aftermath, struggling to make sense of it all, she found her calling:

creating jaw-droppingly dramatic makeup looks on social media that leave her “Bebs” begging for more. Diving deep into topics like mental health, relationships, bullying, and more, Avani shares her private sketchbook and most intimate thoughts: “There’s a lot we all think and feel but are afraid to say out loud. Well, I’m saying it...and it’s gonna get deep.” This is the unfiltered, revealing, and deeply inspiring Backstory of someone with big dreams and how she worked to achieve them. And Avani is not holding back.

[The Escape Manual for Introverts](#) - Katie Vaz
2019-08-06

Trapped in an airplane seated next to a chatterbox? Are you hosting a dinner party with people who just won't leave? Katie Vaz has the key to your escape. The Escape Manual for Introverts guides readers through different scenarios with themed chapters (“Friends,” “Relatives,” “Strangers,” etc.). Each chapter covers a range of situations, from an invitation

to karaoke night to group lunchtime. And she offers a number of escapes for each scenario: bringing odoriferous foods to lunch for a while, having a pet (real or imagined) that "requires" frequent check-ins, and even investing in a jet pack. This book features Vaz's full-page illustrated spreads, hand-lettering, and spot illustrations. From the silly to the sincere, Vaz's clever, hilarious escape plans and bizarre excuses speak to the introvert in all of us.

Birding Is My Favorite Video Game - Rosemary Mosco 2018-04-17

Birding is My Favorite Video Game is a collection of fun, quasi-educational comics combining weird science, cute visuals, sweet wit, and a strong environmental message. Based on the popular webcomic *Bird and Moon*, this collection brings facts about birds, bees, and insects to life in the quirkiest, most wonderful way.

The Bookish Life of Nina Hill - Abbi Waxman 2019-07-09

Instant USA Today bestseller! "Abbi Waxman is both irreverent and thoughtful."—#1 New York Times bestselling author Emily Giffin "Meet our bookish millennial heroine—a modern-day Elizabeth Bennet, if you will... Waxman's wit and wry humor stand out. She is funny and imaginative, and "Bookish" lands a step above

run-of-the-mill romantic comedy fare.”—The Washington Post “Abbi Waxman offers up a quirky, eccentric romance that will charm any bookworm.... For anyone who’s ever wondered if their greatest romance might come between the pages of books they read, Waxman offers a heartwarming tribute to that possibility.”-- Entertainment Weekly The author of Other People’s Houses and The Garden of Small Beginnings delivers a quirky and charming novel chronicling the life of confirmed introvert Nina Hill as she does her best to fly under everyone's radar. Meet Nina Hill: A young woman supremely confident in her own...shell. The only child of a single mother, Nina has her life just as she wants it: a job in a bookstore, a kick-butt trivia team, a world-class planner and a cat named Phil. If she sometimes suspects there might be more to life than reading, she just shrugs and picks up a new book. When the father Nina never knew existed suddenly dies, leaving behind innumerable sisters, brothers,

nieces, and nephews, Nina is horrified. They all live close by! They're all—or mostly all—excited to meet her! She'll have to Speak. To. Strangers. It's a disaster! And as if that wasn't enough, Tom, her trivia nemesis, has turned out to be cute, funny, and deeply interested in getting to know her. Doesn't he realize what a terrible idea that is? Nina considers her options. 1. Completely change her name and appearance. (Too drastic, plus she likes her hair.) 2. Flee to a deserted island. (Hard pass, see: coffee). 3. Hide in a corner of her apartment and rock back and forth. (Already doing it.) It's time for Nina to come out of her comfortable shell, but she isn't convinced real life could ever live up to fiction. It's going to take a brand-new family, a persistent suitor, and the combined effects of ice cream and trivia to make her turn her own fresh page.

