[Spiritual Connection](#) - Bhakti Dhira Damodara Swami 2019-12-12

'Spiritual Connection: Understanding the Dynamics of Guru-disciple Relationship' Discusses the following important topics: Who is a Guru? Why do I need a Living Guru? Why am I not satisfied in my relationship with my Guru? How to internalize the sacred Guru-disciple relationship? How to be a Progressive Disciple? "Spiritual Connection" answers the above and many more questions with much depth and clarity. Presented in a very simple and lucid manner, this book is a collection of various case-studies taken from Vedic literature's such as Srimad-bhagavatam, Caitanya-Charitamrita, Mahabharata and Ramayana. Herein, the subject of Guru-disciple relationship is explored, explained and churned into valuable lessons to help all the levels of spiritual seekers— from novice and seasoned—to have their spiritual connection established, enhanced or rejuvenated.

[Lead Like Jesus](#) - Ken Blanchard 2008-09

The author of One Minute Manager, one of the world's most popular management methods, introduces principles for effective leadership that focus on Jesus as a role model, aligning four internal and external domains--the heart, the head, the hands, and the habits.

[The Spiritual Dynamic in Modern Art](#) - C. Spretnak 2014-10-22

This book demonstrates that numerous prominent artists in every period of the modern era were expressing spiritual interests when they created celebrated works of art. This magisterial overview insightfully reveals the centrality of an often denied and misunderstood element in the cultural history of modern art.

[Letters from Your Father God](#) - Maya Graves 2006-06

[Protégé](#) - Steve Saccone 2012-05-15

Steve Saccone shows how you can raise up leaders from within your own community and develop them into passionate, faithful servants of God. You will be personally challenged to grow as you discover how to cultivate a culture of leadership development in your ministry.

**The Dynamics of Spiritual Formation (Ministry Dynamics for a New Century)** - Mel Lawrenz 2000-05-01

Pastors and church leaders can use the normal activities of church life to touch the innermost lives of their flock, fostering spiritual growth and building up the body of Christ.

[Spiritual Dynamics in the Body of Christ](#) - Chris S. Sherrerd 2003

**Parenting** - Diane Zimmerman 2015-09-17

During my years as a social worker who intervened in the lives of many families, the frustrating prohibition I faced was the State's reluctance to allow any suggestion toward the family developing a spiritual component. Even though it was obvious that this one focus could correct the errors that promoted child abuse, spousal abuse, addiction, and divorce, it was ignored as a useful intervention for failing families. It is my hope that this book can lead children's caretakers to the thing that works to bring up their darlings in peace and safety.

**Relationship Paradox** - Kendell Thornton 2014-01-01

This book is an exploration into the dynamics of interpersonal relationships, and how the spiritual quest for union is tempered by the human desire for freedom. Since being in an intimate relationship is not the cause of happiness, a major focus of this book is to help the readers understand the need to take responsibility for their own happiness. Only when people learn to understand their own happiness, regardless of being in a relationship, will they be able to cultivate a successful relationship because they want a relationship, and not because they think they need a relationship to be happy.

[Covenant Relationships](#) - Asher Intrater 2016-11-15

Discover the Biblical Blueprint for Building Relationships that Last! Even though the topic of relationships is very popular, few individuals ever reach the point of building deep, lasting, and meaningful bonds with others. Why do our connections with other people seem to stay superficial and never go beyond the surface-level? Because we've drifted away from the Biblical blueprint of what covenant relationships are intended to look like. In this revised and updated edition of Asher Intrater's classic, *Covenant Relationships*, you will receive time-tested practical keys that show you how to build relationships that: Are spiritually and emotionally fulfilling for everyone involved. Remain intact and solid, even in the middle of conflict and disagreement. Reflect the timeless values outlined in Scripture. Free people to truly be known by and share life with others. Relationships are the meaning of life! Its time to move past the popular take-it or leave-it approach and build deep connections based on loyalty, authenticity and covenant. For Gods people to rise up and walk in new dimensions of love and effectiveness, we must be knit together in covenant relationships!

