Systematic Theology -

[Recovering Biblical Manhood and Womanhood \(Revised Edition\)](#) - John Piper 2021-01-11

A Guide to Navigate Evangelical Feminism In a society where gender roles are a hot-button topic, the church is not immune to the controversy. In fact, the church has wrestled with varying degrees of evangelical feminism for decades. As evangelical feminism has crept into the church, time-trusted resources like Recovering Biblical Manhood and Womanhood help remind Christians of what the Bible has to say. In this edition of the award-winning best seller, more than 20 influential men and women such as John Piper, Wayne Grudem, D. A. Carson, and Elisabeth Elliot offer thought-provoking essays responding to the challenge egalitarianism poses to life in the church and in the home. Covering topics like role distinctions in the church, how biblical manhood and womanhood should work out in practice, and women in the history of the church, this helpful resource will help readers learn to orient their beliefs with God's unchanging word in an ever-changing culture.

[Understanding Scripture](#) - Wayne Grudem 2012-02-29

Originally featured as articles in the ESV Study Bible, these eighteen essays have been repurposed and republished in a convenient format.

Covering a diverse range of essential subjects, including how to read the Bible well and why it is reliable, the essays delve into specific topics such as world religions, canon, and archaeology. Useful as both a general overview of the Bible and as a tool for more specific reference and training, readers of this book will grow in their understanding of Scripture and their ability to apply the Bible to their lives. Pastors, lay leaders, students, and other Christians engaged in studying God's Word will benefit from this collection, written by notable contributors, including J. I. Packer, John Piper, David Powlison, and Vern Poythress.

Systematic Theology - Wayne A. Grudem 1994

The Christian church has a long tradition of systematic theology, that is, studying theology and doctrine organized around fairly standard categories such as the Word of God, redemption, and Jesus Christ. This introduction to systematic theology has several distinctive features: - A strong emphasis on the scriptural basis for each doctrine and teaching - Clear writing, with technical terms kept to a minimum - A contemporary approach, treating subjects of special interest to the church today - A friendly tone, appealing to the emotions and the spirit as well as the intellect - Frequent application to life - Resources for worship with each chapter - Bibliographies with each chapter that cross-reference subjects to a wide range of other systematic theologies.

Making Sense of the Future - Wayne A. Grudem 2011-02-01

With clear writing and a contemporary approach, emphasizing how each doctrine should be understood and applied by present-day Christians, *Making Sense of the Future* explores the fulfillment of Scripture—the bodily return of Christ. Topics include but are not limited to the primary views of the Millennium (thousand years): Amillennialism—the reign of Christ is now being fulfilled; Postmillennialism—Christ will return after the millennium; Premillennialism—Christ will come back after the millennium. Whichever view the reader subscribes to, the end result is clear: there will be a sudden, personal, visible, bodily return of Christ. Written in a friendly tone, appealing to the emotions and the spirit as well as the intellect, *Making Sense of the Church* helps readers overcome wrong ideas, make better decisions on new questions, and grow as Christians.

Systematic Theology Workbook - Wayne A. Grudem 2020-12-08

This workbook accompanies Wayne Grudem's highly regarded *Systematic Theology*. Following the textbook's structure, it features review material and exercises for every chapter, and all major areas of Christian doctrine are covered, including: The Word of God God Humanity Christ and the Holy Spirit The Application of Redemption The Church The Future The workbook further maintains the clear writing, friendly tone, and frequent applications to life found in the textbook. Students will benefit from this hands-on engagement with the important teachings in *Systematic Theology*.

Systematic Theology Workbook - Wayne A. Grudem 2020-12-08

This workbook accompanies Wayne Grudem's bestselling *Systematic Theology* and features student-friendly review material and exercises.

Evangelical Feminism? - Wayne Grudem 2006-09-13

By critically examining the writings of egalitarians, Grudem shows that, while egalitarian leaders claim to be subject to Scripture in their thinking, what is increasingly evident in their actual scholarship and practice is an effective rejection of the authority of Scripture.