Deep State - Chris Hauty 2020-01-07
THE INSTANT NATIONAL BESTSELLER
Editor’s Choice from The New York Times Book

Review A Los Angeles Times Bestseller Indie Next Pick for January “One of the more surprising double-reverse plot twists...in some time.” —The New York Times “Deep State is a propulsive, page-turning, compelling fragmentation grenade of a debut thriller.” —C.J. Box, #1 New York Times bestselling author of Wolf Pack and The Bitterroots “The plot...rings eerily true...will keep you turning the pages well into the night.” —Jack Carr, former Navy SEAL and acclaimed author of The Terminal List and True Believer In this white-knuckled, timely, and whip-smart debut thriller, a deadly plot against the president’s life emerges from the shadows of the Deep State. Recently elected President Richard Monroe—populist, controversial, and divisive—is at the center of an increasingly polarized Washington, DC. Never has the partisan drama been so tense or the paranoia so rampant. In the midst of contentious political turf wars, the White House chief of staff is found dead in his house. A tenacious intern discovers a

single, ominous clue that suggests he died from something other than natural causes, and that a wide-ranging conspiracy is running beneath the surface of everyday events: powerful government figures are scheming to undermine the rule of law—and democracy itself. Allies are exposed as enemies, once-dependable authorities fall under suspicion, and no one seems to be who they say they are. The unthinkable is happening. The Deep State is real. Who will die to keep its secrets and who will kill to uncover the truth?

Minding the Store - Julie Gaines 2018-10-30
In this graphic memoir, the founder of an iconic housewares shop recounts starting a business—and a family—while trying to make it in New York City. Whether it’s a set of vintage plates from a 1920s steamship, a mug with a New Yorker cartoon on it, a tin of sprinkles designed by Amy Sedaris, or a juice glass from a Jazz Age hotel, Fishs Eddy products are distinctly recognizable. A New York institution,

Fish Eddy also remains a family business whose owners endured the same challenges as many family businesses—and lived to write about it in this tale filled with humorous characterizations of opinionated relatives, nosy neighbors, quirky employees, and above all the eccentric foibles of the founders themselves. Readers come to know author Julie Gaines and her husband, with whom she founded the store, and because this is a family business, the illustrations are all in the family, too. Their son Ben Lenovitz's drawings bring Fish Eddy to life with a witty style à la Roz Chast and Ben Katchor. To anyone who has ever dreamed of opening a little business—or anyone with any kind of dream—Minding the Store offers wisdom, inspiration, and an exceedingly entertaining story about staying true to yourself. "I really enjoyed this book. In fact, I could go for a second helping!" —Amy Sedaris, actress and author of the New York Times bestseller I Like You "An anti-business business book . . . An antidote for anyone who

wants insights from successful people but is bored by jargon and unable to face another turgid tome from a bleach-toothed billionaire."

—The Financial Times

Sophie's World - Jostein Gaarder 2007-03-20

One day Sophie comes home from school to find two questions in her mail: "Who are you?" and "Where does the world come from?" Before she knows it she is enrolled in a correspondence course with a mysterious philosopher. Thus begins Jostein Gaarder's unique novel, which is not only a mystery, but also a complete and entertaining history of philosophy.

Be Everything at Once - Dami Lee 2018-08-07

Why do things in moderation when you can just do everything? Cartoonist Dami Lee's hilarious four-panel comic collection illustrates her experience navigating identity, relationships, pop culture, and misunderstandings about basic human interactions, from growing up as a South Korean immigrant kid in the foreign land of Texas to finding her home as a professional

cartoonist in cyberspace. With favorite selections from Dami's massively popular webcomic As Per Usual, as well as many never-before-seen comics, Be Everything at Once is earnestly relatable and endlessly funny, full of (mostly) true stories for anyone who obsesses over their favorite snacks, struggles to take the best selfie, tears up at the sight of a perfect dog, or is maybe just trying to find their place.

How to Be Yourself - Ellen Hendriksen
2018-03-13

Picking up where Quiet ended, How to Be Yourself is the best book you'll ever read about how to conquer social anxiety. "This book is also a groundbreaking road map to finally being your true, authentic self." —Susan Cain, New York Times, USA Today and nationally bestselling author of Quiet Up to 40% of people consider themselves shy. You might say you're introverted or awkward, or that you're fine around friends but just can't speak up in a meeting or at a party. Maybe you're usually

