## **Ant and Maven Interview Questions You'll Most Likely Be Asked** - Vibrant Publishers 2011-11-08

Ant and Maven Interview Questions You'll Most Likely Be Asked is a perfect companion to stand ahead above the rest in today's competitive job market.

### To Be a Man - Robert Augustus Masters 2015-01-01

I've got it all—a great job, relationship, and lifestyle—so why do I feel so dissatisfied and disconnected? Why am I not happier in my intimate relationships? How do I become more powerful—without becoming that jerk everyone dislikes? Robert Augustus Masters has helped thousands of men address and work through such issues. What he's found is that the common solution to these dilemmas is challenging yet clear: we must face our unresolved wounds, shame, and whatever else is holding us back, bringing "our head, heart, and guts into full-blooded alignment." With *To Be a Man*, this acclaimed psychotherapist and relationship expert offers a groundbreaking and deeply insightful guide to masculine power and fulfillment. *To Be a Man* clarifies what's needed to enter a manhood as strongly empowered as it's vulnerable, as emotionally literate as it's unapologetically alive—a manhood at home with truly intimate relationship. In this book, readers will explore:

- How your past may be dominating your present
- Shame in its healthy and unhealthy forms, and how to make wise use of it
- How vulnerability can be a source of strength
- Emotional literacy—an essential skill for relational well-being
- Releasing sex from the obligation to make you feel better
- How to disempower your inner critic
- Bringing your shadow (whatever you've disowned in yourself) out of the dark
- Embodying your natural heroism and persisting regardless of fear
- What women need from men
- Understanding and outgrowing pornography
- Entering the heartland of true masculine power

If you've read your share of popular advice on relationships and being a man—but realize on a gut level that it's going to take some serious inner work—here's a great guide to that most rewarding of challenges: doing what's needed to fully embody your authentic manhood.

### **I Could Be Killing You** - Jeremy L Main Sr. 2014-02

Take a journey through a life being put to death. Ride along with a serial killer as he tells all. Come inside and explore the darker side of your soul. As you ride along with beauty and brutality, love and lust, undying friendship and the art of death itself. You will have to come inside to find out for yourself. One thing is for sure, once you walk in his shoes, you will never be the same again.

### A Place You'll Never Be - Rick Hillis 2017-09-01

Six Days. Five Inmates. One Guard. Traversing the vast, serene wilderness in Northern Saskatchewan, a group of prisoners sets out on a six day canoe trip. Quinn, an inmate trustee, has been recruited for the pilot project meant to physically and emotionally challenge a small set of inmates about to be released after long terms inside for violent crimes. Their leader, Leggett, only thinks he's in charge. Inviting along a new parole officer, Martha, and her teenage son, Brian, is just the first of his mistakes. An insect plague of biblical proportions has taken over the north country, and the inmates have always had a secret plan. The river quickly becomes a place of reckoning. Except for Quinn, the prisoners reject any hope for rehabilitation. By the end of day six, the men find themselves grappling with violence, mutiny, and a plot to harvest and sell drugs down the river, all of which echoes off the incessant buzzing that surrounds them as millions of mysterious insects follow along in the forest, destroying anything they come across - plants,

animals, even humans... *A Place You'll Never Be* is a story of external action and internal redemption. The injured Quinn is forced to evolve, facing his past, and along with Martha and Brian, they all must find the strength to survive as they race to the end of the river.

