Beginning in his hometown of

New Orleans, Clint Smith leads the reader on an unforgettable tour of monuments and landmarks—those that are honest about the past and those that are not—that offer an intergenerational story of how slavery has been central in shaping our nation's collective history, and ourselves. It is the story of the Monticello Plantation in Virginia, the estate where Thomas Jefferson wrote letters espousing the urgent need for liberty while enslaving more than four hundred people. It is the story of the Whitney Plantation, one of the only former plantations devoted to preserving the experience of the enslaved people whose lives and work sustained it. It is the story of Angola, a former plantation-turned-maximum-security prison in Louisiana that is filled with Black men who work across the 18,000-acre land for virtually no pay. And it is the story of Blandford Cemetery, the final resting place of tens of thousands of Confederate soldiers. A deeply researched and transporting exploration of

the legacy of slavery and its imprint on centuries of American history, *How the Word Is Passed* illustrates how some of our country's most essential stories are hidden in plain view—whether in places we might drive by on our way to work, holidays such as Juneteenth, or entire neighborhoods like downtown Manhattan, where the brutal history of the trade in enslaved men, women, and children has been deeply imprinted.

Informed by scholarship and brought to life by the story of people living today, Smith's debut work of nonfiction is a landmark of reflection and insight that offers a new understanding of the hopeful role that memory and history can play in making sense of our country and how it has come to be.

matter of intense concern. Bede's *The Reckoning of Time* (*De temporum ratione*) was the first comprehensive treatise on this subject and the model and reference for all subsequent teaching discussion and criticism of the Christian calendar. It is a systematic exposition of the Julian solar calendar and the Paschal table of Dionysius Exiguus, with their related formulae for calculating dates. But it is more than a technical handbook. Bede sets calendar lore within a broad scientific framework and a coherent Christian concept of time, and incorporates themes as diverse as the theory of tides and the doctrine of the millennium. This translation of the full text of *The Reckoning of Time* includes an extensive historical introduction and a chapter-by-chapter commentary. It will interest historians of medieval science, theology, and education, Bede scholars and Anglo-Saxonists, liturgists, and Church historians. It will also serve as an accessible introduction to computus itself.

Generations of medieval computists nourished their expertise in Bede's orderly presentation; modern scholars in quest of safe passage through this complex terrain can hope for no better guide.

The Reckoning - Jeff Long
2004-07-06

Enter the territory of Jeff Long, where the unknown is deeply present, death is a constant shadow, and the human spirit is our final hope. Now comes *The Reckoning*, another superbly original thriller -- a story of predation, betrayal, and resurrection that is at once intricate, haunting, and terrifying. Armed with only a camera and iron determination, thirty-year-old photojournalist Molly Drake arrives in modern-day Cambodia to cover the U.S. military search for the remains of an American pilot shot down during the Vietnam War. In this eerie wasteland pockmarked with human bones and live land mines, the people hold more secrets than the landscape, from aging archaeologist Duncan O'Brian to John Kleat, a caustic vet hunting for his

long lost brother. When Molly's camera captures a flight helmet buried among Khmer Rouge victims, diplomatic powers force her and her civilian comrades off the dig. But just as a typhoon looms offshore, the outcasts learn of an even bigger find. A mysterious expatriot guides them into the ruins of an ancient city, where they begin a harrowing search for the remains of an entire patrol of GIs that strayed in combat thirty years ago. With storm winds hammering their jungle fortress, Molly discovers that a war she never knew never died. Her survival comes to depend on her journalistic skills to solve a forgotten murder among these warriors left behind. In the end, her only hope for salvation is to redeem the lost souls that surround her. As stylishly written as it is suspenseful, *The Reckoning* is a thriller that illuminates the fragile thread between life and death, knowledge and ignorance, hope and horror. Bringing readers ever closer to enemy territory, it is a hair-

raising journey into one of modern history's darkest periods and an intense look into the hearts still haunted by it.

A haunting novel about a black woman who returns to her hometown for a plantation wedding and the horror that ensues as she reconnects with the blood-soaked history of the land and the best friends she left behind. More than a decade ago, Mira fled her small, segregated hometown in the south to forget. With every mile she traveled, she distanced herself from her past: from her best friend Celine, mocked by their town as the only white girl with

black friends; from her old neighborhood; from the eerie Woodsman plantation rumored to be haunted by the spirits of slaves; from the terrifying memory of a ghost she saw that terrible day when a dare-gone-wrong almost got Jesse--the boy she secretly loved--arrested for murder. But now Mira is back in Kipsen to attend Celine's wedding at the plantation, which has been transformed into a lush vacation resort. Mira hopes to reconnect with her friends, and especially, Jesse, to finally tell him the truth about her feelings and the events of that devastating long-ago day. But for all its fancy renovations, the Woodsman remains a monument to its oppressive racist history. The bar serves antebellum drinks, entertainments include horrifying reenactments, and the service staff is nearly all black. Yet the darkest elements of the plantation's past have been carefully erased--rumors that slaves were tortured mercilessly and that ghosts roam the lands, seeking