confident but have recently moved or started a new job, only to feel isolated and unsure. If you get nervous in social situations—meeting your partner's friends, public speaking, standing awkwardly in the elevator with your boss—you've probably been told, "Just be yourself!" But that's easier said than done—especially if you're prone to social anxiety. Weaving together cutting-edge science, concrete tips, and the compelling stories of real people who have risen above their social anxiety, Dr. Ellen Hendriksen proposes a groundbreaking idea: you already have everything you need to succeed in any unfamiliar social situation. As someone who lives with social anxiety, Dr. Hendriksen has devoted her career to helping her clients overcome the same obstacles she has. With familiarity, humor, and authority, Dr. Hendriksen takes the reader through the roots of social anxiety and why it endures, how we can rewire our brains through our behavior, and—at long last—exactly how to quiet your Inner Critic,

the pesky voice that whispers, "Everyone will judge you." Using her techniques to develop confidence, think through the buzz of anxiety, and feel comfortable in any situation, you can finally be your true, authentic self.

NYC Basic Tips and Etiquette - Nathan W. Pyle 2014-04-15

New York Times Bestseller Living in New York City for five years as a transplant from Ohio, illustrator and T-shirt designer Nathan Pyle was fascinated by the unique habits and unspoken customs New Yorkers follow to make life bearable in a city with 8 million people (and seemingly twice the number of tourists). In NYC Basic Tips and Etiquette, Pyle reveals the secrets and unwritten rules for living in and visiting New York including the answers to such burning questions as, how do I hail a cab? What is a bodega? Which way is Uptown? Why are there so many doors in the sidewalk? How do I walk on an escalator? Do we need be touching right now? Where should I inhale or exhale while

passing sidewalk garbage? How long should I honk my horn? If New York were a game show, how would I win? What happens when I stand in the bike lane? Who should get the empty subway seats? How do I stay safe during a trash tornado? Each tip is a little story illustrated in simple black and white drawings.

My Dog: The Paradox - The Oatmeal 2013-05-07

The newest collection of the popular web comic, The Oatmeal.

When Parents Text - Sophia Fraioli 2011-09-01

A collection of insanely funny texts between parents and kids, When Parents Text is a surprisingly affecting window into the complicated time when parents aren't ready to let go, and kids aren't ready to be let go. The parents are well-meaning but hopeless, silly and a little corny, and befuddled by the technology. The kids are bewildered yet patient: the perfect straight man. And the authors, two recent college graduates, Lauren Kaelin and Sophia

Fraioli, have an unerring editorial instinct to select the funniest, sweetest, quirkiest, most-telling exchanges. There's the revelatory: Mom: My fingers are saying words. This is amazing. The virtual scolding: Dad: I will deal with your sassy behavior when I get home. Meanwhile have some fiber. The autofill-challenged: Mom: dig up some tadpoles on ur way homo. Me: ummm, what? Mom: It autocorrected me. I mean to say dig up some tadpoles on ur way homo. (4 minutes later) Mom: PICK UP SOME TAMPONS ON YOUR WAY HOME. The manically inappropriate: Mom: Woo Hoo—Ruth died, you know Uncle Lyman's wife, BUT I have your Braves tickets and check on the table!! And the downright inexplicable: Dad: You could poop your pants in the yankee candle store and no one would know. Launched as a website just last year, www.whenparentstext.com is a phenomenon. It receives 300,000 to 500,000 page views a day, with features in The Huffington Post, Entertainment Weekly, College

Humor, and more. When Parents Text includes the best of texts from the website, plus more than 50 percent all-new material never before published. Includes an emoticon glossary and 16-page color insert of MMS texts— multimedia messaging service, aka, bizarre photos from mom and dad. It's the perfect gift for every text-savvy kid to give to his or her parents.

Quiet - Susan Cain 2012-01-24

#1 NEW YORK TIMES BESTSELLER •

Experience the book that started the Quiet Movement and revolutionized how the world sees introverts—and how introverts see themselves—by offering validation, inclusion, and inspiration “Superbly researched, deeply insightful, and a fascinating read, *Quiet* is an indispensable resource for anyone who wants to understand the gifts of the introverted half of the population.”—Gretchen Rubin, author of *The Happiness Project* NAMED ONE OF THE BEST BOOKS OF THE YEAR BY People • O: The Oprah Magazine • Christian Science Monitor • Inc. •

