South Biscay - Steve Pickard 2019-01-01

This seventh edition (2012) of the RCC's South Biscay pilot covers the coasts of France and Spain from the Gironde to La Coruna in Galicia. This edition has been completely revised and updated. In line with other recent RCC editions, waypoints have been introduced to assist navigation. With new photographs by the author and up-to-date aerials by Patrick Roach, South Biscay is the complete reference for yachts visiting the flat sandy coasts of southwest France and the long Biscay coast of Spain. Download the latest updates from www.imray.com.

Channel Islands, Cherbourg Peninsula and North Brittany - Peter Carnegie 2018-05-31

This revision of the RCC Pilotage Foundation's pilot updates the combined volume for this area which encompasses the Channel Islands and extends from St Vaast La Hougue on the east of the Cherbourg peninsula, and works westwards along the Normandy and Brittany coasts to

Ouessant. Coverage includes the Plateau des Roches Douvres as well as detailed sections on the navigable rivers. The navigator benefits enormously from the painstaking approach with which Peter Carnegie has documented his own explorations of these, his home waters. His numerous annotated photographs and the many accompanying charts detail the network of transits between the off-lying rocks and islands of the region. Waypoints are used judiciously to further inform, but the emphasis remains on time-proven and trusted methods of safe navigation in these waters of high tidal range and fast-moving currents. The Channel Islands, Normandy and Brittany coasts can seem a daunting sailing area for those unaccustomed to their ways, but 'Carnegie's book provides reassurance and so much practical advice that anyone using it will feel confident of success.' (Yachting Monthly). It is the definitive pilot for anyone interested in the challenge of exploring the less frequently used passages and

anchorage.

The RCC Pilotage Foundation Atlantic Crossing Guide - Anne Hammick 2003-10-31

The Atlantic Crossing Guide is a complete reference for anyone planning an Atlantic passage in their own boat. From ideal timing, suitable boats, routes, methods of communication and provisioning to regional weather, hurricanes, currents and tides, departure and arrival ports, facilities and paperwork, the comprehensiveness of this new edition will both inspire dreamers and instil confidence in those about to depart. This is the definitive reference on the subject, relied upon by many thousands of cruisers crossing in both directions and packed with all the information they need.

Arctic and Northern Waters - Andrew Wilkes
2019-01-01

This handbook from the RCC Pilotage Foundation, covers the Northwest and Northeast Passages through the Arctic Ocean as well as

Faroe, Iceland and Greenland. Incorporating information collected on a number of voyages over recent years this work is an impressive resource which brings together experience and background data on a region that is not only in the news but increasingly accessible to cruising yachts. Arctic and Northern Waters is in the same style as other PF pilots and is a practical cockpit reference as well as a source of inspiration for planning. This second edition contains revisions and additional information, some of which was previously published in the annual supplement. There are new photographs and harbour plans. 2016 edition.

Mediterranean Spain - Steve Pickard

The second edition of this well-received title from the Royal Cruising Club Pilotage Foundation covers the entire Mediterranean mainland coast of Spain from Gibraltar to the French border. This is the only detailed pilot for the Spanish Mediterranean coast running up from Gibraltar to the border with France. It

covers a varied cruising area that includes the mountain-backed Costas del and Sol and Blanca, the expansive lagoon of the Mar Menor, the low-lying Ebro delta and the rugged Costa Brava. In between are several great cities including Malaga, Valencia, Tarragona and Barcelona, the Catalan capital. The volume opens with Gibraltar and La Línea. With Imray charts for the same coast, Mediterranean Spain provides all the data necessary for anyone based in Spain, transitting to and from areas further East or the Balearics, or just exploring this rich and varied coast and its hinterland. The coverage has been revised with the text updated, new plans added and other plan updates based on the latest information. This edition has been enhanced by the addition of over 100 aerial photographs showing coastline and harbour approaches.

Arctic and Northern Waters - Andrew Wilkes
2020-01-05

Do you only have a week to spare? For those of us who are time poor but who want to seize the

moment, either on our own boat or on a charter, it's reassuring to know that there are plenty of cruising hubs from where we can enjoy some of the best of the region in only a few days. Imray Pocket Pilots are a new series of affordable PDF books, companions to the Yachting Monthly series A Week Afloat. They visit some ideal destinations and suggest a one week itinerary, and include expanded sailing directions for cruising each area based on printed Imray pilot books. Familiar Imray chartlets cover marina detail and approaches, and photos add both information and colour to the downloads. This Imray Pocket Pilot covers The Ionian, Greece.

