The Spiritual Dimension of the Enneagram - Sandra Maitri
2000-03-06

A groundbreaking exploration of the spiritual dimension of working with the enneagram by one of its earliest students and teachers in America. Here is one of the first books to explore in an authentic and comprehensive way the original spiritual dimension of the enneagram. Among the most knowledgeable teachers of the enneagram in America, Sandra Maitri shows how the enneagram not only reveals our personalities, but illuminates a basic essence within each of us. She shows how traversing the inner territory particular to our ennea-type can bring us profound fulfillment and meaning, as well as authentic spiritual development.

The Sacred Enneagram - Christopher L. Heuertz 2017-09-05

Most of us spend a lifetime trying to figure out who we are and how we relate to others and God. The Enneagram is here to help. Far more than a personality test, author Chris Heuertz teaches us that the Enneagram is a sacred map to the soul. Lies about who we think we are keep us trapped in loops of self-defeat, but the Enneagram uniquely reveals nine ways we get lost, as well as nine ways we find our way home to our true self and to God. Whether you are an enthusiast or simply Enneagram-curious, this groundbreaking guide to the spiritual depth of the Enneagram will help you: Understand the "why" behind your type beyond caricatures and stereotypes Identify and find freedom from self-destructive patterns Learn how to work with your type toward spiritual growth Awaken your unique gifts to serve today's broken world Richly insightful and deeply practical, *The Sacred Enneagram* is your invitation to begin the journey of a life transformed. Praise for *The Sacred Enneagram*: "Integrated within these pages is Chris's extensive knowledge and understanding of this ancient tool, along with depth in his teaching of contemplative spirituality as practiced by Jesus. Readers are offered a powerful way forward in their unique journey of spiritual transformation through aligning Christian contemplative prayer postures to specific Enneagram types." --Nina M. Barnes, Dean of Spiritual Formation & Leadership, University of Northwestern-St. Paul "The Sacred Enneagram is a groundbreaking contribution to the Enneagram community, providing unique spiritual growth insights for all nine types. If you're not yet convinced of the value, depth, and accuracy of the Enneagram, Chris demystifies and makes this ancient wisdom more accessible than ever." --George Mekhail, pastor, The Riverside Church NYC

The Essential Enneagram - David Daniels 2009-11-24

The First and Only Scientifically Determined Enneagram Personality Test and Guide A centuries-old psychological system with roots in sacred tradition, the Enneagram can be an invaluable guide in your journey toward self-understanding and self-development. Keys to the Enneagram - A. H. Almaas 2021-10-05

More than just a tool to diagnose your personality type, the Enneagram was originally developed to help people find the ultimate freedom of consciousness and achieve spiritual liberation. A. H. Almaas brings us back to this original mission as he shares the essential keys that will help readers break free from the limitations and distortions of each type's fixation—and to express their true spiritual nature in everyday life.

Images of Pastoral Care - Robert C Dykstra 2005-01-01

This book is an edited volume of works that have predominated over the past several decades in contemporary pastoral theology. Through the writings of nineteen leading voices in the history of pastoral care, Dykstra shows how each contributor developed a metaphor for understanding pastoral care. Such metaphors include the solicitous shepherd, the wounded healer, the intimate stranger, the midwife, and other tangible images. Through these works, the reader gains a sense of the varied identities of pastoral care professionals, their struggles for recognition in this often controversial field, and insight into the history of the discipline. Includes readings by: Anton T. Boisen, Alastair V. Campbell, Donald Capps, James E. Dittes, Robert C. Dykstra, Heije Faber, Charles V. Gerkin, Brita L. Gill-Austern, Karen R. Hanson, Seward Hiltner, Margaret Zipse Kornfeld, Bonnie J. Miller-McLemore, Jeanne Stevenson Moessner, Henri J. M. Nouwen, Gaylord Noyce, Paul W. Pruyser, Edward P. Wimberly.