Library Journal • Kirkus Reviews At least one-third of the people we know are introverts. They are the ones who prefer listening to speaking; who innovate and create but dislike self-promotion; who favor working on their own over working in teams. It is to introverts—Rosa Parks, Chopin, Dr. Seuss, Steve Wozniak—that we owe many of the great contributions to society. In *Quiet*, Susan Cain argues that we dramatically undervalue introverts and shows how much we lose in doing so. She charts the rise of the Extrovert Ideal throughout the twentieth century and explores how deeply it has come to permeate our culture. She also introduces us to successful introverts—from a witty, high-octane public speaker who recharges in solitude after his talks, to a record-breaking salesman who quietly taps into the power of questions. Passionately argued, impeccably researched, and filled with indelible stories of real people, *Quiet* has the power to permanently change how we see introverts and, equally important, how

they see themselves. Now with Extra Libris material, including a reader's guide and bonus content

Big Mushy Happy Lump - Sarah Andersen
2017-03-07

Sarah Andersen's hugely popular, world-famous Sarah's Scribbles comics are for those of us who boast bookstore-ready bodies and Netflix-ready hair, who are always down for all-night reading-in-bed parties and extremely exclusive after-hour one-person music festivals. In addition to the most recent Sarah's Scribbles fan favorites and dozens of all-new comics, this volume contains illustrated personal essays on Sarah's real-life experiences with anxiety, career, relationships and other adulthood challenges that will remind readers of Allie Brosh's *Hyperbole and a Half* and Jenny Lawson's *Let's Pretend This Never Happened*. The same uniquely frank, real, yet humorous and uplifting tone that makes Sarah's Scribbles so relatable blooms beautifully in this new longer form.

I Left the House Today! - Cassandra Calin
2020-06-02

Hilarious and relatable comics about one young woman's life, relationships, and day-to-day humorous musings on why it's good to leave the house sometimes—and when it's better to stay home. Cassandra Calin's ability to document the hilarity of relatable everyday events in a series of webcomics has generated a huge following on social media. This beautifully illustrated compendium of first-person comics about the trials of the single life, school, stress, junk food, shaving, and maintaining a healthy self-image. Cassandra Calin's comics frequently highlight the humorous gap between expectations and reality, especially when it comes to appearance and how much she can accomplish in one day. This book is funny, lighthearted, introspective, and artistically stunning—the perfect gift for young women, recent graduates, and anyone who might need a little comedic incentive to leave the house today.

Chill of Fear - Kay Hooper 2006-06-27

Bestselling author Kay Hooper turns up the heat

even as she chills readers to the bone with a suspense novel that distills the essence of fear itself. In this relentless thriller, two psychics put more than their lives on the line to stop a killer darker and more evil than they could ever imagine. . . . FBI agent Quentin Hayes always knew he had an unusual talent, even before he was recruited by Noah Bishop for the controversial Special Crimes Unit. But, as gifted as he is, for twenty years he's been haunted by a heartbreaking unsolved murder that took place at The Lodge, a secluded Victorian-era resort in Tennessee. Now he's returned one final time, determined to put the mystery to rest. Diana Brisco has come there hoping to unlock the mystery of her troubled past. Instead, she is assailed by nightmares and the vision of a child who vanished from The Lodge years ago. And an FBI agent is trying to convince her that she isn't crazy but that she has a rare gift, a gift that could catch a killer. Quentin knows that this is his last chance to solve a case that has become a

dangerous obsession. But can he persuade Diana to help him, knowing what it could cost her? For something cold and dark and pure evil is stalking the grounds of The Lodge. Something Diana may not survive. Something Quentin never felt before: the chill of fear.

Mein Kampf - Adolf Hitler 2021-03-19

'MEIN KAMPF' is the autobiography of Adolf Hitler gives detailed insight into the mission and vision of Adolf Hitler that shook the world. This book is the merger of two volumes. The first volume of MEIN KAMPF' was written while the author was imprisoned in a Bavarian fortress. The book deals with events which brought the author into this blight. It was the hour of Germany's deepest humiliation, when Napoleon

has dismembered the old German Empire and French soldiers occupied almost the whole of Germany. The book narrates how Hitler was arrested with several of his comrades and imprisoned in the fortress of Landsberg on the river Lech. During this period only the author wrote the first volume of MEIN KAMPF. The Second volume of MEIN KAMPF was written after release of Hitler from prison and it was published after the French had left the Ruhr, the tramp of the invading armies still echoed in German ears and the terrible ravages had plunged the country into a state of social and economic Chaos. The beauty of the book is, MEIN KAMPF is an historical document which bears the imprint of its own time. Moreover, Hitler has declared that his acts and 'public statements' constitute a partial revision of his book and are to be taken as such. Also, the author has translated Hitler's ideal, the Volkischer Staat, as the People's State. The author has tried his best making German

Vocabulary easy to understand. You will never be satisfied until go through the whole book. A must read book, which is one of the most widely circulated and read books worldwide.