### What Would You Be If You Lived Under the Sea? - Prof. Joe Arthur 2021-06-10

A joyful adventure combining the discovery of the sea, and one's self is found between the pages of this book. It all starts one day as we find our friend sitting by the water's edge. He sees the reflection of a tree and the sun in the water. The reflection makes it look as if the tree and the sun are under the sea. "How can this be? The sun and tree can not be under the sea," he asks himself. Then our friend ponders, What would I be if I lived Under the Sea? This is a hard question for our friend, so he starts his quest of wonder as he asks his classmates and teacher what they would be if they lived under the sea. His question is answered, as if by magic, when the people answering are transformed into different sea life. This is a colorful sea tale of both words and imagination that are meant to ignite the readers imagination and spark conversation with family, classroom, and between friends who wonder what it would be like if they lived under the sea. Professor J. Arthur even included a way that you can write to him and use your words, and/or pictures of what you would be if you lived under the sea? to let him know. A portion of the proceeds from the sale of all of Joe Arthur's writing go to: Associations of Zoos and Aquariums, Covenant House, Native American Right Funds, The NAACP, The USS Constitution Museum, and the World Wildlife Fund. \* Teachers and Parents \* This book was written as a springboard for a 'Know/Want to know/Learned' (KWL) exercise. In this exercise, when the reader imagines what they would be if they lived under the sea and tells the class what they know. Other students' curiosity's will develop as they ask questions about their classmates imagined sea creature. Then all may engage in a discussion about what they learned. This is a fun bonding experience that will also help to build positive interpersonal relationships and school skills. Professor Arthur's book is a wonderful way to ignite the imagination of our young people and inspire their involvement in this living environment that we all share. Once the student's imagination is lit, that fire cannot be put out. Another great tool to teach students about the seas is a visit to their local aquarium. It was Albert Einstein who said, "Imagination is more important than knowledge." May you grow strong, stay healthy, and be the miracle - please.

### What Do You Want to Be When You Grow Up? - Yvonne Starks 2008-05-16

This is a self-help book that asks the question, explains the emotions, agitation, and fears that are associated and provides tips on how to move forward with your goals and aspirations. The main focus is to realize your passion for a "second career" or occupation you might consider after your "initial" retirement. The book points out there will be a sense of fear and anxiety and supplies ways to overcome them while portraying an understanding of psychological considerations. We all need encouragement when we are beginning to embark upon a major change in our lives and this book offers sound advice in entrusting others with our plans and desires. Giving up is easy to do; however, believing in yourself is a strong motivator to get you through the process. Viable sources of information are provided on entrepreneurship and "do's" and "don'ts" when becoming self employed. Information regarding training is furnished as well as resources to aid you in seeking your passion. Issues relating to personal growth and self-worth are

addressed in a straight forward format. As everyone is different, this may not be an issue for each individual; however, it will most certainly apply to many.

[You're Going to Be Okay](#) - Holley Gerth 2014-02-04

Sometimes it feels like life's falling apart at the seams. Sometimes you're completely worn out by stresses that never seem to end. For every woman who has been disappointed, who has watched a dream die, whose life isn't what she imagined it would be, bestselling author Holley Gerth has a heartfelt message of hope--you really are going to be okay. And it is possible to live with joy, resilience, and strength in both the good times and the bad. In fact, she says, that's what God desires for us. With her trademark positive encouragement and probing questions for self-reflection, Holley encourages women to spend less of their lives regretting and more of their lives truly living. She shows them how to guard their hearts against despair and look to the future with confidence, remembering that they are part of a greater plan and nothing can stop God's purposes for them.

[Becoming Aware](#) - Velma Walker 1998-08-21

There is inside you all of the potential to be whatever you want to be -- all of the energy to do whatever you want to do. Imagine yourself as you would like to be, doing what you want to do, and each day, take one step ... toward your dream. And though at times it may seem too difficult to continue, hold on to your dream. One morning you will awake to find that you are the person you dreamed of -- doing what you wanted to do -- simply because you had the courage to believe in your potential and to hold on to your dream.

