

The Book Of Revelation A Commentary On Greek Text Nigtc Gk Beale

As recognized, adventure as capably as experience roughly lesson, amusement, as with ease as deal can be gotten by just checking out a books **the book of revelation a commentary on greek text nigtc gk beale** in addition to it is not directly done, you could take on even more vis--vis this life, something like the world.

We have enough money you this proper as competently as easy showing off to acquire those all. We allow the book of revelation a commentary on greek text nigtc gk beale and numerous book collections from fictions to scientific research in any way. accompanied by them is this the book of revelation a commentary on greek text nigtc gk beale that can be your partner.

The Book of Revelation - G. K. Beale 2013-09-07
This monumental commentary on the book of Revelation, originally published in 1999, has been highly acclaimed by scholars, pastors, students, and others seriously interested in interpreting the Apocalypse for the benefit of the church. Too often Revelation is viewed as a book only about the future. As G. K. Beale shows, however, Revelation is not merely a futurology but a book about how the church should live for the glory of God throughout the ages -- including our own. Engaging important questions concerning the interpretation of Revelation in scholarship today, as well as interacting with the various viewpoints scholars hold on these issues, Beale's work makes a major contribution in the much-debated area of how the Old Testament is used in the Apocalypse. Approaching Revelation in terms of its own historical background and literary character, Beale argues convincingly that John's use of Old Testament allusions -- and the way the Jewish exegetical tradition interpreted these same allusions -- provides the key for unlocking the meaning of Revelation's many obscure metaphors. In the course of Beale's careful verse-by-verse exegesis, which also untangles the logical flow of John's thought as it develops from chapter to chapter, it becomes clear that Revelation's challenging pictures are best understood not by apparent technological and contemporary parallels in the twentieth century but by Old Testament and Jewish parallels from the distant past.
Revelation 1-11 - John MacArthur 1999

No book in the scripture reveals the glory of God and Christ in more splendor than Revelation. At the same time, no book has been more misunderstood or neglected. Yet God wants His children to know this book, and blessings are stored up for those who study its riches. Join John MacArthur as he explains each verse in a way that is both doctrinally precise and intensely practical. Taking into account the cultural, theological, and Old Testament contexts of each passage, MacArthur tackles interpretive challenges and fairly evaluates differing views, giving the reader confidence in his conclusions. The MacArthur New Testament Commentary series comes from the experience, wisdom, and insight of one of the most trusted ministry leaders and Bible scholars of our day. Each volume was written to be as comprehensive and accurate as possible, dealing thoroughly with every key phrase and word in the Scripture without being unnecessarily technical. This commentary will help to give a better, fuller, richer understanding of God's Word, while challenging the reader to a vibrant personal spiritual walk. A great resource for pastors, teachers, leaders, students, or anyone desiring to dig deeper into Scripture
Revelation - G. K. Beale 2015-01-02
G. K. Beale's monumental New International Greek Testament Commentary volume on Revelation has been highly praised since its publication in 1999. This shorter commentary distills the superb grammatical analysis and exegesis from that tome (over 1,300 pages) into

a book more accessible and pertinent to preachers, students, and general Christian readers. As in the original commentary, Beale views Revelation as an integrated whole, as a conscious continuation of the Old Testament prophetic books, and shows that recognizing Revelation's nearly constant use of Old Testament allusions is key to unlocking its meaning. Interspersed throughout the volume are more than sixty sets of Suggestions for Reflection to help readers better grasp the relevance of Revelation to their lives and our world today.

The Revelation Record - Henry M. Morris 1983
This commentary comes as the result of many years of Bible study concerning God's purposes in the creation. The verse-by-verse treatment provides valuable scientific insights for the scholar and layman alike.

Revelation for Everyone - N. T. Wright
2011-01-01

N. T. Wright has undertaken a tremendous task: to provide guides to all the books of the New Testament, and to include in them his own translation of the entire text. Each short passage is followed by a highly readable discussion, with background information, useful explanations and suggestions, and thoughts as to how the text can be relevant to our lives today. A glossary is included at the back of the book. The series is suitable for group study, personal study, or daily devotions.

The Gospel According to John - 1999

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

Revelation of Jesus Christ - Ranko Stefanović
2009

Insights on Revelation - Charles R. Swindoll

2014

The complete 16-volume set of Swindoll's Living Insights New Testament Commentary draws on 13-time Christian Book Award winner Chuck Swindoll's more than 50 years of studying and preaching God's Word. Each volume includes both the NLT and NASB translations of the Bible, verse-by-verse commentary, charts, maps, photos, key terms, and background articles with practical application. A must-have for pastors, teachers, and anyone else who is seeking a deeply practical resource for exploring God's Word.--provided by publisher.