Egalitarianism is heading toward an Adam who is neither male nor female, a Jesus whose manhood is not important, and a God who is both

Father and Mother, and then maybe only Mother. The common denominator in all of this is a persistent undermining of the authority of Scripture in our lives. Grudem's conclusion is that we must choose either evangelical feminism or biblical truth. We can't have it both ways!

Church Government - Wayne A. Grudem 2012-04-10

Derived from Wayne Grudem's perennial bestseller, *Systematic Theology*, this digital short presents a detailed overview of the Bible's teaching on church government and the choosing of church officers, along with a summary of the options currently available. While acknowledging that church government is not a core doctrine on par with the doctrines of salvation or the person and work of Jesus, Grudem maintains that the organization of the church, as Christ's body on earth, is important. Informative and fair-minded, *Church Government* is a useful resource for pastors and church lay leaders as well as anyone wanting to better understand this foundational matter of Christian praxis.

The Genesis Creation Account and Its Reverberations in the Old Testament - Gerald A. Klingbeil 2015-06

Our Reasonable Faith - Herman Bavinck 1956

"Our Reasonable Faith" is an accessible digest of the author's famous four volume "Reformed Dogmatics" and clearly presents the fundamental doctrines of Biblical theology. A practical handbook of theology, it is an outstanding and comprehensive statement of Christian faith and doctrine. Fully supported by Scriptural references, this book provides students, teachers, pastors, and lay readers with a readable, thorough, and systematic presentation of God's revelation.

Systematic Theology Pack - Wayne A. Grudem 2016-08-30

The *Systematic Theology Pack* contains everything you need to gain an in-depth understanding of Christian theology, whether you are enrolled in a class or learning on your own. It includes the bestselling textbook *Systematic Theology* by Wayne Grudem, a corresponding set of 57 chapter-by-chapter video lectures, and a laminated study sheet.

A Case for Amillennialism - Kim Riddlebarger 2013-08-15

Amillennialism, dispensational premillennialism, historic premillennialism, postmillennialism, preterism. These are difficult words to pronounce and even harder concepts to understand. *A Case for Amillennialism* is an accessible look at the crucial theological question of the millennium in the context of contemporary evangelicalism. Recognizing that eschatology--the study of future things--is a complicated and controversial subject, Kim Riddlebarger provides definitions of key terms and a helpful overview of various viewpoints. He examines related biblical topics as a backdrop to understanding the subject and discusses important passages of Scripture that bear upon the millennial question. Regardless of their stance, readers will find helpful insight as Riddlebarger evaluates the main problems facing each of the major millennial positions and cautions readers to be aware of the spiraling consequences of each view.

Systematic Theology - Louis Berkhof 1996-09-24

This new printing of Louis Berkhof's classic *Systematic Theology* represents a publishing landmark. For the first time in its long and acclaimed history, Berkhof's monumental treatment of the doctrines of the Reformed faith is now available together in one volume with *Introduction to the Study of Systematic Theology*, Berkhof's formal prolegomenon to his theology. Meant to be read together with *Systematic Theology*, the *Introduction* includes Berkhof's discussions of the nature and character of dogmatics, the methods and history of theological system, and the principia, or foundations, of theology - Scripture and God. This edition also includes a new preface by Richard A. Muller that explains both the publishing history and the relation and importance of the *Introduction* to the rest of Berkhof's text. Written in a concise and compact style and organized in a manner ideal for detailed study, *Systematic Theology* covers the full range of theology in traditional systematic fashion - examining, in order, the doctrines of God, anthropology, Christology, soteriology, ecclesiology, and eschatology. The work also includes an extensive bibliography and full indexes to the authors, subjects, and Scriptures referenced in the text. Revised and enlarged throughout his lifetime until it reached its present final form,

Systematic Theology not only stands as Berkhof's magnum opus but also is widely considered to be the most important twentieth-century compendium of Reformed theology.