The Enneagram for Beginners - Kim Eddy 2020-11-10

"No other personality system offers the gift of revealing the fears and longings that help us cope in this uncertain world, encouraging each other and pointing one another to Jesus, each in our unique way." --from

The Enneagram for Beginners Recognized as a valuable tool for identifying recurring patterns of unhealthy behavior and the ways we try to earn God's favor, the Enneagram is used by churches, ministries, and families to grow more like Jesus and be closer to one another. While its wisdom is highly sought after, the Enneagram system can be complicated to navigate for first-time users. In this highly accessible spiritual guide, Certified Enneagram Coach Kim Eddy breaks down the essentials to help beginners discover their type and break free from fear and shame by knowing and experiencing the unconditional love, forgiveness and freedom in Christ. The Enneagram for Beginners features:

- Enneagram 101: that includes everything you need to know about the Enneagram, such as the triads, subtypes, wings, levels of health, ongoing struggles, and more
- Easy and supportive steps to find your true type
- Deep explorations into each of the nine personality types to understand the ways in which you experience the world and how you can find Jesus everyday
- Type-focused scripture that reveals what God says about you
- A special prayer for each type

This book is an essential tool for beginners who want to learn their type and find their own transformative path, all while keeping their faith and relationship with Jesus at the center.

Personality Types - Don Richard Riso 1996-10-29

The definitive guide to using this ancient psychological system to gain self-knowledge and achieve personal growth—now expanded and revised. The Enneagram is an extraordinary framework for understanding more about ourselves. No matter from which point of view we approach it, we discover fresh conjunctions of new and old ideas. So writes Don Riso in this expanded edition of his classic interpretation of the Enneagram, the ancient psychological system used to understand the human personality. In addition to updating the descriptions of the nine personality types, Personality Types, Revised greatly expands the accompanying guidelines and, for the first time, uncovers the Core Dynamics, or Levels of Development, within each type. This skeletal system provides far more information about the inner tension and movements of the nine personalities than has previously been published. This increased specificity will allow therapists, social workers, personnel managers, students of the Enneagram, and general readers alike to use it with much greater precision as they unlock the secrets of self-understanding, and thus self-transformation. “No Enneagram teachers I’ve come across offer such a rich and dynamic picture of how each personality type expresses itself in the world, and the process by which we can move through progressive stages of psychological and spiritual growth.”—Tony Schwartz, author of *What Really Matters: Searching for Wisdom in America*

The Adventure of Self-Discovery - Stanislav Grof 1988-01-31

Here Grof presents a useful model of the psyche—a model extended by his thirty years of studying non-ordinary states of consciousness. It is useful for understanding such phenomena as shamanism, mysticism, psychedelic states, spontaneous visionary experiences, and psychotic episodes. The model is also useful in explaining the dynamics of experiential psychotherapies and a variety of sociopolitical manifestations such as war and revolution. This book might have been entitled *Beyond Drugs*. The second part describes the principles and process of the non-pharmacological technique developed by the author and his wife, Christina, for self-exploration and for psychotherapy. Grof explores in detail the components of this technique. He describes its method, its effective mechanisms, as well as its goals and potential. Its practice is simple, since it utilizes the natural healing capacity of the psyche.

Enneagram Transformations - Don Richard Riso 1993-01-29

“Combines enneagram personality types with recovery movement techniques of releasing undesirable traits and affirming desirable ones.” —Library Journal To heal, one must truly know, and face, one's self. But finding that inner, honest analysis of our own personalities is difficult to say the least. Without the right tools, it can be impossible. Since its development, the enneagram—a model of nine interconnected personality types that allows users to identify their habits and flaws—has helped countless individuals understand their hearts, bodies, and minds. Now, it can also help you change your life. In *Enneagram Transformations*, Don Richard Riso, one of the foremost developers of the enneagram, presents a groundbreaking contribution to the self-help field. Using releases and affirmations based on the various personalities, he shows readers how to unlock their psychological pains and strengths to promote healing, recovery, and tranquility. It's time to reclaim your power. *Enneagram Transformations* contains the meditative tools you need to do so.

The Practice of Pastoral Care - Carrie Doehring 2006-01-01

Drawing on psychological, theological, and cultural studies on suffering, Carrie Doehring encourages counselors to view their ministry through trifocal lenses and include approaches that are premodern (apprehending God through religious rituals), modern (consulting rational and empirical sources), and postmodern (acknowledging the contextual nature of knowledge). Utilizing strategies from all three perspectives, Doehring describes the basic ingredients of a caregiving relationship, shows how to use the caregiver's life experience as a source of authority, and demonstrates how to develop the skill of listening and establish the actual relationship. She then explains the steps of psychological assessment, systemic assessment, and theological reflection, and finally she delineates the basic steps for plans of care: attending to the careseeker's safety, building trust, mourning losses, and reconnecting with the ordinariness of life.

