Scar City - Corissa Blakely 2021-11-05

After spending two years working as a prostitute, I'm finally getting my life back on

track. Until my boyfriend tells me he's been secretly planning to assassinate Tyler Trepoz, the man who used his wealth and influence to buy Scar City. It's happening tonight, and he needs my help. I beg him not to go. I tell him it won't work, and he'll get caught, leaving me all alone in the world. I already lost my parents, and I can't lose my boyfriend, too. I take no pleasure in being right. Overnight, I've become a valuable pawn to the enemy, and my only hope for survival is if I can convince Tyler to save me from his own torment. Even when he's at his meanest and most ruthless, I feel safe with him. Navigating life with Tyler is a constant minefield, and being with him is the hardest thing I've ever done. I'm falling more in love with him every day, but unless we can both move beyond our dark pasts and learn to trust each other, we'll end up losing everything. This novel is a standalone M/F dark romance with a HEA. It includes content that some readers may find offensive, including but not limited to non-con,

dub-con, and character death (not either of the main characters, despite some people's best efforts).

Historic Homes of Waco, Texas - Kenneth Hafertepe 2019-02-14

In this thoughtful tour of 120 historic homes in Waco, Texas, architectural historian Kenneth Hafertepe gives readers a glimpse of the surprising variety of styles and stories captured in the houses built by and for Wacoans. Focusing on the period from the 1850s to about 1940, Hafertepe provides not only snapshots of the dwellings in which the people of Waco lived, but also informed hints about how they lived: everyone from the wealthiest merchants to the humblest day laborers. *Historic Homes of Waco,*

Texas incorporates material gleaned from city directories, fire insurance maps, census and cemetery records, and other archival and published sources to afford the most complete picture possible of how these homes came to be and what became of those who built and lived in them. Over 120 color photographs, also taken by the author, round out the descriptions. The popular enthusiasm for the television series featuring Waco-area “fixer-uppers,” coupled with the burgeoning local industry generated by the show’s two charismatic hosts, has certainly boosted interest in historic homes and buildings in Waco. Indeed, Hafertepe has incorporated a handful of properties featured on the show among the houses profiled in this book. But beyond any current entertainment craze, *Historic Homes of Waco, Texas* will stand the test of time as an authoritative and entertaining tribute to these important structures and the people who inhabited them.

Prepare yourself for the heart-stopping romance of newcomer Liz Carlyle. My False Heart is the luminescent love story of a chance meeting between two strangers one dark, rain-swept night in the English countryside. From that moment on, their destinies are forever changed. When Elliot Armstrong, the dissolute marquis of Rannoch, pursues a spiteful mistress into the wilds of Essex to sever their relationship, he is surprised to find himself hopelessly lost -- in more ways than one. Inexplicably drawn to a warmly fit house along an isolated country lane, he is mistaken for an overdue guest -- but he

dares not reveal his identity for fear of being tossed back out into the torrential rain, a fate he admittedly deserves. The loving family that innocently welcomes Rannoch into their midst soon challenges his cynical convictions, and ultimately, resurrects his shattered dreams. The beautiful Evangeline van Artevalde is an artist of exceptional talent and extraordinary secrets. Isolated from society by choice, the half-Flemish refugee has fled her homeland in search of a secure haven for the children in her family. But even the Essex countryside, she finds, is not without danger. As the clutches of her aristocratic English relatives tighten, Evangeline holds them at bay by sheer force of will, unleashing her emotions only within the walls of her studio. The furthest thing from her heart is desire -- until a drenched, strikingly handsome man shows up at her doorstep late one night. Soon, Evangeline finds she can no longer confine her passions to oil paint and canvas. Drawn by desire, Elliot and Evangeline discover a powerful

love neither thought possible. But malevolent forces surround them, and soon their secrets will be exposed and their hearts tested to unthinkable limits. Only if they can forgive the past will they have a future....

119 - Jaime Sommers 2016-09-29

119: the number of words dedicated to bisexuality in the Church of England statement Issues in Human Sexuality. The words state that bisexuality inevitably leads to unfaithfulness, and prescribe celibacy, abstinence, heterosexual marriage or counselling 'to achieve inner healing'. ~As a bisexual Christian woman,

happily and faithfully married to a man, a mother of three children and with a blossoming ministry as a preacher, Jaime Sommers had always felt as if her true self did not really exist in the eyes of the Church. She could find neither theology nor pastoral support for a person who felt the need for physical closeness with both sexes in order to feel well or 'whole'. Following a brief, isolated incident in which Jaime kissed another woman, the full extent of the Church's inability to acknowledge or understand her identity became apparent. The disciplinary process to which she was subjected led to her suffering depression and anxiety and feelings of isolation. Jaime's powerful and emotive story reveals the failure of the Church - and of large parts of wider culture and society - to recognise and support the experience and needs of those who identify as the silent 'B' in LGBT.

Profit First - Mike Michalowicz 2017-02-21

Author of cult classics *The Pumpkin Plan* and *The Toilet Paper Entrepreneur* offers a simple, counterintuitive cash management solution that will help small businesses break out of the doom spiral and achieve instant profitability.

Conventional accounting uses the logical (albeit, flawed) formula: Sales - Expenses = Profit. The problem is, businesses are run by humans, and humans aren't always logical. Serial entrepreneur Mike Michalowicz has developed a behavioral approach to accounting to flip the formula: Sales - Profit = Expenses. Just as the most effective weight loss strategy is to limit portions by using smaller plates, Michalowicz shows that by taking profit first and apportioning only what remains for expenses, entrepreneurs will transform their businesses from cash-eating monsters to profitable cash cows. Using Michalowicz's Profit First system, readers will learn that: · Following 4 simple principles can simplify accounting and make it easier to manage a profitable business by

looking at bank account balances. · A small, profitable business can be worth much more than a large business surviving on its top line. · Businesses that attain early and sustained profitability have a better shot at achieving long-

term growth. With dozens of case studies, practical, step-by-step advice, and his signature sense of humor, Michalowicz has the game-changing roadmap for any entrepreneur to make money they always dreamed of.