**The Handbook of Spiritual Development in Childhood and Adolescence** - Pamela Ebstynne King 2006

This Handbook draws together leading social scientists in the world from multiple disciplines to articulate what is known and needs to be known about spiritual development in childhood and adolescence.

[A Different Touch](#) - Judith A. Merkle 1998

"A Different Touch" speaks of the challenges of religious life today where the essentials of Christian living and union with God are still sought via a "different touch". The book looks at the relationship of Christian lifestyle

and the place of religious life in the matrix of Christian living, and then comments individually on the traditional vows of religious life. A section on "new times" for poverty, obedience, and celibacy relates each vow to current cultural and socio-political issues.

**Why You Do the Things You Do** - Tim Clinton 2006-01-30

In this transformational book, the authors have used ground-breaking research to develop four primary patterns of relating to one another that shed light on our actions--and how we can learn to love and be loved even better.

**The Loving Relationships Treasury** - Sondra Ray 2011-08-24

Collected from her groundbreaking series of relationship books, THE LOVING RELATIONSHIPS TREASURY distills the core teachings of Sondra Ray's unique approach to finding, achieving, and maintaining the deepest, most fulfilling relationships possible. Ray's timeless writing continues to inspire us to begin our personal journeys toward integrating intimacy and spirituality within every significant relationship-with ourselves, our mates, our parents, our children, our colleagues, our world.

**Spiritual Partnership** - Gary Zukav 2010-04-27

In his first major book since the legendary bestseller *The Seat of the Soul*, Gary Zukav reveals a revolutionary new path for spiritual growth. What began with an introduction to a major paradigm shift in *The Dancing Wu Li Masters* turned into a discussion of aligning our personalities with our soul in *The Seat of the Soul*; finally, in *Spiritual Partnership*, Zukav guides the reader on this practical path to authentic power.

**Seductions Exposed** - Gary L. Greenwald 2003-05-01

If you've ever ended a relationship you knew wasn't God's will for your life, but you can't seem to stop thinking about that person... If your behavior is being influenced in a negative way by people you come into contact with... If you're cursing yourself through forbidden statues, jewelry, and practices It's time for you to break free from the ties on your soul! Dr. Gary Greenwald will explain how the transference of spirits and soul ties can create dominion over your life. Learn how to defeat the deceiving spirits that control many of the things you come into contact with every day. You can be delivered into a life ruled only by the Holy Spirit!

**The Unnatural Exchange** - R.A. Manning 2022-08-01

"Ladies, those of you who are tired of getting played and want to know how to get respect, you will find it within the pages of this book. Men, if you desire to know how to stop women from walking out of your life, especially when you don't have a clue of what you are doing wrong, the answers are in this book". Sandra B. "Finally! We have been blessed with a 'one stop' relationship manifest that is wonderfully rich, full of energy, intelligence and experience. Its contents are relevant, refreshing, redemptive, and reviving. If you desire to experience healthy exchanges in your relationships then this compelling book is for you." Dr. Major A. Stewart (Sold-Out Stewardship) "The author presents a truth that compels the reader to question what has not been questioned before, which causes both self-examination and assessment. Be prepared to think and go way beyond what you believe you know about men and women". Adrienne L. Your desire to find true love oftentimes ends with lost hope, painful and seemingly unforgivable offenses, and many dreams that died with it along the way. What started off as a warm and loving relationship is soon marred with painful communication, disrespect for one another, betrayal, resentment and more. There is a way that could lead to an end of all this by awakening the leader within through deep self-examination, having knowledge of self, of your companion, and the complimentary nature in which we are created. Though diverse in our creation, male and female, the harmony and unity that can be formed from this creative difference could build such an empowering and lasting love among couples. No matter what your negative love encounters have been, no matter how many times your heart has been shattered, redemption of that love can be found in a healthy, understanding, respectful and natural exchange between you and your loved one. With *The Un-Natural Exchange* as a resource and guide you will learn: - The Struggle for balance in human nature - How to improve your selection process - How to identify a good man - How to identify a good woman - How to be a good man and a good woman - Communication with loving kindness and compassion - How to manage and resolve conflict with justice and compassion - The dangers of selfishness and complacency - Discover the value of others and their relation to self