[Are You Ready!](#) - Bob Harper 2008-12-30

The world-renowned fitness coach on the hit TV show *The Biggest Loser* presents his winning approach to lasting weight loss by showing how to get at the root of your overeating problem, followed by a nutritionally savvy diet and unique exercise plan. On *The Biggest Loser*, Bob Harper gives contestants the practical tools and psychological insights they need to get into the best shape of their lives. The key to his success is the emotional connection he makes with each participant, and he brings that same spirit to *Are You Ready!* Harper starts with a four-step strategy for getting at the root of negative thought patterns and destructive behaviors, replacing both with a clear way to build self-worth and confidence. With these tools in place,

people are empowered to make real, lasting changes in their lives. In an easy-to-follow eating plan, he provides lists of foods that are nutrient-dense and naturally low in calories, more than twenty sample menus, and tips on eating on the run, in restaurants, and on vacation. His fitness plan is geared to making exercise an integral part of daily life with workouts (ranging from 20 to 60 minutes) based on training techniques that tone and strengthen, burn calories, and reshape the body. Woven throughout *Are You Ready!* are true-life success stories that will keep readers engaged and motivated; bulleted tips, tools, and coping strategies; and sidebars debunking common myths about food and fitness. Whether your goal is losing ten pounds or a hundred, you will find Harper's message inspiring and his methods a proven path to finally achieving your dream of weight loss and fitness.

[What You Do Is Who You Are](#) - Ben Horowitz 2019-10-29

Ben Horowitz, a leading venture capitalist, modern management expert, and New York Times bestselling author, combines lessons both from history and from modern organizational practice with practical and often surprising advice to help executives build cultures that can weather both good and bad times. Ben Horowitz has long been fascinated by history, and particularly by how people behave differently than you'd expect. The time and circumstances in which they were raised often shapes them—yet a few leaders have managed to shape their times. In *What You Do Is Who You Are*, he turns his attention to a question crucial to every organization: how do you create and sustain the culture you want? To Horowitz, culture is how a company makes decisions. It is the set of assumptions employees use to resolve everyday problems: should I stay at the Red Roof Inn, or the Four Seasons? Should we discuss the color of this product for five minutes or thirty hours? If culture is not purposeful, it will be an accident or a mistake. *What You Do Is Who You Are* explains how to make your culture purposeful by spotlighting four models of leadership and culture-building—the leader of the only successful slave revolt, Haiti's Toussaint Louverture; the Samurai, who ruled Japan for seven hundred years and shaped modern Japanese culture; Genghis Khan, who built the world's largest empire; and Shaka Senghor, a man convicted of murder who ran the most formidable prison gang in the yard and ultimately transformed prison culture. Horowitz connects these leadership examples to modern case-studies, including how Louverture's cultural techniques were applied (or should have been) by Reed Hastings at Netflix, Travis Kalanick at Uber, and Hillary Clinton, and how Genghis Khan's vision of cultural inclusiveness has parallels in the work of Don Thompson, the first African-American CEO of McDonalds, and of Maggie Wilderotter, the CEO who led Frontier Communications. Horowitz then offers guidance to help any company understand its own strategy and build a successful culture. *What You Do Is Who You Are* is a journey through culture, from ancient to modern. Along the way, it answers a question fundamental to any organization: who are we? How do people talk about us when we're not around? How do we treat our customers? Are we there for people in a pinch? Can we be trusted? Who you are is not the values you list on the wall. It's not what you say in company-wide meeting. It's not your marketing campaign. It's not even what you believe. Who you are is what you do. This book aims to help you do the things you need to become the kind of leader you want to be—and others want to follow.

[You Are Not the Only One](#) - Joyce Gerald 2015-08-11

This book is a devotional that came from my devotional blog. It has devotionals based on personal situations and or circumstances, and it came from a need that the Lord placed on my heart as I prayed for individuals. The main theme is "living theology."