Islas Baleares - David Baggaley 2019-01-01
This eleventh edition of Islas Baleares, covering Ibiza, Formentera, Mallorca, Cabrera and Menorca, has been revised and updated for the RCC Pilotage Foundation by David and Susie Baggaley, whose Beneteau 42, Kookaburra has been based in Addaya, Menorca for several years. In their research for this edition, over two

seasons, the authors confess to having enjoyed a new purpose to their cruising in the islands, and they share their knowledge enthusiastically and authoritatively. A selection of completely new plans is included, and pre-existing plans have been updated throughout. There are also many attractive new photographs which are informative to the navigator. The only fully comprehensive pilot guide to the islands in English, *Islas Baleares* remains the best-selling RCC Pilotage Foundation cruising guide, which is testament to the lasting appeal of this popular cruising ground, both to those cruising their own boats and to those who are visiting the islands on a yacht charter.

Atlantic Crossings - Les Weatheritt 2006

The main intent of this book is to prepare the North American sailor for his first crossing of the Atlantic to Europe. It is actually so exhaustive in its coverage that it will indeed help the bluewater sailor to learn how to cross any ocean in the world.

Corsica and North Sardinia - John Marchment
2019-01-01

This third edition (2013) of the RCC's guide to the beautiful cruising coasts of Corsica, the Bouches de Bonifacio and Sardinia's island-studded north coast has been thoroughly updated and revised by John Marchment during 2013. Throughout there are changes to the plans and text and new photos have been included. Whilst there have been no major changes to harbours since the last edition, new marine reserves have been established. Full details are given of these and their associated regulation. *Corsica and North Sardinia* is the ideal guide for yachts and charterers visiting this special corner of the Mediterranean.

South China Sea - Jo Winter 2019-09-16

This first edition of *South China Sea* is the successor to Stephen Davies and Elaine Morgan's *Cruising Guide to Southeast Asia*, Volume I (Imray). Building on the earlier work, this new edition has been updated and expanded

to include coverage of Cambodia and Taiwan. For the past 12 years, Jo Winter has been cruising these waters in her 45' Island Packet, Brother Wind, and she describes it as one of the most diverse, beautiful, unspoilt and undiscovered sailing areas in the world. The book covers thousands of miles of coastline, a multitude of islands and inland up many of the region's navigable rivers. Along with a comprehensive range of information to help with planning a cruise in this region, the introductory section details weather information, including coverage of typhoons, and also indicates piracy risk areas to be avoided. Sailing directions include small scale area plans to orientate the navigator and larger scale plans to show details of harbours and anchorages. Full colour throughout, the plans and numerous photographs illustrate key features and places. Whether transiting the region or planning a more extended cruise along any of the coastlines bordering the South China Sea, this guide is an

essential companion.

The Mystery of Easter Island - Katherine
Routledge 2020-04-12

"All the seashore is lined with numbers of stone idols, with their backs turned towards the sea, which caused us no little wonder, because we saw no tool of any kind for working these figures." So wrote, a century and a half ago, one of the earliest navigators to visit the Island of Easter in the South-east Pacific. Ever since that day passing ships have found it incomprehensible that a few hundred natives should have been able to make, move, and erect numbers of great stone monuments, some of which are over thirty feet in height; they have marvelled and passed on. As the world's traffic has increased Easter Island has still stood outside its routes, quiet and remote, with its story undeciphered. What were these statues of which the present inhabitants know nothing?... Whence came the people who reached this remote spot? Did they arrive from South

America, 2,000 miles to the eastward? Or did they sail against the prevailing wind from the distant islands to the west?...

The Voyager's Handbook - Beth Leonard
2006-12-07

"Belongs in the bookshelf of every cruising vessel."—Blue Water Sailing "If you are serious about that extended voyage, read The Voyager's Handbook."—Sailing "Every now and then a new voice emerges in the world of sailing literature that stands out, a voice that is both clear and of lasting quality. The appearance of such a new voice is something of an event, and that's what we'd call the publication of The Voyager's Handbook."—Blue Water Sailing This inspirational and comprehensive manual leads you step by step through every aspect of choosing, planning, and following the voyager's life. Using three example boats representing three cruising lifestyles—Simplicity, Moderation, and Highlife—Beth Leonard helps make your bluewater dreams come true, whether you're