Christian Beliefs - Wayne A. Grudem 2009-03-17

Not every Christian should go to seminary, but there are certain teachings of the Bible that every Christian must know. Theology is important because what we believe affects how we live. Whether you're a relatively new believer in Jesus or a mature Christian looking for a better understanding of basics of the faith, *Christian Beliefs* is for you. This readable guide to twenty basic Christian beliefs is a condensation of Wayne Grudem's award-winning book *Systematic Theology*, prized by pastors and teachers everywhere. He and his son, Elliot, have boiled down the essentials of Christian theology for the layperson and made them both clear and applicable to life. You will learn about the Bible, the characteristics of God, what it means that we are created in the image of God, what God has done for us in Christ, the purpose of the church, and much more. Each chapter includes questions for personal review or group discussion. "These truly are twenty basic beliefs that every Christian should know. Wayne Grudem is a master teacher with the ability to explain profound truths in simple language. He is a man of deep conviction and theological passion--and those who read this book will be both educated and encouraged in the faith." --R. Albert Mohler Jr., President, The Southern Baptist Theological Seminary, Louisville, Kentucky "Based on *Systematic Theology*, this summary will certainly help beginners with Christ to get the hang of their faith." --J. I. Packer, Regent College, Vancouver, British Columbia "As Wayne Grudem's *Systematic Theology* contracts into a compact book, I do not lose my enthusiasm for the truth he loves and the clarity of his words." --John Piper, Bethlehem Baptist Church, Minneapolis, Minnesota

Retrieving Eternal Generation - Fred Sanders 2017-11-21

Although the doctrine of eternal generation has been affirmed by theologians of nearly every ecclesiastical tradition since the fourth century, it has fallen on hard times among evangelical theologians since the nineteenth century. The doctrine has been a structural element in

two larger doctrinal complexes: Christology and the Trinity. The neglect of the doctrine of eternal generation represents a great loss for constructive evangelical Trinitarian theology. Retrieving the doctrine of eternal generation for contemporary evangelical theology calls for a multifaceted approach. Retrieving Eternal Generation addresses (1) the hermeneutical logic and biblical bases of the doctrine of eternal generation; (2) key historical figures and moments in the development of the doctrine of eternal generation; and (3) the broad dogmatic significance of the doctrine of eternal generation for theology. The book addresses both the common modern objections to the doctrine of eternal generation and presents the productive import of the doctrine for twenty-first century evangelical theology. Contributors include Michael Allen, Lewis Ayres, D. A. Carson, Oliver Crisp, and more.

The Poverty of Nations - Barry Asmus 2013

We can win the fight against global poverty. Combining penetrating economic analysis with insightful theological reflection, this book sketches a comprehensive plan for increasing wealth and protecting stability at a national level.

Contemplating God with the Great Tradition - Craig A. Carter
2021-04-20

Following his well-received *Interpreting Scripture with the Great Tradition*, Craig Carter presents the biblical and theological foundations of trinitarian classical theism. Carter, a leading Christian theologian known for his provocative defenses of classical approaches to doctrine, critiques the recent trend toward modifying or rejecting classical theism in favor of modern "relational" understandings of God. The book includes a short history of trinitarian theology from its patristic origins to the modern period, and a concluding appendix provides a brief summary of classical trinitarian theology. Foreword by Carl R. Trueman.

Politics - According to the Bible - Wayne A. Grudem 2010-09-28

A variety of perspectives exist within the Christian community when it comes to political issues and political involvement. This comprehensive and readable book presents a political philosophy from the perspective that the Gospel pertains to all of life so Christians should be involved in

