This witches a tale of scandal sorcery and seduction tracy borman, as one of the most full of life sellers here will categorically be along with the best options to review.

Elizabeth's Women - Tracy Borman 2010

Elizabeth I was born into a world of women. As a child, she was served by a predominantly female household of servants and governesses, with occasional visits from her mother, Anne Bolyen, and the wives who later took her place. As Queen, Elizabeth was cons

The History of Witchcraft in Europe Throughout the Ages - John Ashton 2019-06-04

Witchcraft in Europe in Middle Ages and Early Modern Period was believed to be a combination of sorcery and heresy. While sorcery attempts to produce negative supernatural effects through formulas and rituals, heresy is the Christian contribution to witchcraft in which an individual makes a pact with the Devil. In addition, heresy denies witches the recognition of important Christian values such as baptism, salvation, Christ and sacraments. In Early Modern European tradition, witches were stereotypically, though not exclusively, women. European pagan belief in witchcraft was associated with the goddess Diana and dismissed as "diabolical fantasies" by medieval Christian authors. Witch-hunts first appeared in large numbers during the 14th and 15th centuries. It was commonly believed that individuals with power and prestige were involved in acts of witchcraft and even cannibalism. Table of Contents: The Superstitions of Witchcraft by Howard Williams The Devil in Britain and America by John Ashton Lives of the Necromancers by William Godwin Witch, Warlock, and Magician by W. H. Davenport Adams The Witch Mania by Charles Mackay Magic and Witchcraft by George Moir Witchcraft & Second Sight in the Highlands & Islands of Scotland by John G. King's Mistress, Queen's Servant - Tracy Borman 2010-12-15

Henrietta Howard, later Countess of Suffolk, was the long-term mistress and confidante of King George II. She was also, as Tracy Borman's wonderfully readable biography reveals, a dedicated patron of the arts; a lively and talented intellectual in her own right; a victim of adultery; a passionate advocate for the rights of women long before the dawn of feminism. Above all she was a woman of reason in an Age of Reason. The mark that this enigmatic and largely neglected royal mistress left on the society and culture of early Georgian England was to resonate well beyond the confines of the court, and can still be felt today.

Thomas Cromwell - Tracy Borman 2015-01-06

"An exceptional and compelling biography about one of the Tudor Age's most complex and controversial figures." —Alison Weir Thomas Cromwell has long been reviled as a Machiavellian schemer who stopped at nothing in his quest for power. As King Henry VIII's right-hand man, Cromwell was the architect of the English Reformation; secured Henry's divorce from Catherine of Aragon and plotted the downfall of his second wife, Anne Boleyn; and was fatally accused of trying to usurp the king himself. In this engrossing biography, acclaimed British historian Tracy Borman reveals a different side to one of history's most notorious characters: that of a caring husband and father, a fiercely loyal servant and friend, and a revolutionary who was key in transforming medieval England into a modern state. Thomas Cromwell was at the heart of the most momentous events of his time—from funding the translation and dissemination of the first vernacular Bible to legitimizing Anne Boleyn as queen—and wielded immense power over both church and state. The impact of his seismic political, religious, and social reforms can still be felt today. Grounded in excellent primary source research, Thomas Cromwell gives an inside look at a monarchy that has captured the Western imagination for centuries and tells the story of a controversial and enigmatic man who forever changed the shape of his country. "An intelligent, sympathetic, and well researched biography." —The Wall Street Journal "Borman unravels the story of Cromwell's rise to power skillfully . . . If you want the inside story of Thomas Cromwell . . . this is the book for you." —The Weekly Standard "An engrossing biography. . . . A fine rags-to-riches-to-executioner's-block story of a major figure of the English Reformation." —Kirkus Reviews "An insightful biography of a much-maligned historical figure." —Booklist