Revelation - Brian K. Blount 2013-03-01

This new title in the 'New Testament Library Series' provides a concise and confident guide through the complex passages of the book of 'Revelation'.

A Revelation of Jesus Christ - J.B. Smith
2004-05-10

From the Introduction by Merrill C. Tenney: This commentary is an attempt to make plain the meaning of Revelation. With commendable reserve, Dr. Smith has restricted himself largely to interpretation by other passages of Scripture which are related to Revelation by actual quotation or by striking parallelism. His painstaking studies of vocabulary and of related ideas make the book valuable to the earnest student of the Bible. Dr. Smith is a futurist and a premillenarian, holding that all of the Book of Revelation beginning with the fourth chapter relates to the future period of judgment known as 'the great tribulation,' which will be followed by the personal return of Christ and by the establishment of His kingdom. In this regard he is in a long line of renowned commentators, including Seiss, Gaebelien, Ottman, and others. The distinguishing feature of this commentary is its use of Biblical statistics and comparisons. The uses of important terms in the Revelation are cataloged, and their interpretation is derived from their context. The appendices contain some extensive studies of individual topics, correlating information not easily obtainable elsewhere. Dr. Smith follows a literal interpretation except where avowed symbolism demands a different procedure. He has sought to make his exposition consistent in method and in results. His use of Greek is apt, and shows a careful investigation of the underlying vocabulary of the Greek text.

This commentary will probably be the mainstay of premillennial exposition for some years to come.

[The Book of Revelation](#) - Gregory K. Beale 1999
This new study of the book of Revelation will be especially helpful to scholars, pastors, students, and others seriously interested in interpreting the Apocalypse for the benefit of the church. Too often Revelation is viewed as a book only about the future. As G. K. Beale shows, however, Revelation is not merely a futurology but a book about how the church should live for the glory of God throughout the ages - including our own.

The Theology of the Book of Revelation - Richard Bauckham 1993-03-04

The Book of Revelation is a work of profound theology. But its literary form makes it impenetrable to many modern readers and open to all kinds of misinterpretations. Richard Bauckham explains how the book's imagery conveyed meaning in its original context and how the book's theology is inseparable from its literary structure and composition. Revelation is seen to offer not an esoteric and encoded forecast of historical events but rather a theocentric vision of the coming of God's universal kingdom, contextualised in the late first-century world dominated by Roman power and ideology. It calls on Christians to confront the political idolatries of the time and to participate in God's purpose of gathering all the nations into his kingdom. Once Revelation is properly grounded in its original context it is seen to transcend that context and speak to the contemporary church. This study concludes by highlighting Revelation's continuing relevance for today.

A Commentary on the Book of Revelation - David Pawson 2014-05-05

Here is an exciting journey through the last book in the Bible, providing many powerful, fresh insights. With a new, very personal approach to Bible study, this book points us to some of the amazing things that God has revealed, helping us to apply these truths to ourselves, our churches and our understanding of the future
More Than Conquerors - William Hendriksen 1998-06-01

With an uninterrupted printing history since it was first published in 1939, this classic interpretation of the book of Revelation has

served as a solid resource and source of inspiration for generations. Using sound principles of interpretation, William Hendriksen unfolds the mysteries of the apocalypse gradually, always with the purpose of showing that "we are more than conquerors through Christ." Both beginning and advanced students of the Scriptures will find here the inspiration to face a restless and confusing world with a joyful, confident spirit, secure in the knowledge that God reigns and is coming again soon. This edition features a newly designed interior layout.

The Book of Revelation - Robert H. Mounce 1998

This contribution to The New International Commentary on the New Testament is a revision of Robert Mounce's original entry on the book of Revelation and reflects more than twenty additional years of mature thought and the latest in scholarship.

Revelation 1-11 - Peter J. Leithart 2018-02-22

The Book of Revelation is the last book in the canon of the New Testament, and its only apocalyptic document, though there are short apocalyptic passages in various places in the gospels and the epistles. This first of two volumes on Revelation offers systematic and thorough interpretation of the book of Revelation. Revelation brings together the worlds of heaven, earth and hell in a final confrontation between the forces of good and evil. Its characters and images are both real and symbolic, spiritual and material, and it is frequently difficult to know the difference between them. Revelation's cryptic nature has ensured that it would always be a source of controversy. This commentary focuses on the theological content, gleaning the best from both the classical and modern commentary traditions and showing the doctrinal development of Scriptural truths. Scholarship on the book of Revelation has nonetheless not only endured, but even captured the imagination of generations of Bible students, both professionals and laypeople alike. Through its focus on the message of the book through scholarly analysis, this International Theological Commentary reconnects to the ecclesial tradition of biblical commentary as an effort in ressourcement, though not slavish repetition.