sailing on a shoestring or a CEO's pension. Starting with the things you can't do without—an enthusiastic crew, a seaworthy boat, and, of course, money—Leonard offers sage advice on how to select crewmembers who are truly committed to the voyage, how to choose the right boat for you, and how to find just the right approach to financing your voyage and making the most of every dollar spent. Managing life from a floating home and keeping that home livable, seaworthy, and safe requires you to become, among other things, the ship's purser, engineer, doctor, cook, and cruise director. You'll discover how to prepare for these new roles and put necessary equipment and arrangements in place before you untie your docklines. This exquisitely detailed guide also helps you master the skills you'll need to handle a boat at sea with a small crew, including Weather forecasting Passage planning Watchkeeping Heavy-weather sailing Emergency management Midocean repairs Complete with

dozens of easy-to-use graphs and tables for quick reference, along with the hard-won wisdom of experienced cruisers, The Voyager's Handbook is the ultimate resource for anyone who is planning, preparing for, or just dreaming about a great adventure on the high seas.

[Mnemonic](#) - Complicite 2014-01-08

A play and production from one of the world's most innovative theatre companies Mnemonic is about memory, people's personal histories, shared memories and discordant recollections - exhuming the past in order to examine it in the present. A variety of stories - from the discovery of bog people like Tollund Man to peoples compulsion to retrace the origins of their ancestors - collide and form a piece of theatre which questions our concept of time, our capacity to distort history and our attempts to retell the past. "An ice-preserved body - from 5,200 years ago - forms the central image of

Theatre de Complicite's dazzlingly imaginative meditation on memory and morality. Timely and unforgettable" (Independent)

A Cruising Guide to the Caribbean and the Bahamas - Jerrems C. Hart 1982

Brazil Cruising Guide - Michel Balette

2019-01-01

Originally published in France, this cruising guide to Brazil has been produced to the same high standards as Imray's major pilot books. Over 250 harbours and anchorages are described and illustrated in full colour with charts and photographs. 2010 edition.

Atlantic Spain and Portugal - Henry Buchanan
2015-05-31

Atlantic France - RCC PILOTAGE FOUNDATION. 2018-05

Covering the whole Atlantic coast of France, from Ouessant in the north to Hendaye on the Spanish border, this second edition of the RCC

Pilotage Foundation's guide has been thoroughly revised and updated by Nick Chavasse who has taken his Bowman 40, Wild Bird, into every main port and a multitude of anchorages, including explorations up the numerous navigable rivers. The plans have been revised and improved throughout and the coverage has been extended to include large scale detail for key areas including Lorient and the Gironde. Coverage of the Brittany coast west from L'Aberwrac'h, so often the gateway to the Chenal du Four, is now extended to include the islands of Ouessant and Molène. Many of the new photographs are on-the-water images which are invaluable to the navigator, but this edition also continues to benefit from Patrick Roach's unique and informative aerial coverage. 'Atlantic France' is the authoritative cruising companion for this long and varied coastline with its sometimes-daunting tides and currents, and its publication has been welcomed both by first time visitors who are enjoying their first taste of the region

and by old hands who are revisiting their favourite haunts.

Baltic Sea and Approaches - 2019-01-01

Beautiful, secluded anchorages, picturesque canals, bustling marinas, dramatic cities - all await those considering a Baltic cruise. The nine countries bordering the Baltic Sea offer an immense variety of cruising grounds, people and cultures. There are thousands of harbours and innumerable anchorages, and it would take an entire bookshelf, to cover them all in detail. The

information contained in this book has therefore been chosen for its value both at the planning stages - preparing the yacht, choosing the most suitable route, timing and communications etc - and again on arrival, when a general overview of each individual country is followed by specific harbour information. Where detailed cruising information is readily available - effectively Germany, Denmark, Sweden and Finland - only selected harbours are covered, chosen, with a few exceptions, as fulfilling certain key needs. Where cruising information is more limited - Poland, Kaliningrad, Lithuania, Latvia, Estonia and Russia - many smaller harbours are also featured in detail. In addition to comprehensive suggestions for further reading (and sources in each country from which they may be ordered) more than 200 websites are listed, again chosen for their relevance both at the planning stages and en route. Details of internet access points are included for most major harbours. This 4th edition (2017) has been produced by a team

from the Royal Cruising Club and contains substantial changes. Apart from the routine updating of the text and plans - many newly drawn for this edition - and the addition of new photos, there are also some major changes. In particular coverage of Finland has been reorganized, and reflecting the fast pace of change since the last edition, the Baltic States and Poland sections have been improved significantly.