political issues. In brief, this is an analysis of conservative and liberal plans to do good for the nation, evaluated in light of the Bible and common sense. In this ground-breaking book, recognized evangelical Bible professor Wayne Grudem rejects five mistaken views about Christian influence on politics: (1) "compel religion," (2) "exclude religion," (3) "all government is demonic," (4) "do evangelism, not politics," and (5) "do politics, not evangelism." He proposes a better alternative: (6) "significant Christian influence on government." Then he explains the Bible's teachings about the purpose of civil government and the characteristics of good or bad government. Does the Bible support some form of democracy? Should judges and the courts hold the ultimate power in a nation? With respect to specific political issues, Grudem argues that most people's political views depend on deep-seated assumptions about several basic moral and even theological questions, such as whether God exists, whether absolute moral standards can be known, whether there is good and evil in each person's heart, whether people should be accountable for their good and bad choices, whether property should belong to individuals or to society, and whether the purpose of the earth's resources is to bring benefit to mankind. After addressing these foundational questions, Grudem provides a thoughtful, carefully-reasoned analysis of over fifty specific issues dealing with the protection of life, marriage, the family and children, economic issues and taxation, the environment, national defense, relationships to other nations, freedom of speech and religion, quotas, and special interests. He makes frequent application to the current policies of the Democratic and Republican parties in the United States, but the principles discussed here are relevant for any nation.

Systematic Theology, Second Edition - Wayne A. Grudem 2020-12-08

This new edition of *Systematic Theology* by Wayne Grudem is one of the most important resources for helping you understand Scripture and grow as a Christian. The most widely used resource of the last 25 years in its area, *Systematic Theology* has been thoroughly revised and expanded for the first time while retaining the features that have made it the standard in its field: clear explanations, an emphasis on each doctrine's scriptural

basis, and practical applications to daily life. With nearly 250 pages of new content and revisions, this new edition now includes the following distinctive features: Updated analysis of recent controversies within evangelical theology, including the eternal relationship between the Father and the Son in the Trinity, the role of women in the church, miraculous gifts of the Holy Spirit, and contemporary worship music. New discussion and critiques of recent theological controversies situated outside of traditional evangelical theology, such as open theism, the "new perspective on Paul," Molinism (or "middle knowledge"), "Free Grace" theology, and the preterist view of Christ's second coming. Completely revised chapter on the clarity of Scripture. Completely revised chapter on creation and evolution, including a longer critique of theistic evolution and an extensive discussion on the age of the earth. New discussion of how biblical inerrancy applies to some specific "problem verses" in the Gospels. Additional material explaining evangelical Protestant differences with Roman Catholicism, Protestant liberalism, and Mormonism. Completely updated bibliographies. All Scripture quotations updated from RSV to ESV. Updated section on contemporary worship music. Numerous other updates and corrections. Part of the brilliance of Systematic Theology has been its simplicity and ease of use. Each chapter follows the same structure: discussion of the doctrine being considered, an explanation of that doctrine's biblical support and possible objections, followed by personal application and key terms to know for personal growth. Chapters also include a Scripture memory passage, references to other literature on the topic, and suggested hymns and worship songs. If you think theology is hard to understand or boring, then this new edition of Systematic Theology will change your mind.

"Free Grace" Theology - Wayne Grudem 2016-07-18

Must the gospel message include a call for people to repent of their sins? "No," say Free Grace advocates. Is evidence of a changed life an important indication of whether a person is truly born again? "No, again," these advocates say. But in this book, Wayne Grudem shows how the Bible answers "Yes" to both of these questions, arguing that the Free

Grace movement contradicts both historic Protestant teaching and the New Testament itself. This important book explains the true nature of the Christian gospel and answers the question asked by so many people: "How can I know that I'm saved?"

Systematic Theology - Wayne A. Grudem 2009-05-18

The Christian church has a long tradition of systematic theology, that is, of studying biblical teaching on centrally important doctrines such as the Word of God, redemption, and Jesus Christ. Wayne Grudem's bestselling Systematic Theology has several distinctive features: A strong emphasis on the scriptural basis for each doctrine Clear writing, with technical terms kept to a minimum A contemporary approach, treating subjects of special interest to the church today A friendly tone, appealing to the emotions and the spirit as well as the intellect Frequent application to life Resources for worship within each chapter Bibliographies in each chapter that cross-reference subjects to a wide range of other systematic theologies.