**You Are What You Say** - Matthew Budd, M.D. 2001-08-14

"Why are you sick?" This question, posed in compassion by his grandmother Minnie after a childhood incident plunged him into illness, stayed with Dr. Matthew Budd throughout his lifetime in medicine. As a teacher and physician at Harvard for more than thirty years, he repeatedly asked his patients this question. He found, remarkably, that it often unlocked memories, secrets, anger, resentments, and fears that had played crucial roles in their illnesses. As he encouraged his patients to reflect on their lives and habitual behavior, they often shifted from being trapped in suffering to designing a life of wellness and profound personal change for themselves, no matter what their circumstances. Their experiences led Dr. Budd to develop the Ways to Wellness program, a nationally acclaimed workshop offered by numerous HMOs. In *You Are What You Say*, Dr. Budd presents the principles of this powerful, scientifically validated program that weaves ancient and modern insights into human behavior, neurophysiology, language, and spirituality. One of these fundamental principles is that you are what you say -- your words play a major role in determining, not just reflecting, your health and well-being. He explains how the body "learns" many of its reactions, consciously and unconsciously, through language. By following the principles in this book, you'll learn about the Ten Linguistic Viruses that damage health and how to combat the ravages of anger, perfectionism, depression, and anxiety by changing the script of what you say to yourself and to others.

[What to Eat When You Want to Get Pregnant](#) - Nicole Avena 2021-03-30

Making a healthy baby begins with healthy ingredients. Learn how to hack your diet to increase fertility--getting your body into the best baby-making shape--in only four weeks! The latest research reveals that by optimizing nutrition, you can boost your chances of conceiving and having a safe, healthy pregnancy and baby. But with so much information out there, how can you make sure you're getting the nutrients you need to maximize fertility and avoiding the seemingly healthy foods that could be interfering with fertility? In this comprehensive guide, diet and nutrition expert and research neuroscientist Dr. Nicole Avena offers revolutionary science-based advice for women and men who are either thinking about having a baby, already trying, or dealing with fertility issues.

[Becoming the Parent You Want to Be](#) - Laura Davis 2012-08-01

Informative, inspiring, and enlightening, *Becoming the Parent You Want to Be* provides parents with the building blocks they need to discover their own parenting philosophy and develop effective parenting strategies. Through in-depth information, practical suggestions, and many lively first-person stories, the authors address the many dilemmas and joys that the parent of young children encounter and demonstrate a range of solutions to the major issues that arise in the raising of babies, toddlers and preschoolers. Full of warmth, clarity, humor, and respect, *Becoming the Parent You Want to Be* gives parents permission to be human: to question, to learn, to make mistakes, to struggle and to grow, and, most of all, to have fun with their children.

[I Shall Be Near to You](#) - Erin Lindsay McCabe 2014-09-02

An extraordinary novel about a strong-willed woman who disguises herself as a man in order to fight beside her husband in the Civil War. Rosetta doesn't want her new husband, Jeremiah, to enlist, but he joins up, hoping to make enough money that they'll be able to afford their own farm someday. When Jeremiah leaves, Rosetta decides her true place is by his side, no matter what that means, and follows him into war. Rich with historical details and inspired by the many women who fought in the Civil War while disguised as men, *I Shall Be Near to You* is a courageous adventure, a woman's search for meaning and individuality, and a poignant story of enduring love.

*Who God Says You Are* - Klyne R. Snodgrass 2018-01-08

WHO ARE YOU? For respected New Testament scholar Klyne Snodgrass, this is the most important question a person can ask—the question from which everything else in life flows. Other questions follow: What made you who you are? Who gets to say who you are? And—perhaps most vital—Who does God say you are? In this book Snodgrass offers wise guidance to all who are wrestling with such universal human questions. He examines nine factors—including one's body, personal history, commitments, and

boundaries—that shape human identity, and he expertly draws out what the Bible tells us about who God says we are, how we fit within God's purposes, and how our God-given identity can and must impact the way we live our lives.