**Love between Equals** - Polly Young-Eisendrath, Ph.D. 2019-01-15

Learn how to successfully negotiate conflicts and deepen our most

intimate relationships in this practical and thoughtful guide by an experienced Buddhist teacher, psychotherapist, and couples counselor. A committed relationship, as most people see it today, is a partnership of equals who share values and goals, a team united by love and dedicated to each other's growth on every level. This contemporary model for coupledness requires real intention and work, and, more often than not, the traditional archetypes of relationships experienced by our parents and grandparents fail us or seem irrelevant. Utilizing the wisdom of her years of personal and professional practice, Young-Eisendrath dismantles our idealized projections about love, while revealing how mindfulness and communication can help us identify and honor the differences with our partners and strengthen our bonds. These practical and time-tested guidelines are rooted in sound understanding of modern psychology and offer concrete ideas and the necessary tools to reinforce and reinvigorate our deepest relationships.

**The Art of Permanence** - Tim Swick 2017-09-25

Mate selection is the second most important decision we make in life! This decision determines whether our life will be blessed and full of joy or if it will be a painful calamity. If it is a calamity, then it will bring disastrous effects on us, our mate, our children, and our extended family and friends. Who can best guide us through this decision? Parents frequently convey to their children that the only criteria for success in mate selection and marriage are money and education. Parents want their children to excel in marriage, but they give their children no specialized training or emphasis on preparing their lives and being the kind of person who can secure a godly mate and maintain a permanent, lasting relationship. I see churches striving to attract youths and young adults to the church. I see churches challenging youths to be exceptional in their faithfulness to Jesus. I want to see churches teaching teenagers and young adults to be intimate with one another while maintaining sexual purity. I want to see churches teaching youths how to build the skills that will make them an excellent mate and future parent. I want to see churches teaching youths and young adults how to find healing for the pains that are destroying their lives. I see churches teaching that God demands holiness, and I want to see them teaching that holiness is the most enjoyable, beneficial, and only lifestyle that can and will bring permanence to all of our relationships, including marriage.

**Seductions Exposed** - Gary L. Greenwald 2003-03

In this book, *Seductions Exposed*, Pastor Gary Greenwald skillfully examines and exposes the manipulating spiritual activity that surrounds every Christian on a daily basis. Today, as never before, Christians are opening their eyes and becoming aware of the maneuvers, manipulations, and deceptions that are occurring in the spirit world.

**Managing Stress: Skills for Self-Care, Personal Resiliency and Work-Life Balance in a Rapidly Changing World** - Brian Luke Seaward 2020-12-08

Updated to provide a modern look at the daily stressors evolving in our ever changing society, *Managing Stress: Skills for Self-Care, Personal Resiliency and Work-Life Balance in a Rapidly Changing World*, Tenth Edition provides a comprehensive approach to stress management, honoring the balance and harmony of the mind, body, spirit, and emotions. Referred to as the "authority on stress management" by students and professionals, this book equips readers with the tools needed to identify and manage stress while also coaching on how to strive for health and balance in these changing times. The holistic approach taken by internationally acclaimed lecturer and author Brian Luke Seaward gently guides the reader to greater levels of mental, emotional, physical, and spiritual well-being by emphasizing the importance of the mind-body-spirit connection.

**No One Is a Stranger: Dynamics of Nurturing Inter Personal Relationships With Spiritual Values** - Swami Atmashradhananda 2015-06-26

This book deals with the dynamics of Nurturing Inter-Personal Relationships with Spiritual Values.

**Personal and Archetypal Dynamics in the Analytical Relationship** - Mary Ann Mattoon 1991

The 11th International Congress for Analytical Psychology was held in Paris from August 28 through September 2, 1989. It is no surprise that the theme of *Personal and Archetypal Dynamics in the Analytical Relationship* succeeded in drawing widely varying and controversial responses. More than ever before the fifty-five contributors of papers represent Jungian groups from around the globe in every sense. However, while differences of approach are evident throughout this fascinating collection, so too is an ever more significant sense of synthesis: in the end we all share a common task.