Revelation of Jesus Christ - Ranko Stefanović

2002

Intended for both scholar and layperson, this verse-by-verse commentary outlines the thematic architecture of the Apocalypse to illuminate the unified message of the book. Providing both scholarly notes and lay-oriented exposition, this landmark work recommends itself for personal study and as a college and seminary text.

Apocalypse - Pablo Richard 2009-05-01

The Book of Revelation has always been a mysterious and intriguing book, describing in symbolic terms the confrontation between the Disciples of Christ and the powers - political and supernatural - that hold sway over the current age. Fundamentalists have been attracted to the book and have sought to decipher its strange symbols as coded prophecy of future events. But as Pablo Richard shows in *Apocalypse*, the most powerful readings of the Book of Revelation are through the eyes of the oppressed, living out their Christian faith in the context of the modern empire. It is they who identify most strongly with Revelation's ultimate message of hope and life in the midst of death and persecution.

Apocalypse first provides a general introduction to the reading of Revelation by examining three keys for its understanding: the historical, the sociological, and the literary-structural. The book then goes on to explore the whole of the Book of Revelation, following the book's own structure. Each section provides a line-by-line reading of the text, establishing the literal meaning before applying the interpretive keys already established.

[A Chronological Commentary on the Book of Revelation](#) - Derek Walker 2019-03

The Book of Revelation is the exciting climax of the whole Bible, revealing events that will shortly take place. In this in-depth Chronological Commentary Derek Walker, Pastor of the Oxford Bible Church, shows how it reveals future-history in precise detail. By paying special attention to the interactions between heaven and earth, and to the timings of events, this book will bring you into a much deeper and more exact understanding of Revelation, which is ultimately written to testify to Jesus and to glorify Him.

What the World is Coming to - Chuck Smith 1977-01-01

What is the world coming to? The answer is

documented in the Book of Revelation: A prophetic and unerring account of the final days of man upon earth?and the momentous events to follow. Join Pastor Chuck as he gives a verse-by-verse commentary overview of the Book of Revelation.

A Commentary on the Book of Revelation - David Pawson 2013-07-17

As a history book the Bible is unique, telling us about the future as well as the past. To become obsessed with either is to evade life's challenges. Both perspectives are needed to live 'over the circumstances' of the present. The book of Revelation focuses on the future and can produce two reactions among Christians - some cannot get into it and others cannot get out of it!! We need a more balanced view of its significance. After all, it is the only book in the whole Bible to which God has attached a special blessing and an awful curse. It was written for ordinary people under extraordinary pressure. Suffering is the key to its understanding. It is a manual for martyrdom. As history draws to a close, all Christians need its message of warning and encouragement.

Revelation (Baker Exegetical Commentary on the New Testament) - Grant R. Osborne 2002-11-01

The Book of Revelation contains some of the most difficult passages in Scripture. Grant Osborne's commentary on Revelation begins with a thorough introduction and the many difficulties involved in its interpretation. He also examines elements that complicate the interpretation of apocalyptic literature. As with all volumes published in the BECNT series, Revelation seeks to reach a broad audience with scholarly research from a decidedly evangelical perspective.

Revelation - Leon L. Morris 2009-08-26

"The book of Revelation is, I fear, a very neglected book. Its symbolism belongs to the first century, not to our own age," says Leon Morris in the preface to his commentary on Revelation. Here he explains the significance of the symbolism and shows the bearing of the message of Revelation on the problems of the day in which it was written. The original, unrevised text of this volume has been completely retypeset and printed in a larger, more attractive format with the new cover

design for the series. The Tyndale New Testament Commentaries have long been a trusted resource for Bible study. Written by some of the world's most distinguished evangelical scholars, these twenty volumes offer clear, reliable, and relevant explanations of every book in the New Testament. These Tyndale volumes are designed to help readers understand what the Bible actually says and what it means. The introduction to each volume gives a concise but thorough description of the authorship, date, and historical background of the biblical book under consideration. The commentary itself examines the text section by section, drawing out its main themes. It also comments on individual verses and deals with problems of interpretation. The aim throughout is to get at the true meaning of the Bible and to make its message plain to readers today.