**Be.You.Tiful** - sunita k. mani 2016-10-14

Wouldnt it be awesome if you could have a conversation with someone about anything no matter how tricky the topic and still not be judged? Growth and conversations go hand in hand. Both represent each other. In a classical conversation, our aspirations, our thoughts, our sense of responsibility can all shift because we begin to perceive life differently after meeting different people. This allows us to arrive at new interpretations and choices that truly make greater sense and impact. As we dwell in a technology-driven era, our conversations are endangered because we have abandoned face-to-face conversations in the name of mere connections. If you are wanting, struggling, trying to find a place where you can learn and have conversations (even the hard ones), if you are ready to deepen your awareness, develop emotional flexibility, or simply tease your curiosity, this book is for you. In the book *Be.you.tiful*, author and counselor Sunita K. Mani offers practical guidelines on how to deal with everyday issuesbig or small, addiction, infatuation, career, body image, parents, friendships, and more. It contains chunks of conversations related to different aspects that define the life of a young adult. Divided into short crisp segments of dialogues pertaining to a concerned topic, Sunita journeys through the minds of youngsters. Sunita has helped many young adults search their souls and find their answers to complex problems and a way out of tricky situations. She presents *Be.you.tiful* to help young people build their self-confidence, dismantle inner obstacles, and find the courage to chase their passion.

*Cosmopolitan* - 1897

**Biology Of Enlightenment** - Mukunda Rao 2012-07-21

In this book we meet with the modern sage, U.G. Krishnamurti, and listen to his penetrating voice describing life and reality as it is. What is body and what is mind? Is there a soul? Is there a beyond, a God? What is enlightenment? Is there a life after death? Never before have these questions been tackled with such simplicity, candour and clarity. In these unpublished early conversations with friends (1967-71), U.G.discusses in detail his search for the truth and how he underwent radical biological changes in 1967. Preferring to call it the natural state over enlightenment, he insists that whatever transformation he has undergone is within the structure of the human body and not in the mind at all. It is the natural state of being that sages like the Buddha, Jesus and, in modern times, Sri Ramana, stepped into. And U.G.never tires of pointing out that 'this is the way you, stripped of the machinations of thought, are also functioning.'

**Grown and Flown** - Lisa Heffernan 2019-09-03

PARENTING NEVER ENDS. From the founders of the #1 site for parents of teens and young adults comes an essential guide for building strong relationships with your teens and preparing them to successfully launch into adulthood The high school and college years: an extended roller coaster of academics, friends, first loves, first break-ups, driver's ed, jobs, and everything in between. Kids are constantly changing and how we parent them must change, too. But how do we stay close as a family as our lives move apart? Enter the co-founders of *Grown and Flown*, Lisa Heffernan and Mary Dell Harrington. In the midst of guiding their own kids through this transition, they launched what has become the largest website and online community for parents of fifteen to twenty-five year olds. Now they've compiled new takeaways and fresh insights from all that they've learned into this handy, must-have guide. *Grown and Flown* is a one-stop resource for parenting teenagers, leading up to—and through—high school and those first years of independence. It covers everything from the monumental (how to let your kids go) to the mundane (how to shop for a dorm room). Organized by topic—such as academics, anxiety and mental health, college life—it features a combination of stories, advice from professionals, and practical sidebars. Consider this your parenting lifeline: an easy-to-use manual that offers support and perspective. *Grown and Flown* is required reading for anyone looking to raise an adult with whom you have an enduring, profound connection.

**Do What You Are** - Paul Tieger 2001-05-15

*Do What You Are* has already helped more than 750,000 people find truly satisfying work. The book leads you step-by-step through the process of determining and verifying your Personality Type. Then it provides

real-life case studies of people who share your Type and introduces you to the key ingredients your work must have for it to be genuinely fulfilling. Using workbook exercises and explaining specific job search strategies, *Do What You Are* identifies occupations that are popular with your Type and offers a rundown of your work-related strengths and weaknesses. It also shows how you can use your unique strengths to customize your job search, ensuring the best results in the shortest period of time. Whether you are a recent graduate, a first-time job seeker, or a midlife career switcher, this lively guide will enable you to discover the right career for you.