Making Sense of the Future - Wayne A. Grudem 2011-02-01

With clear writing and a contemporary approach, emphasizing how each doctrine should be understood and applied by present-day Christians, Making Sense of the Future explores the fulfillment of Scripture—the bodily return of Christ. Topics include but are not limited to the primary views of the Millennium (thousand years): Amillennialism—the reign of Christ is now being fulfilled; Postmillennialism—Christ will return after the millennium; Premillennialism—Christ will come back after the millennium. Whichever view the reader subscribes to, the end result is clear: there will be a sudden, personal, visible, bodily return of Christ. Written in a friendly tone, appealing to the emotions and the spirit as well as the intellect, Making Sense of the Church helps readers overcome wrong ideas, make better decisions on new questions, and grow as Christians.

Making Sense of Who God Is - Wayne A. Grudem 2011-02-01

With clear writing—technical terms kept to a minimum—and a contemporary approach, emphasizing how each doctrine should be understood and applied by present-day Christians, Making Sense of Who

God is explored through the existence of God through inner knowledge and evidence found in Scripture and in nature. Topics include but are not limited to Traditional “Proofs” for God’s Existence: covering cosmological, teleological, ontological, and moral evidence of the Creator; The Trinity: the three distinct persons each equal to the whole being of God; Creation: including the assertion that, when all the facts are understood, there will be “no final conflicts” between Scripture and natural science; and God’s Providence: the Creator’s continued involvement with all created things and human actions that make a difference within God’s providence. Written in a friendly tone, appealing to the emotions and the spirit as well as the intellect, *Making Sense of Who God is* helps readers overcome wrong ideas, make better decisions on new questions, and grow as Christians.

Interpreting Scripture with the Great Tradition - Craig A. Carter
2018-04-17

The rise of modernity, especially the European Enlightenment and its aftermath, has negatively impacted the way we understand the nature and interpretation of Christian Scripture. In this introduction to biblical interpretation, Craig Carter evaluates the problems of post-Enlightenment hermeneutics and offers an alternative approach: exegesis in harmony with the Great Tradition. Carter argues for the validity of patristic christological exegesis, showing that we must recover the Nicene theological tradition as the context for contemporary exegesis, and seeks to root both the nature and interpretation of Scripture firmly in trinitarian orthodoxy.

Making Sense of the Bible - Wayne A. Grudem 2011-02-01

With a strong emphasis on the scriptural basis for each doctrine—what the whole Bible teaches us today about a particular topic; clear writing, with technical terms kept to a minimum; and a contemporary approach, emphasizing how each doctrine should be understood and applied by present-day Christians, *Making Sense of the Bible* is required reading for understanding the relevant passages of Scripture. Topics include Canon of Scripture: the list of all books that belong in the Bible; Authority of Scripture: all words in Scripture are God’s words because that is what

the Bible claims for itself; Clarity of Scripture: the Bible is written so that its teachings are able to be understood by all who read it; Necessity of Scripture: the Bible is necessary for knowledge of the gospel; and Sufficiency of Scripture: Scripture contains all the words of God he intended his people to have. Written in a friendly tone, appealing to the emotions and the spirit as well as the intellect, *Making Sense of the Bible* helps readers overcome wrong ideas, make better decisions on new questions, and grow as Christians.

Biblical Foundations for Manhood and Womanhood - Wayne Grudem
2002-10-04

For years a debate has raged over how to define true masculinity and true femininity. While there is agreement that men and women share equally in the privilege of being made in God's image, some views of manhood and womanhood blur God-given gender distinctions. Wayne Grudem assembled a team of distinguished writers to show how egalitarian views destroy God's ideal for your relationships, marriage, and life purposes. The contributors to this book include: John Piper, Pastor of Bethlehem Baptist Church, Minneapolis, Minnesota Bruce A. Ware, Senior Associate Dean of the School of Theology and Professor of Christian Theology at The Southern Baptist Theological Seminary Richard W. Hove, Director of Campus Crusade for Christ at Duke University Daniel Doriani, Dean of the Faculty and Professor of New Testament at Covenant Theological Seminary Daniel R. Heimbach, Professor of Christian Ethics at Southeastern Baptist Theological Seminary Peter Jones, Professor of New Testament at Westminster Theological Seminary in California These writers explore key issues, including the interchangeability of male-female roles, the meaning of submission, and the historical novelty of egalitarian interpretations of Scripture. This book will demonstrate how some views of manhood and womanhood tamper with our understanding of God's character and why the extremes of male domination and feminism destroy the beauty of our sexual differences-differences that celebrate the excellence of men and women as God created us.