**Relating to a Spiritual Teacher** - Alexander Berzin 2000

This book explores the sources of misunderstanding and reexamines traditional Buddhist teachings to reveal methods that can heal wounds. **Conquer Your Karmic Relationships** - Tracee Dunblazier 2020-08-03 Your karma got you down? Transform your relationships on all levels. In this groundbreaking book, Tracee Dunblazier takes an in depth look at your karmic relationships: the spiritual imprints and repetitive patterns that position you in life. The restoration of every soul, and the systems that govern them, get an overhaul! Karma is not punishment and reward; it is the reassurance that we will inevitably experience all we are and all we have created for others through reincarnation and spiritual patterning. This wisdom will inspire change on every level. You will understand what karma is and learn all the ways to reveal, accept, forgive, and transform your connections in every dimension. Not only to your soulmate beloveds and romantic entanglements, but how you relate to food, money, family, culture, religion, sex, death, and your environment. **Conquer Your Karmic Relationships: Heal Spiritual Trauma to Open Your Heart and Restore Your Soul**, will help to unearth the very core of what drives you, showing how to direct its power into usable, life-giving resources for you and all your relations. This book will: Teach you how to recognize your karmic relationships and set boundaries within them. Encourage self-love through radical acceptance. Reveal what your spiritual patterns are and how to use them to your benefit or change what no longer serves you. Show you how to create the life you want through accepting others as they are, releasing shame, and finding tolerance.

**Relationships for Life** - Richard Marks 2011-03

We all have these. Sometimes, they can be the most wonderful treasure this world has to offer. At other times, they can break your heart. I'm talking about relationships. Everybody has a myriad of different relationships in this adventure called life. Each relationship has its own dynamics, its own foibles, and its own language. We interact with parents, children, siblings, co-workers, spouses, authority, and, for some, even God. The greatest resource of joy, progress, hope, and prosperity is in connections with each other. But the problem is that the way we develop, sustain, and communicate in relationships is unhealthy. The reason they are unhealthy is because we as individuals bring error into them from the past and from harmful views of ourselves. If you can't think healthy about yourself, how can you interrelate with others in beneficial relationships? How can you have a strong family and an intimate love life if you don't know how to communicate or meet each other's needs? What would be the purpose of building friendships if you don't know how to nurture and sustain them? This book is designed to answer all those questions and more. Each chapter builds on how to improve yourself, your self-image, and the relationships around you. You will discover from documented research how your brain works in diverse situations, the different ways you handle conflict, how to communicate effectively with others, and how to build the theme of "Us-ness" in life's important relationships and much more.

**The Spiritual Work of Marriage** - David C. Olsen 2008

Statistically speaking, about half of all first marriages fail. The **Spiritual Work of Marriage** comprehensively discusses an issue that is central to addressing committed relationships and intimacy: the difficult, and yet very common, spiritual work that exists within marriage. This insightful guide goes deeper into ways to improve marital intimacy by explaining its spiritual dimension and describing a variety of spiritual themes that every couple deals with and must resolve. The book contains practical case study material, questions for group discussion, and a series of spiritual and theological theories tied to powerful marital dynamics.

**Dynamics of the Spiritual Exercises** - Paul Christian Kiti 2005

**If the Buddha Dated** - Charlotte Kasl 1999-02-01

Zen and the art of falling in love . . . At once practical, playful, and spiritually sound, this book is about creating a new love story in your life. Drawing from Christian, Buddhist, Sufi and other spiritual traditions, **If the Buddha Dated** shows how to find a partner without losing yourself. Kasl, a practicing psychotherapist, workshop leader, and Reiki healer for thirty years, offers practical wisdom on using the path to love as a means of awakening. **If the Buddha Dated** teaches that when you stay loyal to your spiritual journey, you will bring curiosity, fascination, and a light heart to the dating process.