**What to Do When You're New** - Keith Rollag 2015-09-30

Whether you're changing jobs, joining a group, or moving to a new city, putting yourself out there in new situations is no picnic. Being forced to introduce yourself . . . Having to ask questions among strangers . . . Learning expectations of those around you--it's not fun for anyone! But when we let our worries stop us from getting familiar with our surroundings and learning the dos and don'ts of our new environment, we seriously hinder our progress, our joy, and the many exciting opportunities that await us. *What to Do When You're New* combines the author's research and firsthand experience from having to adjust to a job transfer to Japan with that of leading scientists to explain why we are so uneasy in new situations--and how we can learn to become more confident and successful newcomers. With practice, anyone can learn the necessary skills to learn how to: • Overcome fears • Make great first impressions • Talk to strangers with ease • Get up to speed quickly • Connect with people wherever you go Blending stories and insights with simple techniques and exercises, this invaluable guide for the introvert will get you out of your comfort zone and trying new things in no time.

[The New Rules of Work](#) - Alexandra Cavoulacos 2017

"In this definitive guide to the ever-changing modern workplace, Kathryn Minshew and Alexandra Cavoulacos, the co-founders of popular career website TheMuse.com, show how to play the game by the New Rules. The Muse is known for sharp, relevant, and get-to-the-point advice on how to figure out exactly what your values and your skills are and how they best play out in the marketplace. Now Kathryn and Alex have gathered all of that advice and more in *The New Rules of Work*. Through quick exercises and structured tips, the authors will guide you as you sort through your countless options; communicate who you are and why you are valuable; and stand out from the crowd. *The New Rules of Work* shows how to choose a perfect career path, land the best job, and wake up feeling excited to go to work every day--whether you are starting out in your career, looking to move ahead, navigating a mid-career shift, or anywhere in between"--

**How Good Do You Want to Be?** - Nick Saban 2007-01-23

He guided LSU to its first football championship in forty-five years. He turned down countless offers from

professional teams to stay with the job he loves. Now Nick Saban reveals the secrets that will help you lead and succeed at work and in life. Excellence doesn't happen overnight. It comes from hard work, consistency, the drive to be the best, and a passion for what you do. Few understand this better than Nick Saban, the hottest college football coach in the game. Now, in *How Good Do You Want to Be?*, Saban shares his winning philosophy for creating and inspiring success. In more than three decades as a player and coach, Saban has learned much about life and leadership, both on the field and off. Working alongside some of the game's legends, including Super Bowl winner Bill Belichick and coaching legend Jerry Glanville, he saw firsthand how great leaders encourage greatness in others. In this candid, insightful guide, he shares such acquired wisdom as • Organization, Organization, Organization Create an environment where everybody knows his or her responsibilities--and each is responsible to the entire group. • Motivate to Dominate Understand the psychology of teams and individuals, and use that knowledge to breed success. • No Other Way than Right Practice ethics and values--and demand the same from your team. • Look in the Mirror Maintain an understanding of who you are by knowing your strengths and your weaknesses. *How Good Do You Want to Be?* is more than the story of how Nick Saban motivates his staff and players to excel--it is also the memoir of one of America's most successful coaches. Filled with instructive anecdotes and illuminated by never-before-told stories of his life and career, this is a book that challenges and inspires us all to be our best.