Making Sense of the Church - Wayne A. Grudem 2011-02-01

With clear writing and a contemporary approach, emphasizing how each doctrine should be understood and applied by present-day Christians, *Making Sense of the Church* explores the community of all true believers for all time—the church. Topics include but are not limited to the invisible church—the church as God sees it; the visible church—the church as Christians on earth see it; the purity of church—the degree of freedom from wrong doctrine and conduct; the primary purpose of the church—ministry to God, believers, and the world; the power of the church—its God-given authority to carry on spiritual warfare, proclaim the gospel, and exercise church discipline; and spiritual gifts—abilities empowered by the Holy Spirit and used in any ministry of the church. Written in a friendly tone, appealing to the emotions and the spirit as well as the intellect, *Making Sense of the Church* helps readers overcome wrong ideas, make better decisions on new questions, and grow as Christians.

Making Sense of Salvation - Wayne A. Grudem 2011-02-01

With clear writing—technical terms kept to a minimum—and a contemporary approach, emphasizing how each doctrine should be understood and applied by present-day Christians, *Making Sense of Salvation* explores God's common grace to redeem those who will be saved, and to demonstrate his goodness, mercy, justice, and glory. Topics include but are not limited to the order of salvation—from God's choice of people to be saved to the chosen people receiving a resurrection body; effective calling—the act of God the father speaking through the human proclamation of the gospel to summons people to himself in saving faith; regeneration—a secret act of God in which he imparts new spiritual life to us; and glorification—when Christ returns and raises from the dead the bodies of all believers for all time who have died. Written in a friendly tone, appealing to the emotions and the spirit as well as the intellect, *Making Sense of Salvation* helps readers overcome wrong ideas, make better decisions on new questions, and grow as Christians.

Epic: An Around-the-World Journey through Christian History -

Tim Challies 2020-03-31

33 fascinating objects. 1 amazing story. Join author and pastor Tim

Challies as he embarks on a three-year journey spanning multiple continents and some of the most unusual places in the world. Tim introduces you to thirty-three carefully selected objects that help you understand the long and complicated history of Christianity in a unique and creative way. Beginning with Jesus and the early church, Challies looks at: The importance of graffiti on an ancient jail cell The creedal significance of a carving on a museum statue The enduring importance of ancient manuscripts and books And much more! Along the way, you'll discover the story you're already a part of. Epic features: An epic journey: 24 countries, 6 continents, 75 flights, 80 museums Beautiful full-color book design featuring the objects and Tim's journey The complete experience: a 10-episode documentary is also available, taking you on location and providing an immersive experience for understanding the history of Christianity "Together we will listen to these voices of the past tell us the epic story of what God has done and continues to do in our world today." - Tim Challies

Bible Doctrine Workbook - Brianna Smith 2022-04-05

A WORKBOOK to Help You Explore and Reflect on Life's Most Important Theological Questions. How do we know the Bible is God's Word? What is sin and where did it come from? How is Jesus fully God and fully man? What are spiritual gifts? When and how will Christ return? If you've asked questions like these, then systematic theology is no abstract term. It's an approach to finding answers every Christian needs to know. The Bible Doctrine WORKBOOK accompanies Wayne Grudem's highly regarded Bible Doctrine. Following the textbook's structure, the WORKBOOK features review material and exercises for every chapter, and all major areas of Christian doctrine are covered, including: The Word of God God Humanity Christ and the Holy Spirit The Application of Redemption The Church The Future The WORKBOOK maintains the clear writing, friendly tone, and frequent applications to life found in the textbook. Students will benefit from this hands-on engagement with the important teachings in Bible Doctrine.