Revelation - 1999-01-01

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

When the Man Comes Around: A Commentary on the Book of Revelation - Douglas Wilson

2019-07-30

"Though St. John the Evangelist saw many strange monsters in his vision, he saw no creature so wild as one of his own commentators." ~ G.K. Chesterton The book of Revelation was written to do just that: reveal. But most commentaries nowadays either engage in bizarre speculations about the future, or they keep an embarrassed distance from all the apocalyptic events that the apostle John says will "shortly take place." In this commentary, Douglas Wilson provides a passage-by-passage walkthrough of the entire book, showing how John's most notorious prophecies concern the Fall of Jerusalem in A.D. 70. Explaining symbols and characters as he goes, Wilson shows from the text that not only is this book not an elaborate code, but that Revelation is not even ultimately concerned with the end of the world as we know it. Revelation is about the triumph of the Church, which always happens when the Man comes around.

Social-science Commentary on the Book of Revelation - Bruce J. Malina 2000

The author of Revelation presents himself as John, the astral seer, who professes faith in the Resurrected Jesus and who belonged to the house of Israel. John writes of traveling into the sky; but this perspective of "sky-visions" is completely neglected in the traditional commentaries and studies on Revelation. Malina and Pilch demonstrate the necessity of taking ancient sky-interpretation seriously for reading the book of Revelation in its first-century context. Building on their earlier works on Revelation, and using this highly successful commentary model, Malina and Pilch have charted a new direction for Revelation studies. Includes line-drawings and photographs, as well as charts and diagrams on ancient Mediterranean astrology.

An Ancient Commentary on the Book of Revelation - 2013-11-21

This is a new critical edition, with translation and commentary, of the Scholia in Apocalypsin, which were falsely attributed to Origen a century ago. They include extensive sections from Didymus the Blind's lost Commentary on the Apocalypse (fourth century) and therefore counter the current belief that Oecumenius' commentary (sixth century) was the most ancient. Professor Tzamalikos argues that their author was in fact Cassian the Sabaite, an erudite monk and abbot at the monastery of Sabas, the Great Laura, in Palestine. He was different from the alleged Latin author John Cassian, placed a century or so before the real Cassian. The Scholia attest to the tension between the imperial Christian orthodoxy of the sixth century and certain monastic circles, who drew freely on Hellenic ideas and on alleged 'heretics'. They show that, during that period, Hellenism was a vigorous force inspiring not only pagan intellectuals, but also influential Christian quarters.

A Commentary on the Revelation of John - George Eldon Ladd 1972-01-10

In this widely praised exposition of Revelation, George Eldon Ladd treats the Apocalypse as a true prophecy--one that reflects the situation of the church when the book was written as well as the situation the church will face at the time of the consummation of God's redemptive plan.

The Revelation of Jesus Christ - Ray F.

Robbins 2005-01-13

What New Testament book bewilders most Christians? Of course, the book of Revelation. Many people ignore it because it seems unreal and unrelated to Christian living. Others see it as a fascinating enigma, and they propose a variety of schemes to answer every symbolic reference. While fully aware of the various theories of interpretation, Dr. Robbins is primarily concerned in this book with clarifying what the writer was trying to say to his original readers. He provides a practical exposition with little attention given to critical problems. He feels that the basic message is timeless, full of hope and promise in every age. Here is fresh, clear light on a book that has been shrouded by extreme and sometimes fanatic interpreters.

A Commentary on the Book of the Revelation -

Edgar Cayce 1969

Includes psychic readings on the subject of the endocrine glands.

Revelation Explained - Sambhu Nath De

2018-06-26

Christ is the central figure in the book of Revelation and as such His supremacy is the theme. He is the one who is the source of the book (Rev. 1:1) and thus it is called "the Revelation of Jesus Christ." Before unfolding end time events, a magnificent self revelation of Jesus Christ is presented (Rev. 1:12-18). He is supreme in the churches and the destiny of the church is in His hand. He is the head of the church and holds it in His hand (Rev. 2:1). He is the Alpha and Omega, implying His eternity (Rev. 1:8, 11; 21:6; 22:13). He is the Lion of the tribe of Judah (Rev. 5:5), thus by virtue of His birth in the tribe of Judah, He has the right to the throne of David.