Henry VIII - Tracy Borman 2018-11

The Story of Kensington Palace - Tracy Borman 2019-04-04

Today Kensington Palace is synonymous with young royals; it is the official home of TRH The Duke and Duchess of Cambridge and their family, and of TRH The Duke and Duchess of Sussex. It is also famous for being the residence of Diana, Princess of Wales, during the last years of her life, and visitors still flock to the palace to learn about her story. But the history of Kensington stretches back much further. It boasts more than three centuries of continuous royal occupation, making it unique among the Historic Royal Palaces. Formerly a private house enlarged by Christopher Wren in the late 17th century to suit the needs of William and Mary, Kensington Palace was the favoured home of five sovereigns until the death of George II in 1760. William and Mary were attracted by

its location in what was then a small village to the west of London, with easy access to the capital but with much cleaner air. This remained its greatest advantage for the following two centuries, before it was overtaken by London's rapid expansion. Nonetheless, surrounded by its gardens, the palace still offers the same privacy and tranquillity that so appealed to its original royal owners. Even after its conversion into a royal residence, the palace remained a rather unprepossessing building, fashioned out of reddish-grey brick. However, this belied its architectural significance, for it was shaped and decorated by some of the country's leading architects, artists, craftsmen and designers, and is now a major national monument. The palace's social and political significance is arguably even greater. Kensington has played host to some of the most important personalities and events in the long history of the royal family. It was the birthplace and childhood home of Queen Victoria, and it was here that she held her first council meeting as monarch in 1837. During the previous century, Kensington had been divided into apartments for the younger generation of royals - an arrangement that continues today. From the late 19th century onwards, it became a visitor attraction, a museum and home to the Royal Ceremonial Dress Collection. Today the palace attracts more than 400,000 visitors a year. In this new illustrated account, Tracy Borman tells the fascinating story of Kensington from private residence to modern-day royal palace, describing not only the development of the building and its magnificent gardens, but also the dramas and intrigues of court life. Its history is set against a backdrop of events that shaped both Britain and its monarchy: from the Jacobite uprisings of the mid-18th century to the rise of industrialization in the 19th, and the turbulence of world war in the 20th. Here, in the domestic surrounds of the palace, the monarchy evolved and modernized in tandem with the times. The story of Kensington Palace is, in short, the story of the modern monarchy.

Demonology and Witch-Hunting in Early Modern Europe - Julian Goodare 2020-07-20

Demonology - the intellectual study of demons and their powers - contributed to the prosecution of thousands of witches. But how exactly did intellectual ideas relate to prosecutions? Recent scholarship has shown that some of the demonologists' concerns remained at an abstract intellectual level, while some of the judges' concerns reflected popular culture. This book brings demonology and witch-hunting back together, while placing both topics in their specific regional cultures. The book's chapters, each written by a leading scholar, cover most regions of Europe, from Scandinavia and Britain through to Germany, France and Switzerland, and Italy and Spain. By focusing on various intellectual levels of demonology, from sophisticated demonological thought to the development of specific demonological ideas and ideas within the witch trial environment, the book offers a thorough examination of the relationship between demonology and witch-hunting. *Demonology and Witch-Hunting in Early Modern Europe* is essential reading for all students and researchers of the history of demonology, witch-hunting and early modern Europe.

Anne Boleyn & Elizabeth I - Tracy Borman 2023-05-18

Anne Boleyn is a subject of enduring fascination. By far the most famous of Henry VIII's six wives, she has inspired books, documentaries and films, and is the subject of intense debate even today, almost 500 years after her violent death. For the most part, she is considered in the context of her relationship with Tudor England's much-married monarch. Dramatic though this story is, of even greater interest - and significance - is the relationship between Anne and her daughter, the future Elizabeth I. Elizabeth was less than three years old when her mother was executed. Given that she could have held precious few memories of Anne, it is often assumed that her mother exerted little influence over her. Nothing could be further from the truth. Elizabeth knew that she had to be discreet about Anne, but there is compelling evidence that her mother had a profound impact on her character, beliefs and reign. Anne's radical religious views shaped those of her daughter, and as a woman who wielded power over a male-dominated court, she provided an inspiring role model for Elizabeth's queenship. Even during Henry's lifetime, Elizabeth dared to express her sympathy for her late mother by secretly wearing Anne's famous 'A' pendant when she sat for a painting with her father and siblings. Piecing together evidence from original documents and artefacts, this book tells the fascinating, often surprising story of Anne Boleyn's relationship with, and influence over her daughter Elizabeth. In so doing, it sheds new light on two of the most famous women in history and how they changed England forever.