Making Sense of Man and Sin - Wayne A. Grudem 2011-02-01

With clear writing—technical terms kept to a minimum—and a

contemporary approach, emphasizing how each doctrine should be understood and applied by present-day Christians, *Making Sense of Man and Sin* explores how mankind is distorted, but not lost, through sin and is renewed through redemption in Christ. Topics include but are not limited to the creation of male and female, including harmonious personal relationships, equality in personhood and importance, and difference in role and authority; equality and differences in the Trinity; the essential nature of man; and our inherited guilt and corruption because of Adam's sin. Written in a friendly tone, appealing to the emotions and the spirit as well as the intellect, *Making Sense of Man and Sin* helps readers overcome wrong ideas, make better decisions on new questions, and grow as Christians.

Bible Doctrine - Wayne A. Grudem 2014-10-28

How do we know the Bible is God's Word? What is sin and where did it come from? How is Jesus fully God and fully man? What are spiritual gifts? When and how will Christ return? If you've asked questions like these, then "systematic theology" is no abstract term. It's an approach to finding answers every Christian needs to know. *Bible Doctrine* takes a highly commended upper-level textbook on systematic theology and makes it accessible to the average reader. Abridged from Wayne Grudem's award-winning *Systematic Theology*, *Bible Doctrine* covers the same essentials of the faith, giving you a firm grasp on seven key topics: The Doctrine of the Word of God The Doctrine of God The Doctrine of Man The Doctrine of Christ The Doctrine of the Application of Redemption The Doctrine of the Church The Doctrine of the Future Like *Systematic Theology*, this book is marked by its clarity, its strong scriptural emphasis, its thoroughness in scope and detail, and its treatment of such timely topics as spiritual warfare and the gifts of the Spirit. But you don't need to have had several years of Bible school to reap the full benefits of *Bible Doctrine*. It's easy to understand—and it's packed with solid, biblical answers to your most important questions.

Christian Ethics - Wayne Grudem 2018-07-20

What does the Bible teach about how to live in today's world? Best-selling author and professor Wayne Grudem distills over forty years of

teaching experience into a single volume aimed at helping readers apply a biblical worldview to difficult ethical issues, including wealth and poverty, marriage and divorce, birth control, abortion, euthanasia, homosexuality, business practices, environmental stewardship, telling the truth, knowing God's will, understanding Old Testament laws, and more.

Historical Theology - Gregg Allison 2011-04-19

Most historical theology texts follow Christian beliefs chronologically, discussing notable doctrinal developments for all areas of theology according to their historical appearance. And while this may be good history, it can make for confusing theology, with the classic theological loci scattered throughout various time periods, movements, and controversies. In *Historical Theology*, Gregg Allison offers students the opportunity to study the historical development of theology according to a topical-chronological arrangement, setting out the history of Christian doctrine one theological element at a time. Such an approach allows readers to concentrate on one tenet of Christianity and its formulation in the early church, through the Middle Ages, Reformation, and post-Reformation era, and into the modern period. The text includes a generous mix of primary source material as well, citing the words of Cyprian, Augustine, Aquinas, Luther, Calvin, Barth, and others. Allison references the most accessible editions of these notable theologians' work so that readers can continue their study of historical theology through Christian history's most important contributors. *Historical Theology* is a superb resource for those familiar with Wayne Grudem's *Systematic Theology* or interested in understanding the development of Christian theology.

Biblical Doctrine - John MacArthur 2017-01-13

Long-Awaited Systematic Theology by Well-Known Pastor, Author, and President of the Master's Seminary *Doctrine* isn't just for theologians—it's important for every Christian because it shows us who God is and how we should live. Systematizing the robust theology that has undergirded John MacArthur's well-known preaching ministry for decades, this overview of basic Christian doctrine covers topics such as

God the Father, Jesus Christ, the Holy Spirit, the Bible, salvation, and more. Comprehensive in scope yet written to be accessible to the average reader—with non-technical vocabulary, minimal footnotes, and a helpful bibliography—this volume offers Christians a solid foundation for what they believe and why.