The Marriage of Sense and Soul - Ken Wilber 2011-08-03

There is arguably no more critical and pressing topic than the relation of science and religion in the modern world. Science has given us the methods for discovering truth, while religion remains the single greatest force for generating meaning. Yet the two are seen as mutually exclusive, with wrenching consequences for humanity. In *The Marriage of Sense and Soul*, one of today's most important philosophers brilliantly articulates how we might begin to think about science and religion in ways that allow for their reconciliation and union, on terms that will be acceptable to both camps. Ken Wilber is widely acclaimed as the foremost thinker in integrating Western psychology and the Eastern spiritual traditions. His many books have reached across disciplines and synthesized the teachings of religion, psychology, physics, mysticism, sociology, and anthropology, earning him a devoted international following. *The Marriage of Sense and Soul* is his most accessible work yet, aimed at guiding a general audience to the mutual accord between the spiritual, subjective world of ancient wisdom and the objective, empirical world of modern knowledge. Wilber clearly and succinctly explores the schism between science and religion, and the impact of this "philosophical Cold War" on the fate of humanity. He systematically reviews previous attempts at integration, explaining why romantic, idealistic, and postmodern theories failed. And he demonstrates how science is compatible with certain deep features common to all of the world's major religious traditions. In pointing the way to a union between truth and meaning, Ken Wilber has created an elegant and accessible

book that is breathtaking in its scope.

[The Gene Keys](#) - Richard Rudd 2013-05-09

The book begins by introducing the reader to a fantastic possibility - that humanity may be on the verge of a major shift in consciousness rooted in a new understanding of how our DNA operates - namely that it is programmed directly by the way we think and feel. This is a highly ambitious and sophisticated system for shaping one's destiny. Based around 64 archetypes, it resembles the I Ching in its vast scope and profound importance, and in the resonant character of its symbolism. The author shows how there are two ways to approach the Gene Keys - the analogue (holistic) way and the digital (detailed) way. It is the combining of both analogue and digital that results in contemplation - the primary pathway into the Gene Keys. Since our beliefs shape our genes, when we change our beliefs, we change the chemistry of our body. The Gene Keys are an inner language whose central purpose is to transform our core beliefs about ourselves, thus raising our lives onto a new level of awareness. The book works alongside state-of-the-art online profiling software. This software will provide instantaneous free profiles known as 'Hologenetic Profiles', which uses astrological data (time, date and place of birth) to generate a unique sequence of Gene Keys that relate to many aspects of your life, including the underlying genetic patterns governing your relationships, your finances, your health and your life purpose. As the reader contemplates the 64 Gene Keys over time and applies their insights in his or her own life, so one's belief system will begin to change and our DNA will actually start to transform the way we think and feel.

What Really Matters - Tony Schwartz 1996-03-01

At the height of his career as a journalist, Tony Schwartz hit an unexpected wall. Why did success suddenly feel so empty? How could he add richer meaning to his everyday life? What guides could he trust on the road to wisdom? During the next five years his search for answers took him from a meditation retreat in the mountains of Utah to a biofeedback laboratory in Kansas, from a peak-performance workshop at a tennis academy in Florida to a right-brain drawing course in Boston. Blending the hunger of a seeker with a journalist's hard-headed inquiry, he discovered the best teachers and techniques for inner development--and identified the potential pitfalls and false gurus he met along the way. What he found dramatically changed his life. It may change yours as well.

Personality Type - Lenore Thomson 1998-10-27

The type test inside will tell you about the choices you've made and the direction you're taking—according to C. G. Jung's theory of psychological types. For Jung, knowing your type was essential to understanding yourself: a way to measure personal growth and change. But his ideas have been applied largely in the areas of career and marital counseling, so type has come to seem predictive: a way to determine your job skills and social abilities. This book reclaims type as a way to talk about people's inner potential and the choices they make in order to honor it. Using everyday examples from popular culture—films, "Star Trek," soap operas, comic strips—it describes the sixteen basic ways people come to terms with their gifts and values. In this book you will find tools to understand: • How your personality takes shape • How your type reflects not only your current priorities, but your hidden potential • How un-lived possibilities are trying to get your attention • How relationships at home and at work can help you to tap your unrealized gifts Whether you're trying to figure out who you are and what you need to do in life, or recognizing that deeper meaning lies beyond what you've already accomplished, this book will help you to become aware of your greatest strengths, your opportunities to live them out, and your ability to make the most of your unique potential.