**Romantic Relationships ~ the Greatest Arena for Spiritual and Emotional Growth** - Robert Burney 2012-09-01

The title of this book: **Romantic Relationships ~ The Greatest Arena for Spiritual & Emotional Growth** - is a Truth that it is vital to recognize if you ever want to have a functional romantic relationship. We were set up

to fail in romantic relationships by the dysfunctional perspectives and expectations of love and romance we learned growing up, according to the author Robert Burney. Robert is a Spiritual Teacher and pioneer in the area of codependency recovery / inner child healing whose first book **Codependence: The Dance of Wounded Souls** has been called "one of the truly transformational works of our time." His second book **Codependency Recovery: Wounded Souls Dancing in The Light - Empowerment, Freedom, and Inner Peace through Inner Child Healing** was published in the summer of 2011. Here is what he has to say about his third book that is being published in the September of 2012. Our perspective of love and romance dictates our relationship with love and romance - and that has been the problem, that has been why we have had a lousy relationship with love and romance. There is no happily-ever-after that we can reach when we find our prince or princess. As an adult you obviously know that intellectually - but emotionally you are still looking for it because it is what we were taught as children, it is part of the foundation programming that determines how we relate to life. On some level you are probably judging your self because you haven't reached happily-ever-after. As I state on my website in the section on Romantic Relationships, "The thing that is so important about the issue of Romantic Relationships is to realize how we were set up to "fail" in romance - to really get it on a gut level, so that we can forgive ourselves." It is very important to start realizing how we were set up, so that we can change our attitudes, definitions, and expectations of romantic relationships into ones that are more functional - into ones that can help us start to learning how to approach love and romance in healthier ways. Once we start letting go of feeling responsible for something we were powerless over, letting go of the false guilt and toxic shame about our "mistakes" and "failures" in romance - then we can start to learn how to take healthy risks and make better choices. It is better to love and lose than never love - but we need to change what we are expecting from love and romance in order to even have a chance of being able to start learning how to have an interdependent relationship that can work for us. You can learn to be more loving to your self and open to the possibility of having a loving interdependent relationship with another person. Loving is the greatest adventure available to us - give your self a chance to experience how wonderful it can be by being willing to do the work to change your programming and heal your emotional wounds. It is very much worth it to learn to love - and reading this book could be a huge step in helping you to become available to have a healthier romantic relationship. This book is a primarily a compilation of writings from my website that I have edited, rewritten and expanded upon to fit together in this work - that expansion ended up involving writing another 30,000 or so new words to add to those web articles.

**The Spiral Path** - Theresa King 1992-09

This treasure of diverse and visionary writings explores the sacredness of women's everyday lives. Twenty-two contemporary spiritual teachers including Irina Tweedie, Brooke Medicine Eagle, Swami Radha, Bernadette Roberts, and Mary Giles probe aspects of their lives from sexuality, work, and cooking, to relationships, prayer, and mysticism. A vision then emerges of women as extraordinary sacred beings, their lives sources of personal and community transformation. This book is a guide for those seeking a practical, workable spiritual life.

**Define the Relationship** - Jeramy Clark 2009-02-04

Ken thinks he and Becky are just having fun together. Becky is already picking out bridesmaid dresses. Melissa has decided to break up with Tony. Tony thinks Melissa is "the one." Are miscommunications like this unavoidable? What's the best way to end a relationship—or to take it to a more serious level? Chances are, you've heard of "The Talk." Every romantic relationship comes to the point where things need to be defined or redefined: Do we become romantically exclusive? Is our relationship ready (or not ready) to move to the next level? What are our boundaries and expectations? Is it possible to "just be friends"? Getting all the cards on the table. Communicating openly and honestly. It sounds like a great idea, right? The tough question is, how do you communicate in a way that significantly benefits you both—and doesn't leave you dreading those important conversations in the future? In **Define the Relationship**, you'll find everything you need to know about positively defining and redefining your current or future dating relationships. Written in light of the complexities of dating today, this long-needed resource will help you avoid painful and confusing dating dilemmas and experience instead the freedom of well-defined, spiritually grounded, and truly rewarding relationships.

**The Relationship** - Laura Clark 2018-03-13

The relationship series explores the relationship with God - from within

the context of relationship itself. Book one levels the playing field, so that believer and non-believer alike bridge the gap where God is concerned. From within the context of relationship, we are safe to reflect honestly on the self who steers us both towards and away from God. Book one focuses on the dynamics of the relationship with God, allowing us to examine them in light of our relationships to ourselves and others. While the author is a practicing Catholic, this series encourages contemplating the relationship with God from both the inside out and the outside in our own religious, spiritual, and secular perspectives and practices.