Christian Beliefs - Wayne Grudem 2010-07-16

Bible Doctrine, Second Edition - Wayne A. Grudem 2022-04-05

Explore Answers to Life's Most Important Theological Questions. Over 175,000 Copies Sold! How do we know the Bible is God's Word? What is sin and where did it come from? How is Jesus fully God and fully man? What are spiritual gifts? When and how will Christ return? If you've asked questions like these, then systematic theology is no abstract term. It's an approach to finding answers every Christian needs to know. The second edition of Bible Doctrine takes a widely used upper-level textbook on systematic theology and makes it accessible. Abridged from the second edition of Wayne Grudem's award-winning Systematic Theology, Bible Doctrine covers the same essentials of the faith, giving you a firm grasp on seven key topics: The Doctrine of the Word of God The Doctrine of God The Doctrine of Man The Doctrine of Christ The Doctrine of the Application of Redemption The Doctrine of the Church The Doctrine of the Future. You don't need to have had several years of Bible college or seminary training to reap the benefits of Bible Doctrine. It's easy to understand and packed with biblical answers to your most pressing theological questions. This new edition is 144 pages longer than the first edition and now includes: New, thoughtful critiques of open theism, the new perspective on Paul, Molinism (or "middle knowledge"), "Free Grace" theology, and the preterist view of Christ's second coming Completely revised, stronger chapter on the clarity of Scripture Completely revised, stronger chapter on creation and evolution. New discussion of how biblical inerrancy applies to some specific "problem verses" in the Gospels Additional material respectfully explaining evangelical Protestant differences with Roman Catholicism (with extensive interaction with the Catechism of the Roman Catholic Church),

Protestant liberalism, and Mormonism Completely updated bibliographies All Scripture quotations updated from RSV to ESV An explanation of why monogenes in John 3:16 and elsewhere should be translated as "only begotten" rather than merely "only" An extensive discussion on the eternal submission of the Son to the Father A discussion of recent criticisms of the penal substitutionary view of the atonement Numerous other updates and corrections that have been prompted by letters and emails from people around the world and by interaction with the students Wayne has taught over the last 26 years both at Trinity Evangelical Divinity School and at Phoenix Seminary The Gift of Prophecy in the New Testament and Today (Revised Edition) - Wayne Grudem 2000-11-07

What does the New Testament teach about the spiritual gift of prophecy? What is it? How does it function? Can evangelical Christians use it in their churches today? This updated, comprehensive work answers such questions and points the way to a renewed understanding of the gift of prophecy--an understanding that suggests how the body of Christ may enjoy one of the Holy Spirit's most edifying gifts without compromising the supremacy of Scripture. "This conservative evangelical scholarly work gives a solid theological basis for further development of a practical theology of spiritual gifts." --John Wimber, Vineyard Christian Fellowship "Careful, thorough, wise, and to my mind, convincing." --J.I. Packer "...a fresh, biblically sound, readable contribution...its depth of scholarship, pastoral solidity, and cautions against abuses are special strengths. Highly recommended." --Vern S. Poythress, Professor of New Testament Interpretation, Westminster Theological Seminary "If Grudem's convincing thesis could be heard, a new path of dialog could perhaps be opened up in the Christian community. The research, clarity, and typical Grudem candor continue to make this the finest book on the subject to date." --L. Russ Bush, Professor of Philosophy of Religion, Southeastern Baptist Theological Seminary "...thorough, biblical, and practical. It deserves the attention of all who are concerned about the spiritual development of the church today." --Stanley Horton, Distinguished Professor Emeritus of Bible and Theology, Assemblies of God Theological

Seminary

Biblical Eschatology - Jonathan Menn 2013-09-04

About the Contributor(s): Jonathan Menn is the Director of Equipping Church Leaders-East Africa, after having served as East Africa Director

of Equipping Pastors International for six years. He travels regularly to East Africa, where he teaches pastors and church leaders. His extensive written teaching materials on biblical subjects are available at www.elea.net. He may be contacted at jonathanmenn@yahoo.com.