Bell, Book and Scandal - Josh Lanyon 2021-03-31

Black Cats. Black Arts. Blackmail. Must a witch break his vows to save

his marriage? Cosmo Saville loves that his husband has finally accepted his witchy ways. And in return, his promise to stay out of police business guarantees them a happily ever after. At least, until he discovers he might be responsible for a dangerous game of blackmail... Police Commissioner John Joseph Galbraith feels relieved that his marriage is back on track. Especially since he has his hands full with a high-profile suicide and rumors of a city-wide extortion ring. But when he stumbles across Cosmo breaking his vow by playing cop, John agonizes over old wounds. With the commissioner's badge and family in jeopardy, Cosmo has no choice but to put his life on the line... Can the witch expose a dark conspiracy, save John's career, and return to love's delicious spell? *Bell, Book and Scandal* is the third book in the *Bedknobs and Broomsticks* mystery-romance series. If you like quirky characters, snappy spells, madcap suspense, and *Happily Ever Afters*, then you'll love Josh Lanyon's bewitching supernatural story.

Dial Sorcery - Jo-Ann Carson 2022-03-07

Dial Sorcery Trouble brews when a powerful enchantress fights a curse. When Grigoire the gargoyle asks the enchantress Jane Black to break a curse, her successful storefront for all-things witchy runs into trouble. Using arcane scripts, Jane casts intricate spells to shatter the web of dark magic entrapping Grig, but as they work through the process together, Jane's sorcery creates unexpected consequences in town. While the local wizards, shifters, and mages turn against her, her usual allies offer their assistance. There is Leos a drool-worthy dragon enforcer who is too hot to handle, Alessandro a blackmailing vampire with his own agenda, and her loving family of witches and warlocks who take great delight in swishing their brooms and swords in her business whenever they can. Adding to this pandemonium, her snarky familiar, isn't talking to her. Jane, true to her personal code, is determined to make things better for everyone or die trying. Is Jane's magic strong enough to crack the curse, and mend the town's mojo? Will her full-service sorcery, survive this scandal? Read the *Dial Sorcery* to find out. *Dial Sorcery* is the second book in the *Dial Witch*, urban fantasy trilogy and is part of the *Mystic Keep* world. It features witches, warlocks, werewolves and vampires, and is filled with humorous adventure and heart-warming romance. It can be read as a standalone.

The Witchcraft Reader - Darren Oldridge 2002

The excellent reader offers a selection of the best historical writing on witchcraft, exploring how belief in witchcraft began, and the social and context in which this belief flourished.

The King's Witch - Tracy Borman 2019-04-18

Already a great historian, Tracy Borman proves with this thrilling debut novel that she is also a born storyteller. As she helps to nurse the dying Queen Elizabeth, Frances Gorges longs for the fields and ancient woods of her parents' Hampshire estate, where she has learned to use the flowers and herbs to become a much-loved healer. Frances is happy to stay in her beloved countryside when the new King arrives from Scotland, bringing change, fear and suspicion. His court may be shockingly decadent, but James's religion is Puritan, intolerant of all the old ways; he has already put to death many men for treason and women for witchcraft. So when her ambitious uncle forcibly brings Frances to court, she is trapped in a claustrophobic world of intrigue and betrayal - and a ready target for the twisted scheming of Lord Cecil, the King's first minister. Surrounded by mortal dangers, Frances finds happiness only with the precocious young Princess Elizabeth, and Tom Wintour, the one courtier she can trust. Or can she? 'Watch out Philippa Gregory and Alison Weir, I can see a new contender for the Queen of Historical Fiction!' Netgalley reviewer 'A fascinating read, felt very true to time period but with that personal touch . . . Five stars' Jeannie Zelos book reviews