Relationship Dynamics - Steven DeSalvo 2015-11-25

As the first book in the revolutionary EVOLVE series, Relationship Dynamics looks at how we create and sustain healthy relationships using essential principles from permaculture, including observation, resilience, and sustainability. In Relationship Dynamics, you will learn how to develop deeper intimacy in all relationships, how to sustain relationships by following the six steps to conflict resolution, as well as how to identify and avoid emotional drama and dysfunction with others.

The Art of Spiritual Midwifery - Stephen Faller 2015-06-02

What comes after reflective listening? What comes after the ministry of presence? Spiritual midwifery is a powerful framework for offering pastoral care in today's fast-paced environment. Midwifery offers ways of thinking about those who are served, the work itself, and what it means to be a clinical caregiver within the tradition of the care of souls.

Spiritual midwifery has philosophical and spiritual roots that stem from the earliest seeds of Western thought, even back to Jesus and Socrates. Readers will find an inductive approach toward a conceptual model that offers insight for richer assessments and outcome-oriented goals of care. Part One sets out the metaphors of the midwife and the dialogue. Part Two unpacks the methodology behind the mechanics. Part Three looks at creative applications of midwifery, and is followed by a Symposium patterned after Plato's own Symposium. A rigorous theory remains at the center of the work, but the tone is poetically balanced enough to invite the transformation of the spiritual caregiver. From the philosophy of Heraclitus to the theology of Kierkegaard to the spiritual direction of Guenther, The Art of Spiritual Midwifery brings forth a comprehensive conception of pastoral care and its delivery.

Spirituality in Clinical Practice - Len Sperry 2012-01-26

While America is in the midst of a spiritual awakening, it is not surprising that psychotherapists are increasingly expected to incorporate the spiritual as well as the psychological dimension in their professional work. Therapists also are increasingly required to utilize evidence based

practices and demonstrate the effectiveness of their practice. Unlike books that focus primarily on the therapist's spiritual awareness, the second edition of Spirituality in Clinical Practice addresses the actual practice of spiritually oriented psychotherapy from the beginning to end. Spirituality in Clinical Practice has been significantly updated and revised to emphasize the therapeutic processes in spiritually oriented psychotherapy with individual chapters on the therapeutic relationship, assessment and case conceptualization, intervention, termination and evaluation, as well culturally and spiritually sensitive interventions. As in the original edition, the second edition continues to provide a concise, theory-based framework for understanding the spiritual dimension. This framework then serves as the basis for competently integrating spirituality in effective, evidence-based psychotherapy practice.

The Challenges of Pastoral Leadership - Ronald Rojas 2012-08-07

It's too easy to learn and apply business leadership models to the pastoral sector. But is it the best alternative to form Church leaders? What are we missing when we use business models in ministry? This book is about creating more sensitivity on how some of these secularly learned models can inadvertently limit pastoral effectiveness, and suggests an hourglass approach to leadership capable of fostering a set of principles more harmonious with ministry intent. In many ways this book is a guide for cultivating and developing a more authentic sense of leadership in ministry, one that emerges from within the scholarly sources of the leadership field but at the same time is rooted in the principle leadership is a spiritual practice. This book is a must have for clergy, religious women and men, and anyone engaged with forming ministry leaders or performing leadership roles in diocesan, parish life, or Church ministry.

**The Powers and Dangers of Transition...** - Francis Myles 2008

Myles presents Kingdom strategies for navigating the valley of transition. He also discusses the demonic abortion of spiritual destinies which normally happens during periods of transition. (Practical Life)

**Relationships as a Spiritual Journey** - Robert Perry 2002-04-01

Describes the unique teaching of A Course in Miracles that the quest for God is best accomplished through the transformation of our relationships from special relationships based on separate interests to holy relationships based on a common goal. This book is a revised and combined version of two earlier booklets that I wrote. They were two of the most popular books we have published. I hope that this expanded book will be as helpful to people seeking both to find a better way to be in relationship and to experience the love of God.