Emotions Explained with Buff Dudes - Andrew Tsyaston 2018-10-16

"You know how, since the dawn of humanity, great philosophers and poets have dedicated their entire lives to exploring concepts like love, life itself, logic, and sorrow? Well, those great philosophers and poets are dead now, so I win." — Shen Emotions Explained With Buff Dudes is your fully illustrated guide to the hyper-conflicted, tragicomic feelings of our age. Featuring the resilient, shaggy-haired Shen, this debut collection of Owlurd Comix is a tale of triumph and survival — of getting your ass kicked by sleep deprivation and student loans, but never losing hope. Most of all, it's an amusing, instructive journey through a vast array of emotions, including those best explained with dudes who are buff.

Sanrio's newest character is a 25-year-old red panda with her own Netflix show, and a stressful work life that's all too relatable. Featuring art from the popular videos and Sanrio products combined with sidebars and prescriptive tips and advice for handling tricky workplace situations, this is a humorous and gifty book. - The first character Sanrio created specifically for adults, Aggretsuko is both a cute, endearing red panda just going about her life, and the fed up office worker who's tired of being pushed around. - In this helpful handbook, Aggretsuko offers tips on how to deal with annual holiday parties, avoid colleagues after hours, circumvent oversharing coworkers, and most importantly-how to RAGE (preferably in heavy-metal karaoke sessions). - A must-have for anyone who needs help staying sane from 9 to 5.

Fans of Aggretuko Reversible Journal will love The Aggretsuko Guide To Office Life This book is perfect for: - Women 18-34 - Millennials - Sanrio fans - Comic fans - Internet comic enthusiasts - Animal lovers - Fans of Japanese pop culture ©'18 SANRIO CO., LTD. Used Under License.

Books of Adam - Adam Ellis 2013-07-09

Adam Ellis knew it was time to leave art school when a fellow student presented her final project to the class: "I put a condom on the Virgin Mary," she announced, unveiling a cheap figurine sheathed in latex. The professor loved it. Baffled by the praise his classmate receives, and intent on becoming an artist on his own terms, Adam plots his escape to Portland, Oregon to begin his life in the real world--only to realize that adulthood is a lot harder than it looks.

Based on the blog of the same name, BOOKS OF ADAM details Adam's hilarious trials and tribulations in his attempt to become a functioning member of society. From his arrest after shoplifting a bottle of chocolate milk to a

misguided attempt to make friends that lands him in a shack with a hippie couple who have just skinned a rabbit and are trying to entice him into a three-some, Adam is an amicable guy who can't seem to keep himself out of trouble. Paired with his signature black and white illustrations, Adam's stories weave together an uproariously funny and ultimately charming narrative about a young man trying to find his place in the world.

The Family Upstairs: A Novel - Lisa Jewell 2019-08-15

Be careful who you let in... Soon after her twenty-fifth birthday, Libby Jones returns home from work to find the letter she's been waiting for her entire life. She rips it open with one driving thought: I am finally going to know who I am. She soon learns not only the identity of her birth parents, but also that she is the sole inheritor of their abandoned mansion on the banks of the Thames in London's fashionable Chelsea neighborhood, worth millions.

Everything in Libby's life is about to change. But

what she can't possibly know is that others have been waiting for this day as well—and she is on a collision course to meet them. Twenty-five years ago, police were called to 16 Cheyne Walk with reports of a baby crying. When they arrived, they found a healthy ten-month-old happily cooing in her crib in the bedroom. Downstairs in the kitchen lay three dead bodies, all dressed in black, next to a hastily scrawled note. And the four other children reported to live at Cheyne Walk were gone.
