Memphis Noir - Lauren P. Cantwell 2015-11-03

“A collection of stories celebrating the underbelly of the city, its ghosts, and the characters that give Memphis its rich patina of blues.”

—Memphis Flyer The Home of the Blues knows how darkness can permeate a person’s soul—and what it can drive you to do. It’s the soundtrack to a city that’s made up of equal parts hope and despair, past and present, death and rebirth.

On the streets of Memphis, noir hits the right note.

Memphis Noir features stories by city standouts Richard J. Alley, David Wesley Williams, Dwight Fryer, Jamey Hatley, Adam Shaw, Penny Register-Shaw, Kaye George, Arthur Flowers, Suzanne Berube Rorhus, Ehi Ike, Lee Martin, Stephen Clements, Cary Holladay, John Bensko, Sheree Renée Thomas, and Troy L. Wiggins. “A remarkable picture of contemporary Memphis

emerges in this Akashic noir volume . . . Something for everyone.” —Publishers Weekly “Covers train cars and Beale Street, hoodoo and segregation, Nathan Bedford Forrest and, of course, Graceland, and even includes a graphic novella.” —Memphis Flyer “Captures the subtlety of the Memphis ethos, where blacks and whites, rich and poor, are intimately entwined. The collection—fifteen stories by some of the city’s finest writers—bleeds the blues and calls down the dark powers that permeate this capital of the Delta.” —The Commercial Appeal (Memphis) “The new anthology Memphis Noir is replete with murders, ghosts, gangsters, a sharp-toothed baby, Boss Crump, and high water on the bluff.” —Memphis Magazine

The Fama Portfolio - Eugene F. Fama 2017-09-07

Few scholars have been as influential in finance, both as an academic field and an

industry, as Eugene Fama. Since writing his groundbreaking 1970 essay on efficient capital markets, Fama has written over 100 papers and books that have been cited hundreds of thousands of times. Yet there is no one collection where one can easily find his best work in all fields. "The Fama Portfolio" will be an outstanding and unprecedented resource in a field that still concentrates mainly on questions stemming from Fama's work: Is the finance industry too large or too small? Why do people continue to pay active managers so much? What accounts for the monstrous amount of trading? Do high-speed traders help or hurt? The ideas, facts, and empirical methods in Fama's work continue to guide these investigations. "The Fama Portfolio" will be a historic and long-lasting collection of some of the finest work ever produced in finance."

Ellison Wonderland - Harlan Ellison 2014-04-29

Tales of terror and wonder from a winner of the Nebula, Hugo, Edgar, Bram Stoker, and many other awards. Originally published in 1962 and updated in later decades with a new introduction, Ellison

Wonderland contains sixteen masterful stories from the author's early career. This collection shows a vibrant young writer with a wide-ranging imagination, ferocious creative energy, devastating wit, and an eye for the wonderful and terrifying and tragic. Among the gems are "All the Sounds of Fear," "The Sky Is Burning," "The Very Last Day of a Good Woman," and "In Lonely Lands." Though they stand tall on their own merits, they also point the way to the sublime stories that followed soon after and continue to come even now, more than fifty years later.

Silence within and beyond Pedagogical Settings - Eva Alerby 2020-09-15

This book explores the significance of silence within and beyond pedagogical contexts. Silence is a complex and multidimensional phenomenon for everyday life: since schools mirror society, it is also significant in education. While silence can be experienced in a multitude of different ways, the author reflects on whether silence itself can bear a message: is there an aspect of dialogue in silence, or is it a language all of its own? This book examines a variety of silences essential for education, examining such topics as silence and aspects of power, silent students, and the relationship between listening and silence. Drawing on a range of empirical data, the

Way of the Reaper - Nicholas Irving 2016-08-09

From the New York Times Bestselling Author and Co-Star of Fox's American Grit comes a rare and powerful book on the art of being a sniper. *Way of the Reaper* is a step-by-step accounting of how a sniper works, through the lens of Irving's most significant kills - none of which have been told before. Each mission is an in-depth look at a new element of eliminating the enemy, from intel to luck, recon to weaponry. Told in a thrilling

narrative, this is also a heart-pounding true story of some of The Reaper's boldest missions including the longest shot of his military career on a human target of over half a mile. In Iraq and Afghanistan, Nick Irving earned his nickname in blood, destroying the enemy with his sniper rifle and in deadly firefights behind a .50 caliber machine gun. He engaged a Taliban suicide bomber during a vicious firefight, used nearly silent sub-sonic ammo, and was the target of snipers himself. Way of the Reaper attempts to place

the reader in the heat of battle, experiencing the same dangers, horrors and acts of courage Irving faced as an elite member of the 3rd Ranger Battalion, 75th Ranger Regiment, while also examining the personal ramifications of taking another life. Readers will experience the rush of the hunt and the dangers that all snipers must face, while learning what it takes to become an elite manhunter. Like the Reaper himself, this explosive book blazes new territory and takes no prisoners.