Cruising Guide to Germany and Denmark - Brian Navin 2006

Now in its third edition, *Cruising Guide to Germany and Denmark* has been thoroughly revised. The author provides more detailed coverage of the coasts of Mecklenburg and Vorpommern to the Polish border, an area that has seen many changes in the last decade. This new edition is published in full colour. The Baltic is becoming an increasingly attractive cruising destination and this new edition provides excellent coverage of the popular routes in and

around the western end. Covering the North Sea and Baltic coasts of Germany and Denmark, this guide is a companion to *North Sea Passage Pilot and Cruising Guide to the Netherlands*. It is based on selected routes and provides all the necessary details and plans of ports along them.

Atlantic France - Nick Chavasse 2018-04-30
Covering the whole Atlantic coast of France, from Ouessant in the north to Hendaye on the Spanish border, this second edition of the RCC Pilotage Foundation's guide has been thoroughly revised and updated by Nick Chavasse who has taken his Bowman 40, Wild Bird, into every main port and a multitude of anchorages, including explorations up the numerous navigable rivers. Cape Horn and Antarctic Waters - RCC Pilotage Foundation 2017-04

This stylish handbook from the RCC Pilotage Foundation covers the spectacular cruising grounds around Cape Horn, including Chile, the Beagle Channel, the Falkland Islands and the Antarctic Peninsula. Including some of the most dangerous waters in the world, from the treacherous Cape Horn to the icebound anchorages of Antarctica, it offers not only inspiration and encouragement but enough detail to plan the voyage of a lifetime.

Broadcaster and author Paul Heiney has incorporated a strategic range of navigational information from his voyage to the area alongside that gathered by other experienced sailors. Key passages, harbours and anchorages

are described in an informative and enlightening way alongside useful sketch plans. Full-colour photographs and lively texts give a strong sense of the drama and magnificence of an area that is increasingly of interest to cruising yachts. This book is not only a vital practical resource for these waters but also a source of inspiration for those considering a future visit.

The Atlantic Crossing Guide - Anne Hammick 1998

From deciding which route to take, to what time of year would be best to cross, *The Atlantic Crossing Guide* answers you need to know about: -- Choosing and equipping a boat -- Route planning, provisioning -- Navigation and safety -- Landfalls and port details -- Details of winds and currents and a great deal more. This newest edition is completely overhauled, and new route, landfall, and port descriptions have been added.

Dream Cruising Destinations - Vanessa Bird 2015-09-24

Most yachtsmen dream about cruising to an

exotic destination; this is the book that will turn dreamers into planners. 24 classic cruises are fully mapped, measured and costed, showing how they are perfectly possible whatever your skill level. From weekend cruises around the British Isles to a voyage to Antarctica, and from Greek island cruises to an escape to the Virgin Islands, this book explores where to go, why, how to get there and what to expect en route. The book breaks down each cruise into important considerations, such as what type of boat is needed, what level of skill or qualifications are required, whether it is a suitable journey to undertake with a young family, what possible dangers might influence any decision (from extreme weather to the threat of piracy), and most obviously, cost. Covering popular, exotic cruising destinations such as Thailand and the Virgin Islands, as well as unexpected, almost secret routes along the US Intracoastal Waterway and French canals, as well as proper adventures (including both

Atlantic and Pacific crossings), this inspirational may be the starting point for the voyage of a lifetime.

Ocean Sailing - Paul Heiney 2019-09-05

This is the reassuring voice of the ocean sailing community. Your big adventure starts here. For many sailors, an ocean passage is the big dream. But many will worry that they don't have the right experience, that their boat isn't strong enough, or that it will be prohibitively expensive and difficult. Ocean Sailing will prepare you for an ocean passage by painting a picture of what ocean sailing is really like, through the experiences of others who have gone before. Topics covered range from safety to boat kit and

preparations, budgeting to staying in touch with home, equipment breakdowns to health and weather. Members of three great cruising clubs – the Royal Cruising Club, Ocean Cruising Club, and the Cruising Club of America – share their vast wealth of experience, and by focusing on the practicalities of ocean sailing, allay the anxieties and doubts of prospective ocean cruisers to ensure a deeply satisfying ocean voyage.

Chile - Royal Cruising Club Pilotage Foundation 2019-12-12

This guide to Chile covers the coasts from Arica in the north to Cape Horn in the south, and includes Isla de Pascua and Islas Juan Fernandez to the west. Chile's vast coastline offers the complete range of scenery and is one of the last easily accessible places on the planet where yachts can explore little known waters and find previously unreported anchorages. This fourth edition is a compilation of information gleaned by many visiting yachtsmen, edited into a

coherent and thorough guide. It offers detailed, fully updated sailing directions for almost all the important harbours and anchorages, many of which are documented here for the first time. The detailed text is supported by revised colour sketch plans throughout. The book now contains full colour photographs which relate to the sketch plans.