[The Enneagram Guide to Waking Up](#) - Beatrice Chestnut 2021-10-01

"An Outstanding book that offers precise steps to take to wake up to the self-limiting habits of your personality, get out of your own way, and give yourself the gift of accessing more of your higher - more authentic - self." —Ian Cron, author of *The Road Back to You: An Enneagram Journey to Self-Discovery* A fresh approach to the Enneagram that encourages readers to embark on their own hero's journey for transformation. This is a personal transformation book rooted in the wisdom of the Enneagram system of personality types. It is a book about waking up and growing into the best version of yourself. It is a book that shows you how to discover who you are and what you can be. It is a book about finding your path, facing your shadow, and discovering your true self. It is a good news-bad news-good news story. The good news: you survived childhood. The bad news: in order to grow, you are going to experience some pain. The really good news: you can use your negative habits as a springboard to move beyond them. With a commitment to self-observation and reflection, you can develop greater self-awareness

and open yourself up to a life filled with exciting choices and opportunities. Each of the nine chapters includes these features: The problematic perspective, the process of self-discovery, and the path forward for that type How the main issues for that type get played out in 3 different ways—the 3 distinct sub-types of the main type (necessary for pinpoint accuracy in describing your personality and your path of growth) Chestnut and Paes, two leading Enneagram teachers, frame this approach to personality types in a way that is accessible, practical, and filled with possibility.

The Wisdom of the Enneagram - Don Richard Riso 1999-06-15

The Enneagram of Discernment (Type Two Edition) - Drew Moser 2021-03-30

*This is the Type Two Edition of the book, including specific content for enneagram Type Twos. You can also purchase the Comprehensive

Edition that includes all Types.* How does your personality type help and hinder your ability to make wise decisions? We are too often rich in information and poor in wisdom. And when we encounter life's decisions, big and small, we engage the information available through the lens of our personality. *The Enneagram of Discernment: The Way of Vocation, Wisdom, and Practice* breaks new ground in the enneagram field, introducing Dr. Drew Moser's innovative approach to exploring the enneagram to discover calling, cultivate wisdom, and develop habits that help you make wise decisions, whether they be important or mundane. This is not your ordinary enneagram book. Weaving theology, spirituality, neuroscience, and psychology, Dr. Moser introduces you to *The Way of Discernment*: a journey of nine key questions each of us must consider when faced with a decision. Each of these nine questions are grouped into three triads: The Vocation Triad, The Wisdom Triad, and The Practice Triad. This is an enneagram resource for anyone looking for help in making better decisions. Whether you're new to the enneagram, or have been working with the enneagram for many years, *The Enneagram of Discernment* is an essential resource.

Discover Your Soul Potential - Kathy Hurley 2012-04-03

Discover Your Soul Potential: Using the Enneagram to Awaken Spiritual Vitality shows how to use the Enneagram as a gateway into the full potential of your soul. With it, you can live with simplicity, clarity and compassion; you will feel inspired to create a new partnership between the ordinary and EXTRAordinary sides of your personality. Authors Kathy Hurley and Theodorre Donson combine insights from mystical traditions with contemporary psychology and their intimate knowledge of the Enneagram to provide this tool for ongoing growth. As part of their life quest to help people live from the power of their own souls, they explain how spiritual vitality can be the privilege, inheritance and responsibility of every human being. On our spiritual journey it seems our hearts yearn for us to know who we are, and the Enneagram is the clearest, most accurate method of understanding the personality traits of ourselves and others. It is based on the theory of three centres of intelligence: Intellectual, Relational and Instinctual, or more commonly referred to as Thinking, Feeling and Doing. Our personality is a unique configuration of the three capacities inherent in every person. Because of its practical approach, this groundbreaking book makes spiritual vitality easily accessible to all.