The Private Lives of the Tudors - Tracy Borman 2016-05-19

'Borman approaches her topic with huge enthusiasm and a keen eye for entertaining...this is a very human story of a remarkable family, full of vignettes that sit long in the mind.' Dan Jones, *The Sunday Times* 'Tracy Borman's eye for detail is impressive; the book is packed with fascinating courtly minutiae... this is a wonderful book.' *The Times* 'Borman is an authoritative and engaging writer, good at prising out those humanising details that make the past alive to us.' *The Observer* 'Fascinating, detailed account of the everyday reality of the royals... This is a book of rich scholarship.' *Daily Mail* 'Tracy Borman's passion for the Tudor period shines forth from the pages of this fascinatingly detailed book, which vividly illuminates what went on behind the scenes at the Tudor court.' Alison Weir 'I do not live in a corner. A thousand eyes see all I do.' Elizabeth I The Tudor monarchs were constantly surrounded by an army of attendants, courtiers and ministers. Even in their most private

moments, they were accompanied by a servant specifically appointed for the task. A groom of the stool would stand patiently by as Henry VIII performed his daily purges, and when Elizabeth I retired for the evening, one of her female servants would sleep at the end of her bed. These attendants knew the truth behind the glamorous exterior. They saw the tears shed by Henry VII upon the death of his son Arthur. They knew the tragic secret behind 'Bloody' Mary's phantom pregnancies. And they saw the 'crooked carcass' beneath Elizabeth I's carefully applied makeup, gowns and accessories. It is the accounts of these eyewitnesses, as well as a rich array of other contemporary sources that historian Tracy Borman has examined more closely than ever before. With new insights and discoveries, and in the same way that she brilliantly illuminated the real Thomas Cromwell - *The Private Life of the Tudors* will reveal previously unexamined details about the characters we think we know so well.

The Witch and Warlock MEGAPACK ®: 25 Tales of Magic-Users - Lawrence Watt-Evans 2015-11-19

Witches and warlocks have been part of the fantasy field since its beginning. After all, you need someone to actually use magic if you're going to have it in your story. And magic-users can appear in any setting, from ancient Rome to the modern world, from imaginary kingdoms to the old Salem colony. Here are 25 tales spanning time and space, with only one thing in common (aside from great storytelling): witches and warlocks! Included are: *WITCHES*, by Janet Fox *THE TRAP*, by Henry S. Whitehead and H.P. Lovecraft *ELOMA'S SECOND CAREER*, by Lorie Calkins *SALEM'S CHILDREN*, by Mary Leader *THE INN OF THE TWO WITCHES: A FIND*, by Joseph Conrad *THE WITCH OF FAITH LANE*, by Skadi meic Beorh *YOU SHALL HAVE THIS DELICACY*, by Mark McLaughlin *THE CRIMES OF LADY FOWLIS*, by Eliza Lynn Linton *THE HORNED WOMEN*, by Lady Wilde *THE VOICE IN THE NIGHT*, by William J. Henry VIII and the Men Who Made Him - Tracy Borman 2019-08

'An outstanding work of historical artistry, a brilliantly woven and pacy story of the men who surrounded, influenced and sometimes plagued Henry VIII.' Alison Weir Henry VIII is well known for his tumultuous relationships with women, and he is often defined by his many marriages. But what do we see if we take a different look? When we see Henry through the men in his life, a new perspective on this famous king emerges. Henry's relationships with the men who surrounded him reveal much about his beliefs, behaviour and character. They show him to be capable of fierce, but seldom abiding loyalty; of raising men only to destroy them later. He loved to be attended and entertained by boisterous young men who shared his passion for sport, but at other times he was more diverted by men of intellect, culture and wit. Often trusting and easily led by his male attendants and advisers during the early years of his reign, he matured into a profoundly suspicious and paranoid king whose favour could be suddenly withdrawn, as many of his later servants found to their cost. His cruelty and ruthlessness would become ever more apparent as his reign progressed, but the tenderness that he displayed towards those he trusted proves that he was never the one-dimensional monster that he is often portrayed as. In this fascinating and often surprising new biography, Tracy Borman reveals Henry's personality in all its multi-faceted, contradictory glory.