The Ultimate Exodus: A Commentary on the Book of Revelation (A Futurists, Non-Pretribulational Perspective) - W.J. Sturm

2015-05-12

The book of Revelation is filled with Old Testament images and its language of fulfillment, reminding readers of the exodus of God's people from the land of Egypt. In reviewing God's Word, however—both Israel's epic deliverance and the events of the last days foretold in the New Testament—Pastor Bill Sturm has concluded that there is no biblical

basis for believing God will remove His people before He judges the ungodly in the end times. How can Christians make sense of this? What should be our response? This verse-by-verse commentary on Revelation explores these themes within the King James text (assisted by easy-to-understand Greek reflection) so that you can ready yourself for what's to come—remaining steadfast in the time of trouble until the ultimate Exodus at Christ's 2nd Coming.

A Testimony of Jesus Christ - Volume 2 - Anthony Charles Garland 2007

A Commentary on the Book of Revelation - Volume 2 The author presents a detailed study of the Book of Revelation emphasizing prophetic themes from the rest of the Bible which find their fulfillment in Revelation. To understand this controversial book, the author explores the many connections between the visions seen by the Apostle John and previous prophetic revelation given to Old Testament prophets such as Daniel, Ezekiel, and others. It is the author's conviction that an understanding of related passages elsewhere in the Bible is the most important key to unlocking the bewildering variety of interpretations which often accompany the study of the last book of the Bible. The commentary can be used in conjunction with a free companion internet course providing an additional 70 hours of audio instruction linked to almost 1,000 slides.

Revelation - Iii Witherington 2003-09-15

Table of contents

The Book of Revelation - Rupert Thomson 2012-01-01

On a bright spring day in Amsterdam a man goes out to buy a packet of cigarettes. He is a dancer - charismatic, talented and physically beautiful. What happens next takes him completely by surprise and marks him for ever. He awakens to find that he has been abducted by three hooded strangers and subsequently imprisoned in a mysterious white room, which will have consequences that are both poignant and highly disturbing.

Revelation - William C. Weinrich 2005-12-09

The Revelation to John—with its vivid images and portraits of conflict leading up to the formation of a new heaven and a new earth—was widely read, even as it was variously interpreted

in the early church. Drawing heavily on both Eastern and Western ancient commentators, much appearing in English for the first time, this ACCS volume is a treasure trove of early interpretation.

Revelation - Gordon D. Fee 2010-11-01

Revelation is a book that many Christians find confusing due to the foreign nature of its apocalyptic imagery. It is a book that has prompted endless discussions about the "end times" with theological divisions forming around epicenters such as the rapture and the millennium. In this book, award winning author Gordon Fee attempts to excavate the layers of symbolic imagery and provide an exposition of Revelation that is clear, easy to follow, convincing, and engaging. Fee shows us how John's message confronts the world with the Revelation of Jesus Christ so that Christians might see themselves as caught up in the drama of God's triumph over sin, evil, and death. Fee draws us into the world of John and invites us to see the world through John's eyes as the morbid realities of this world have the joyous realities of heaven cast over them. In this latest installment in the New Covenant Commentary Series we see one of North America's best evangelical exegetes at his very best.

The Book of Revelation - Catherine A. Cory 2006
"Complete biblical texts with sound, scholarly based commentary that is written at a pastoral level; the Scripture translation is that of the New American Bible with Revised New Testament and Revised Psalms (1991)"--Provided by

publisher.

Revelation - G. K. Beale 2015-01-02

G. K. Beale's monumental New International Greek Testament Commentary volume on Revelation has been highly praised since its publication in 1999. This shorter commentary distills the superb grammatical analysis and exegesis from that tome (over 1,300 pages) into a book more accessible and pertinent to preachers, students, and general Christian readers. As in the original commentary, Beale views Revelation as an integrated whole, as a conscious continuation of the Old Testament prophetic books, and shows that recognizing Revelation's nearly constant use of Old Testament allusions is key to unlocking its meaning. Interspersed throughout the volume are more than sixty sets of "Suggestions for Reflection" to help readers better grasp the relevance of Revelation to their lives and our world today.

Social-science Commentary on the Letters of Paul - Bruce J. Malina 2006-01-01

This latest addition to the Fortress Social-Science Commentaries on New Testament writings illuminates the values, perceptions, and social codes of the Mediterranean culture that shaped Paul and his interactions - both harmonious and conflicted - with others, Malina and Pilch add new dimensions to our understanding of the apostle as a social change agent, his coworkers as innovators, and his gospel as an assertion of the honor of the God of Israel.