*Irish University Press Series of British Parliamentary Papers* - 1968

*You Are a Contender!* - John Haime 2009-12-15

In business, sports and life, it takes more than knowledge and good technique to achieve great performances with consistency. The challenges you need to win aren't always terrific plays, perfect golf shots, record sales or great new ideas. Instead, in any arena in life, it is command of the emotional challenges that separates winners from wannabes, contenders from pretenders. Contenders who achieve consistently outstanding results all demonstrate key characteristics and practice specific winning techniques that you can learn. The inconsistent performance of pretenders in business, sports and life can be traced to common missteps that you can avoid. If you are a leader who wants to lead more effectively, a worker who wants to achieve more, an athlete who wants to win more, or you want better performance in all areas of your life, you need this book. Filled with practical and innovative high-performance tools like the Emotional Spiral, the Emotional Inventory and the Emotional Caddie, *You are a Contender!* Build Emotional Muscle to Perform Better and Achieve More in Business, Sports and Life will teach you how to make the move from sometimes-star to consistent performer. It will show you how to train your emotional muscles to handle any experience and challenge with strength and confidence.

**The Works of Flavius Josephus** - Flavius Josephus 1890

*How Children Learn* - John Holt 2009-04-20

From the preface by Deborah Meier: "We have a long way to go to make John Holt's dream available to all children. But his books make it possible and easier for many of us to join him in the journey." In this enduring classic, rich with deep, original insight into the nature of early learning, John Holt was the first to make clear that, for small children, "learning is as natural as breathing." In his delightful book he observes how children actually learn to talk, to read, to count, and to reason, and how, as adults, we can best encourage these natural abilities in our children.

**Elite Minds: How Winners Think Differently to Create a Competitive Edge and Maximize Success** - Stan Beecham 2016-09-16

ELITE MINDS THINK ALIKE. Discover the winning secrets of the world's most successful people. As a top-level sport psychologist and performance consultant, Dr. Stan Beecham knows what it takes to succeed--on the playing field, in the board room, and in all aspects of life. This award-winning book takes you inside the minds of major-league athletes, Olympic medal winners, and world-class business leaders to reveal the key

motivators and mental processes that drive people to victory. Learn how to: RETRAIN YOUR BRAIN to think like a winner. CONQUER YOUR FEARS and go after your goals. ACHIEVE PEAK PERFORMANCE and reach your full potential. BECOME WHO YOU WANT TO BE mentally, physically, personally and professionally. Whether you're a self starter, team player, or corporate leader, you can apply these proven mind techniques to any field or endeavor—quickly, easily, and effectively. Filled with power-boosting mental exercises, positive attitude adjusters, and inspiring true stories of individual success, the book provides all the tools you need to set your goals, sharpen your focus, and achieve your personal best. It's like having your own private coach cheering you on every step of the way. If you can think it, you can do it—with the game-changing power of Elite Minds. Winner of the Benjamin Franklin Award—Updated and Expanded Edition

**I'll Be A Stranger to You** - Cara Diaconoff 2011-09

"I'll Be A Stranger To You" is a portrait of a modern Mormon struggle, a man of good conscience divided between desire and faith. A young software pro returns to Moscow troubled by carnal memories of his old missionary companion. His wife stays in Boston, waiting for him to return, to build a happy family and a Mormon way of life. But it's the end of the 1990's, the end of Russia's gold-rush era, and the end of ideals stretched beyond good use. Awarded 1st place in the Utah Art Council's writing competition in 2007, the story will appeal to literary readers as well as the LGBT community, Russian expats, and communities of faith.

*How You Can Be Sure You Will Spend Eternity with God* - Erwin W. Lutzer 2015-04-17

"Be wrong about social security, be wrong about baseball, be wrong about your career choice, but don't be wrong about where you will spend eternity." *How You Can Be Sure You Will Spend Eternity with God*—it's a

big promise, but this short book delivers. It answers a host of questions, such as: Will good deeds help me get into heaven? Who goes to heaven and who doesn't? What role do I have in my own salvation? Can I lose my salvation if I commit a serious sin? Is it wrong to doubt my salvation, and what should I do if I doubt? Dr. Lutzer takes many scriptural teachings and siphons them into clear, cohesive truths. The result is a concise, accessible book about how to be saved and be sure you are saved. It is straight gospel—applicable to the skeptic, newly saved, and long-time believer alike.