Discover the Truth Behind Witchcraft Stories - Howard Williams 2019-12-18

The acclaimed author of *The King's Witch* continues her epic trilogy of Jacobean England as conspiracy haunts the court of King James. In the court of King James, lady-in-waiting Frances Gorges was suspected of witchcraft for her healing skills. But when her lover was executed for his role in the Gunpowder Plot, she fled for her life—and that of her unborn child. Now Frances is compelled to return to the dissolute and dangerous court to marry Sir Thomas Tyringham, King James's master of hounds, who has agreed to assume paternity of her son. Meanwhile, whispers of conspiracy continue to echo through the royal palace. Against this perilous backdrop, Frances reunites with her former mistress, the Princess Elizabeth, as well as other less friendly members of the court: Prince Henry, the unscrupulous heir to the crown; Lord Cecil, eager to persecute Frances as a witch; and King James himself, ever more paranoid and cruel towards alleged traitors. But she also discovers a surprising new ally: Sir Walter Raleigh, himself a prisoner in the tower of London. As he makes his intentions known, Frances again finds herself caught in a web of secrets, promises, and plots.

Witchcraft, Witch-hunting, and Politics in Early Modern England - Peter Elmer 2016

A wide-ranging overview of the place of witchcraft and witch-hunting in the broader culture of early modern England. Based on a mass of new evidence extracted from a range of archives, both local and national, it seeks to relate the rise and decline of belief in witchcraft, alongside the legal prosecution of witches, to the wider political culture of the period. Building on the seminal work of scholars such as Stuart Clark, Ian Bostridge, and Jonathan Barry, it demonstrates how learned discussion of witchcraft, as well as the trials of those suspected of the crime, were shaped by religious and political imperatives in that period.

The Book of Witchcraft - Bram Stoker 2022-11-13

Gypsy Sorcery and Fortune Telling - Illustrated by Numerous Incantations, Specimens of Medical Magic, Anecdotes and Tales - Charles Godfrey Leland 2015-10-28

This vintage work contains a collection of the customs, usages, and ceremonies used among gypsies, as regards fortune-telling, witch-doctoring, love-philtering, and other sorcery, illustrated by many anecdotes and instances, taken either from works as yet very little known to the English reader or from personal experiences. Within a very few years, since Ethnology and Archaeology have received a great inspiration, and much enlarged their scope through Folk-lore, everything relating to such subjects is studied with far greater interest and to much greater profit than was the case when they were cultivated in a languid, half-believing, half-sceptical spirit which was in reality rather one of mere romance than reason. Now that we seek with resolution to find the whole truth, be it based on materialism, spiritualism, or their identity, we are amazed to find that the realm of marvel and mystery, of wonder and poetry, connected with what we vaguely call "magic," far from being explained away or exploded, enlarges before us as we proceed, and that not into a mere cloudland, gorgeous land, but into a country of reality in which men of science who would once have disdained the mere thought thereof are beginning to stray.

Witchcraft Myths in American Culture - Marion Gibson 2012-08-21

A fascinating examination of how Americans think about and write about witches, from the 'real' witches tried and sometimes executed in early New England to modern re-imaginings of witches as pagan priestesses, comic-strip heroines and feminist icons. The first half of the book is a thorough re-reading of the original documents describing witchcraft prosecutions from 1640-1700 and a re-thinking of these sources as far less coherent and trustworthy than most historians have considered them to be. The second half of the book examines how these historical narratives have transformed into myths of witchcraft still current in American society, writing and visual culture. The discussion includes references to everything from Increase Mather and Edgar Allan Poe to Joss Whedon (the writer/director of Buffy the Vampire Slayer, which includes a Wiccan character) and The Blair Witch Project.

Witch Stories - Elizabeth Lynn Linton 1861

Crown & Sceptre: A New History of the British Monarchy, from Willam the Conqueror to Elizabeth II - Tracy Borman 2021-12-07

On the eve of Queen Elizabeth II's historic 70th anniversary on the throne, Tracy Borman's sweeping narrative of the British monarchy illuminates one of history's most iconic and enduring legacies

The History of Witchcraft in Europe - John Ashton 2019-12-18

Witchcraft in Europe was believed to be a combination of sorcery and heresy. While sorcery attempts to produce negative supernatural effects through formulas and rituals, heresy is the Christian contribution to witchcraft in which an individual makes a pact with the Devil. In addition, heresy denies witches the recognition of important Christian values such as baptism, salvation, Christ and sacraments. In Early Modern European tradition, witches were stereotypically, though not exclusively, women. European pagan belief in witchcraft was associated with the goddess Diana and dismissed as "diabolical fantasies" by medieval Christian authors. Witch-hunts first appeared in large numbers during the 14th and 15th centuries. It was commonly believed that individuals with power and prestige were involved in acts of witchcraft and even cannibalism. Table of Contents: The Superstitions of Witchcraft

The acclaimed biographer of Henry VIII and Thomas Cromwell returns with the second novel in her historical trilogy set in the early years of the treacherous Stuart reign

Gypsy Sorcery and Fortune-telling - Charles Godfrey Leland 1891

Book may have numerous typos, missing text, images, or index.

Purchasers can download a free scanned copy of the original book (without typos) from the publisher. 1891. Excerpt: ... CHAPTER XIV.' A GYPSY MAGIC SPELL. HOKKANI BASO LELLIN DUDIKABIN, OR THE GREAT SECRET CHILDREN'S RHYMES AND INCANTATIONS TEN LITTLE INDIAN BOYS AND TEN LITTLE ACORN GIRLS OF MARCELLUS BURDI- GALENSIS. HERE is a meaningless rhyme very common among children. It is repeated while "counting off" --or "out" -- those who are taking part in a game, and allotting to each a place. There are many versions of it, but the following is exactly word for word what I learned when a boy in Philadelphia: -- Ekkeri (or ickery), akkery, u-kcry an, Fillisi', follasy, Nicholas John, Queebee - quabee -- Irishman (or, Irish Mary), Stingle 'em--stangle 'em--buck! With a very little alteration This chapter is reproduced, but with much addition, from one in my work entitled "The Gypsies," published in Boston, 1881, by Houghton and Mifflin. London: Trubner Sc Co. The addition will be the most interesting portion to the folk-lorist. in sounds, and not more than children make of these verses in different places, this may be read as follows: -- Ek-keri (yekori) akairi, you kair an, Fillissin, follasy, Nakelas jan Kivi, kavi-- Irishman, Stini, stani--buck! This is, of course, nonsense, but it is Romany or gypsy nonsense, and it may be thus translated very accurately: -- First--here--you begin! Castle, gloves. You don't play! Go on! Kivi--a kettle. How are you? Stdni, buck. The common version of the rhyme begins with-- "One--ery--two--ery, ickery an." But one-ery is an exact translation of ek-keri; ek, or yek, meaning one in gypsy. (Ek-orus, or yek-korus, means once). And it is remarkable that in-- "Hickory dickory dock, The rat ran up the clock, The clock struck one, And down he run, Hickory dickory dock." We have hickory, or ek-keri, again followed by a significant one. It may be observed that while my firs...

Witches - Tracy Borman 2014-10-02

September 1613. In Belvoir Castle, the heir of one of Englandâe(tm)s great noble families falls suddenly and dangerously ill. His body is

â€tormentedâ€(tm) with violent convulsions. Within a few short weeks he will suffer an excruciating death. Soon the whole family will be stricken with the same terrifying symptoms. The second son, the last male of the line, will not survive. It is said witches are to blame. And so the Earl of Rutlandâ€(tm)s sons will not be the last to die. Witches traces the dramatic events which unfolded at one of Englandâ€(tm)s oldest and most spectacular castles four hundred years ago. The case is among those which constitute the European witch craze of the 15th-18th centuries, when suspected witches were burned, hanged, or tortured by the thousand. Like those other cases, it is a tale of superstition, the darkest limits of the human imagination and, ultimately, injustice â€ a reminder of how paranoia and hysteria can create an environment in which nonconformism spells death. But as Tracy Borman reveals here, it is not quite typical. The most powerful and Machiavellian figure of the Jacobean court had a vested interest in events at Belvoir. He would mastermind a conspiracy that has remained hidden for centuries.

America Bewitched: The Story of Witchcraft After Salem - Owen Davies 2013-02-21

America Bewitched is the first major history of witchcraft in America - from the Salem witch trials of 1692 to the present day. The infamous Salem trials are etched into the consciousness of modern America, the human toll a reminder of the dangers of intolerance and persecution. The refrain Remember Salem! was invoked frequently over the ensuing centuries. As time passed, the trials became a milepost measuring the distance America had progressed from its colonial past, its victims now the righteous and their persecutors the shamed. Yet the story of witchcraft did not end as the American Enlightenment dawned - a new, long, and chilling chapter was about to begin. Witchcraft after Salem was not just a story of fire-side tales, legends, and superstitions: it continued to be a matter of life and death, souring the American dream for many. We know of more people killed as witches between 1692 and the 1950s than were executed before it. Witches were part of the story of the decimation of the Native Americans, the experience of slavery and emancipation, and the immigrant experience; they were embedded in the religious and social history of the country. Yet the history of American witchcraft between the eighteenth and the twentieth century also tells a less traumatic story, one that shows how different cultures interacted and shaped each others languages and beliefs. This is therefore much more than the tale of one persecuted community: it opens a fascinating window on the fears, prejudices, hopes, and dreams of the American people as their country rose from colony to superpower.

Crown & Sceptre - Tracy Borman 2021-11-18

A stunning tour de force and a remarkable achievement. - Alison Weir
This is Our Island Story for the modern age. - Charles Spencer 'Not just a brilliant compendium of biographies, but the biography of an institution: a marvellous read' - Tom Holland 'This royal throne of kings, this sceptred isle' (William Shakespeare, Richard II) The British monarchy is the one of the most iconic and enduring institutions in the world. It has weathered the storms of rebellion, revolution and war that brought many

of Europe's royal families to an abrupt and bloody end. Its unique survival owes much to the fact that, for all its ancient traditions and protocol, the royal family has proved remarkably responsive to change, evolving to reflect the times. But for much of its history, it also spearheaded seismic change, shaping our religious, political and cultural identity and establishing the British monarchy as the envy of the world. There has never been a more apposite moment to consider the history of this extraordinary survivor. Within the next decade, there is likely to be a change of monarch, sparking renewed global interest on a scale not seen since Elizabeth II's coronation in 1953. Even the media and popular frenzy evoked by recent royal events such as royal weddings and births will not compare to that generated by the accession of a new king. In the lead up to this pivotal moment in Britain's history, *Crown & Sceptre* explores the history and evolution of the monarchy from 1066 to the present day, feeding the renewed interest not just in the modern royals but in the predecessors who helped shape the institution into what it is today. "Crown and Sceptre shows an astonishing command of a thousand years of the British monarchy, its traditions, roles and realities beyond the pageantry and romance. Beautifully crafted, insightful, and a genuine pleasure to read, it underscores the royal heritage at the heart of a nation." - Lauren Mackay "Crown and Sceptre" combines an eminently accessible narrative with a lucid scholarly lens. Tracy Borman skilfully unravels the trials and triumphs of this ever-shifting institution. By charting both the majesty and mechanics of monarchy, we get a vivid understanding of why its glittering gears shifted over time, and by whom the levers of change were pulled. A triumph.' - Owen Emerson, Curator at Hever Castle 'Tracy Borman's passion for the British monarch and the crown is infectious and compelling!' - Estelle Paranque 'Borman embraces a huge task' - Gerard DeGroot, *The Times* Enlightening, gripping and skilfully composed, Tracy Borman navigates the twists and turns of the British monarchy with an expert hand. A pacy narrative that's simply bursting with colour and intrigue, *Crown and Sceptre* is both powerful and compulsively readable. A masterpiece. - Nicola Tallis

The Witch of Willow Hall - Hester Fox 2018-10-02

"Steeped in Gothic eeriness."--Nicola Cornick, USA Today bestselling author
In Salem, they burned. Now, they will rise. New Oldbury, 1821
The house holds its breath, trying to outlast me... Something has awakened in Willow Hall. Eighteen-year-old Lydia Montrose can feel it. But she has no idea what it is. Rocked by rumor and scandal, Lydia, her parents, and her sisters, Catherine and Emeline, fled their sparkling life in Boston for the sleepy country estate. But bone-chilling noises in the night have Lydia convinced their idyllic new home wasn't exactly vacant when they arrived. The Salem witch trials cast a long shadow over the Montrose family as the cloying heat of summer in Massachusetts mingles with something sinister in the air. The sprawling history of Willow Hall is no stranger to secrets, and its dark past soon calls to Lydia, igniting ancient magic she never knew she possessed. But with menacing forces unwilling to rest, threatening to tear her family apart, Lydia must learn to harness her newly discovered power or risk losing everyone she holds dear.
